CHAIRMAN'S REPORT

The past season has been one of consolidation for the club. We have also been reformed for 4 years and we have consolidated ourselves as one of the stronger clubs on the field and put ourselves into a very sound financial position off the field.

The season has not seen any premierships, but all sides have given their best on the field. The unavailability of a number of the better players at numerous times saw the 'B' and 'C' grade sides play understrength for most of the season. This feature of the sides was one of the main reasons that the 'B' and 'C' grade sides did not participate in the finals.

The number of Woodside players representing the association was again a show of our strength. My personal congratulations and the club's congratulations go to -

A Grade - Bill Oliver, Graham Medlow
Under 21's - Duane Ireland, Ricky Hill, Darren Faust
Under 16's - Stephen Stokes, Derek Youvkoft

The junior section of the club continued to go from strength to strength. Under coaches Duane Ireland, Ricky Hill and Peter Johns all three grades continued to improve their performance and all gave their best for the club. The under 15's finished the season on top of the southern section but unfortunately were beaten by one wicket in the semi-final. The under 12's finished the season on a top note being unbeaten in the last 7 games. They were only beaten twice during the season. The under 10's playing modified rules have had a very successful season with a large number of players turning out each season.

From a chairman's point of view I was disappointed at times with the efforts of a number of our younger players in the lower grades. Their commitment to training and matches were no where near what is required if they are going to play competitive sport. I hope that they soon realikse to get satisfaction from sport a bigger effort is required on their behalf.

In conclusion I would like to thank Pat Nesbit as secretary and Bill Gale as treasurer. Also to the rest of the committee, coaches and captains I say thanks for all your efforts. My future as chairman of the club will depend on my business commitments and my football involvement. I fee I have not given enough as chairman this season and so I think the club should prepare themselves to look for another chairman if I feel I can not give the time which the position requires.

Graham Medlow

Bill Oliver

Bill was elected vice-captain of the side at the start of the season. His form this season was as good as ever - he beat the bat often but did not get the rewards of previous seasons. His batting form was very good - he topped the 200 - made his first half century for the club and made many useful contributions throughout the season.

Pat Nesbit

Pat came of age as an opening batsman this season. He was runner up to the trophy and scored in excess of 250 runs for the season. His fielding was up to his usual high standard and he was consistently high in our best fieldsmen every game. His after match activities were also a constant source of amusement to the rest of his teammates.

Dave Cathro

Dave joined the club this season after not playing cricket at all last season. His knowledge of cricket was an immense help to myself and the rest of the team. His batting early in the season was excellent but an injury forced him to miss matches in the middle of the season. When he came back to the team he was unable to recapture that touch. His value to the club is immeasurable and I personally hope that Dave decides to play next season.

Duane Ireland

Duane missed some vital matches early in the season. He took time to find his touch but in a number of matches was able to show the opposition his true ability. I believe given a full season that Duane is a 400+ batsman. His wicketkeeping was again up to the high standard he set the previous season.

Stephen Stokes

It was Stephen's first full season of 'A' grade cricket. It was a season of up and downs for him. In a couple of games he showed his true ability - in innings against Gumeracha and Mt Pleasant. Also in the association sides Stephen made a great 100 in the under 16's against Great Southern. He was also one of the sides outstanding fieldsmen.

Mike Hocter

Mike was in his first season with the club. His bowling added an extra strength to the team. He was always able to gain that vital wicket when it was necessary. His batting is still an unknown object - maybe next season we will see the full fury unleashed. His other talent - as a team man - was of great help to the side and he provided the younger members with many comical situations.

Glen Cooper

Glen played the first half of the season in the 'B' grade. Once he came into the side he played a number of important innings for the side. His innings at Cambrai was of immense value and showed Glen to be a cool calculating batsman. It has taken him two seasons to find his true form but he could be a real player of the future - he has a very wide range of shots. He is also a very good fieldman.

Wayne Weidenhofer

Wayne joined the club half way through the season. His efforts with the ball were one of the main reasons that we made the finals. He fitted into the side very well and showed a real purpose both with the bat and ball. He showed in the final that he has got real batting ability with a fine 21 not out.

Lynton Keen

Lynton was another player to join the club this season. He proved himself to be a very talented all rounder. He made many vital contributions to the side as an opening batsman. His bowling when his back was right was of utmost importance to the side. He showed in the game against Mannum that he can be a very important member of the side. His fielding was always very good and we did miss his all round skills in the final.

Darren Faust

Darren was playing his first full season of 'A' grade cricket. Until illness struck him down he has bowled and fielded well. He had problems with his batting but showed his true form in the final with a very well made 28. He has tremendous talent and next season he has to decide between cricket and tennis. We can only wait and see.

Darrell Knott

Darrell was only able to play a couple of games for the club due to work and personal commitments. He was also unable to play in the final due to injury. When Darrell did play he was unable to gain the form that he showed us last season. Darrell goes to England for 12 months with the Army and we wish him and his family all the best for the future.

