Family Fun Night

Thanks to a large gathering of seniors and juniors together with beautiful weather, the first family fun night for season 2009/2010 went off with a bang. Families lounged on the oval and enjoyed watching their children participate in a variety of games organised by Hertz. The evening began with a few quick games of tippy-go and a play with the beach balls. At around 5pm quite a few families had arrived and the medicine balls

were out for the tunnel ball and under and over. The children organised themselves into groups of five or six and off they went, it was great to see the smallest age group win the first event well done boys !!! A few quick games of "in the pond out the pond" saw the girls taking out the title in the first event and the boys in the second event. A BBQ cooked by the club faithfuls Rick Hill and Peter Johns saw families enjoy a meal for \$10.00 which included patties and sausages from the local Woodside Butcher and a variety of salads prepared by parents earlier in the evening. Thank you to those parents who gave up some of their

time on the night to help out - it was much appreciated. Michelle Hill wandered the clubrooms with raffle tickets - 1st prize a large Cricket Family Fun pack and second a Small Pack, what a fantastic seller Michelle selling \$138 worth of tickets, winners on the night were Cedly Rowlands (Club President) and the Hortle Family (thanks to Rick Hill for pulling out the right tickets). The final event of the evening was the tug-of-war competition, what a family/club affair it was with people

coming from afar to try and help their team on. Look out for the future fun night, the rope is hoping to make another appearance in a senior grade competition. The evening finished with the results of the day being read out and a player of the week/month being presented with a can of drink. A big thank you to Duck, The Hill Family, BJ and everyone who attended and made the night a fantastic evening. To those people who couldn't make it we will be holding another one soon so keep an eye out for the dates in the club newsletter.

Sponsorship

Ever wondered about our signs around the oval? Did you know that there are 35 sponsor signs on the fence and all of those sponsors contribute to the financial stability of the club. The money raised from these signs cover things like upgrade of equipment—both playing gear plus the tools we need to maintain our ovals, renovations to club-rooms and surrounds, plus the ability to maintain the best value subscription fees year after year. If you know of any companies or businesses that would possibly like to support our club by placing an advertising sign on the fence, direct them to our website, or just let the Sponsorship Officer know and he will do the rest.

CLUB PHOTO

12 DECEMBER 2009 AT 12:15 SHARP

Were you part of the Club photo back in 2007? If you were we want to see you back again and if you missed out, make sure you don't miss out this time. Our new club photo will be hung in the clubrooms, and we also use the photo in all our appreciation certificates which are presented to our sponsors. Make sure you are wearing your whites, and be at the oval by 12 noon for a photo to be taken at about 12:15pm. We have allowed time for juniors to get back to the ground after their games in the morning and also time for seniors who may need to travel away for their games in the afternoon (eg, A Grade to Lenswood, and B Blue to Paracombe).

* COMPETITION *

At the MCG in March 1979 a bowler took 9-86, with the last 7 wickets falling for only 1 run. Who was it?

Third correct answer to our email address wins a \$20 Woodside Takeaway voucher.

Previous answer — Stump Cameras were first used in the 1992 Cricket World Cup in Australia and after the success of them they have been used ever since.
