RULES AND HOW THE OLD CODGER'S DAY CAME ABOUT

The maiden Old Codgers day came about one Saturday night at the club late in 2018, where veterans Pat Nesbit, Graham Medlow and Rick Hill discussed an over 50s match between a couple of teams. Other Veterans Duane Ireland and Steven Downs joined the discussions and the 5 men came up with a 4 team structure consisting of two 'Out of Towner' teams with players who used to play for the club but live outside the Woodside/Harrogate border and two "Townie" teams with past players who used to play for the club but still live inside the Woodside and Harrogate Border.

The Out of towners Red Team will be captained by life member and 100 gamer Patrick Nesbit and the Out of towners Blue team will be captained by funny man and Life member Grant Parker. The Blue Townie team will be Skippered by Former President Duane Ireland and the Red Townie team will be Co-Captained by life members and club legends Graham Medlow and Rick Hill.
