

## Australian Cricket National Club Risk Protection Programme

### Important Information

#### Who should use this claim form?

You should complete this form if:

- ☑ **Insured -** You are a player, umpire, official or volunteer (Insured Person) of an Association/Club (the Insured) covered within the Australian Cricket National Club Risk Protection Programme; and
- ☑ **Injured** You sustained an accidental injury during the Policy Period whilst actually participating in a sanctioned cricket event/activity; and
- ✓ Non-Medicare You are likely to incur or have incurred medical costs that are not listed on the Medicare Benefits Scheme

Before completing this form, ensure you are familiar with the Product Disclosure Statement (PDS) available on JLT Sport's web site <a href="https://www.jltsport.com.au/cricketaustralia">www.jltsport.com.au/cricketaustralia</a>.

#### What is covered?

The Australian Cricket National Club Risk Protection Programme's Personal Accident cover provides some reimbursement for Non-Medicare Medical Costs and/or Loss of Income cover for 12 months from the date of injury.

Commonwealth Legislation prevents reimbursement of Medicare costs including the Gap. Non-Medicare Medical Benefits are covered up to the limits outlined below.

Please refer to JLT Sport's web site for the Product Disclosure Statement (PDS).

#### How much can I claim?

The following table outlines the reimbursement capacity within the Australian Cricket National Club Risk Protection Programme.

Non-Medicare Medical Costs	Loss of Income
85% Reimbursement	85% Reimbursement
\$5,000 maximum per claim	\$500 maximum per week
\$50 excess per claim	14 day elimination period

All clubs receive the above coverage at the commencement of each period of cover. Associations/Clubs may choose to upgrade the Loss of Income cover for an additional premium. Upgraded cover is valid only from the date of purchase.

### What is NOT covered?

The following examples demonstrate some areas not covered by the Personal Accident cover:

- Medicare items (see below);
- In the Medicare Gap (see below);
- Injuries sustained whilst playing against medical advice.

Please refer to JLT Sport's web site for the Product Disclosure Statement (PDS) for further details.

### What does "Non-Medicare" mean?

Medicare is a Commonwealth Government programme that provides free or subsidised treatment from medical professionals such as doctors and specialists. The Medicare Benefits Scheme (MBS) lists the items that are eligible for a Medicare rebate.

Sometimes, your doctor or specialist may charge more than the Medicare rebate, which may leave you with out-of-pocket expenses. This is commonly called the "Medicare Gap".

Section 126 of The Health Insurance Act 1973 (Cth) does not permit the Insurer or the JLT Trustee to reimburse any part of a Medicare Item (this includes the Medicare Gap).

This means that if your treatment is listed on the Medicare Benefits Scheme, it is not claimable through the Australian Cricket National Club Risk Protection Programme. For further information about Medicare please visit www.health.gov.au or www.medicare.gov.au

Please note: Some Private Health Funds may offer Medicare Gap Insurance Cover. JLT Sport is not a Private Health Fund, nor do we offer Private Health Insurance.