Ricky Hill

Ricky came of age as a cricketer this season. He won the bowling trophy for the club. It was not the number of wickets that he took but the way that he went about his job. His effort in the final when he bowled 20 overs to take 6/97 was a great effort when you consider that he had a couple of chances missed early. His batting also showed great improvement with an excellent effort against Birdwood.

Bob McEvoy

We lost Bob McEvoy's service at Christmas. In his half season with the club he showed that he is a very good cricketer and an excellent club man. He made valuable contributions to the side this season with an excellent innings at Mt Pleasant to win the game for the club. He also played very well in his farewell game with the club.

'A' GRADE REPORT

The side has a fairly successful season. We started this season with 6 new 'A' Grade players. We had lost quite a few experienced players from the previous season. The side struggled before Christmas but after that they put together some very good performances. To make the finals was a very good achievement and with the experience gained will prove a much harder side to beat in coming season.

We had numerous outstanding achievements and these included -

Ricky Hill - 6/97 v Lobethal (Semi final)
 - 6/49 v Palmer
 - 5/44 v Palmer

Lynton Keen - 6/40 v Mannum

Graham Medlow - 186 x Cambrai

Partnership Records

1st - 52 - L. Keen, P. Nesbit & D. Cathro
2nd - 92 - S. Stokes & P. Nesbit
3rd - 106 - G. Medlow & D. Cathro

 9 - G. Cooper, L. Keen

Cricketer of the Year -

560 - W. Oliver
547 - G. Medlow
437 - R. Hill

In conclusion I would like to thank the team for their efforts and to Bill Oliver for his contribution as vice-captain. In the four years that I have been associated with Woodside it was the most determined and keenest team that I have been associated with.

Graham Medlow
Captain

'B' GRADE REPORT

By our standards we had a very poor season. With the players we had we proved to be competitive, just lacking the depth in the side of the previous season. Losing both opening bowlers and batsmen from last season takes some replacing.

During the season we used over 30 players and never played two matches in a row with the same side. Very unsettled.

Dave Hurrell

Left hand opening bat. Unorthodox in his technique but usually gave us a sound start. Regularly got to 20-30 runs and then got himself out. Needs some work on leg side shots as the leg stump quite often hit the ground. Would have liked to bat Dave down the list but never had the opening batsmen to allow us that luxury. Also quite a useful wicket-keeper. Has been known to run 1 or 2 batsmen out.

Shane Gale

Reluctant right hand opening batsman - wicket-keeper. Not a forceful bat, more of a deflector. Has the ability to concentrate for long periods of time which is essential when opening an innings. Still does not believe enough in his own ability as a batsman. Shane opened the innings mainly in the second half of the season and rarely failed. Also our main wicket-keeper during the season performing consistently with the gloves. Outfield returns had to be over the stumps as Shane wore shorts and no pads. Regularly tried to break the batsmen's concentration by telling lengthy jokes (2-3 overs usually) but only succeeded in upsetting the concentration of the slips field. Should take on the captaincy of the side next season.

Joel Lewis

Right hand batsman and right arm medium pace bowler. Joel had an excellent start to the season with the bat. Then played several A grade games and never really recaptured that early form, although putting in some useful knocks for the side. Has the ability to bat anywhere in the side and made a lot of runs. Just requires a little more concentration which will come with experience. Joel also put in some very good performances with the ball. Fell into the trap of bowling too short on occasions. Would like to see him lengthen his run up as I felt the main problem was being caused through not being balanced properly at the deliver stride. Because of his height and upright action would like to see him come off a longer run and bowl faster. May then get away with the odd short one.

Milton Prosser (Vice Captain)

Right hand batsman and medium pace bowler. Once again Milton was one of our more consistent performers both with the bat and ball. Probably a little disappointed with his batting in the second half of the season. Does not get as many wickets as he deserves when bowling. Consistently beats the bat without getting the edge.

Steven Downs

Right hand batsman and right arm off spin or leg spin bowler. Wish he would not try and bowl both in one over. Has the ability to make a lot of runs. Usually suffers from a lapse of concentration too early in his innings. Made runs towards the end of the season. Bowling lacks a little consistency in direction a result of not being able to practice often enough. Steven has a very good arm in the outfield and also the ability to make a good wicket-keeper. Steven has indicated he will be playing tennis next season. We thank him for the past couple of seasons and wish him well with his tennis but hope to see him back playing cricket in the not too distant future.

Robin Goode

Right hand batsman and right arm off spin bowler. Unfortunately, Robin joined us lated in the season. If he had played the full season I am sure he would have taken a lot of wickets and also made useful socres with the bat. His experience would have been invaluable over a full season.

Kym Hollitt

Right hand batsman and right arm off spin bowler. Kym has the ability to be a very punishing batsman. If only he could contain his aggression for the first five or six overs he would make a lot of runs. Also the ability to be good off spin bowler. Lacks a little concentration at times, however, put in some very good performances with the ball. Tremendous arm in the outfield.

Ronnie Nauman

Right hand batsman and right arm medium pace bowler. Ronnie has the ability to be a good all round cricketer. Bowling needs a lot of practice to bowl a consistent line on off stump. Ability to bat also, at this stage not moving his feet is the main cause of his dismissals. Regular practice would overcome this.

Colin Mangelsdorf

Right arm medium pace bowler and professional number 11 batsman. Mango was our leading wicket taker during the season. Still lacks a little consistency on line and length. Ability to move the ball both ways. Would like to see him lengthen his run up and bowl a little faster. Would be very difficult to play with a little more pace.

Michael Aubert

Right hand batsman. Michael can bat anywhere in the top half of the order. Has the ability to make a lot of runs, but still lacks the concentration necessary to made a big score. Suffered this season through not playing in the side regularly.

Darren Bloomfield

Right hand batsman. Right arm bowler. Darren has the ability to be good medium pace bowler with a little more work. Usually tires to hit too many balls over the fenced when batting. A little more experience and will be a useful all rounder. Very good in the field and a valuable member of the side.

I would like to thank all those players who played for the B grade during the season. It has been a pleasure playing with you.

Bob Hahesy
Captain

D. Kennedy

3/-/52

Dick filled in a late notice in two matches - thanks Dick. Good batting effort at Paracombe.

A. Leslie

3/4/77

Batted and showed us what is capable of in cricket. Stick with it you're too young to retire.

R. Boulton

3/-/35

Ross just never had the luck. Took 6 wickets in a scratch match at Eden Valley.

P. Cronin

3/1/116

Would have been great to have Phil all the year. Would have been easier to build a team for finals. Excellent concentration when batting.

D. Bloomfield

3/3/67

Darren enjoyed Mt Torrens ovals. Perhaps more matches in C grade would have helped Darren.

D. Downie

3/13/46

Had Darren for last 3 matches. Concentration on direction and less speed would have seen more wickets. Excellent effort 13 wickets in 3 games.

Other players who played 2 or less matches for 'C' grade this season I would like to thank you for your effort. Without these players we would have been unable to field a 'C' grade - J. McInnes, D. Newman, D. Pinnoch, K. Floyd, R. Pichl, T. Kelly, T. Dick, C. Mango, S. Downs, N. Sutton, K. Hollitt, F. Pichl, J. Tucker. Last season our 'C' grade team was more stable than this year, but players making themselves available 'A' 'B' 'C' grades each Saturday would make this club a top club it should be. A team using 30 different players in nine matches will always find it hard to settle.

A good season apart from the excuses the last two matches won, one against the Premiership side Cambrai.

Trophy winners

Batting	-	B. Yovkoff	197 runs
Bowling	-	J. Luker	22 wickets
Fielding	-	S. Pichl	
Most Consistent	-	B. Yovkoff	

Special thanks from all the players in 'C' grade to Mrs Weston for her efforts scoring during the year - Thank you.

Bill Gale
Captain

'C' GRADE REPORT

* denotes matches played/wickets/runs made

D. Weston

9/1/32

Vice Captain. First season with Woodside. Batted better further down the line. And what a catch at Woodside. Holds opening partnership in 'C' grade for the season. Loves hitting the ball to the fielder at point.

B. Yovkoff

9/13/197

Best season for Barry since he joined Woodside. Patience has proved a fault with some innings. Partnership breaker with his bowling. Most consistent for the team.

J. Luker

10/22/104

"Cool Hand Luke" More wickets would have fallen if catches were held, but extremely good effort John. John puts his all into his sport, perhaps others could learn from him.

S. Pichl

9/-/57

Wicket-keeper. Excellent job for first year in senior grades. Opened innings on several occasions with mixed fortunes. Stick with it Simon - bright future - 'Fieldmans of the Year'.

T. McGaw

6/3/24

Trevor shows excellent batting form at training, but something happens in a match - perhaps less stroke play after the ball has passed and concentrate on just hitting the ball.

K. Pendergast

5/-/40

A player who was prepared to battle with bowlers - great guts - improvement for sure in the future. Fielding a real trier.

D. Yovkoff

4/1/58

Thanks for filling in on different occasions. Helped with good batting efforts - C grade can use you.

B. Keen

4/-/51

"New Stonewall" of C grade tired bowlers and helped players down the line make good scores. Fielded well in close, great to see you join the ranks this year.

J. Piper

4/7/88

Excellent effort by Jamie in his matches, his effort both batting and bowling help us win the last two matches. Concentration in the field at Mt Pleasant gave him 3 catches.

UNDER 15's COACHES REPORT

At the beginning of the 1984-85 cricket season when I accepted the position as coach of the Under 15's I looked upon it as a great challenge, having never coached any side before. The team generally had a good year (losing just the one game before the finals), with all players chipping in at sometime or another with worthwhile contributions.

We had five players score more than 90 runs for the season and seven bowlers who captured six or more wickets. With this in mind we can see there was no one 'star' in the Under 15's this year, with every players contribution being highly valued.

The highlights of the season, from the teams point of view would have to be, the winning of the game against Gumeracha by just 5 runs, and fighting back in the semi final. We batted first to set Mt Pleasant 114 runs to win (D. Newman 36, N. Stokes 25). After making a good start and being 5 for 110, we then claimed 3 wickets for 1 run. This put us in with an outside chance, but we were finally beaten in the second to last over of the day.

Finally and most importantly I would like to thank, all of the players for their cooperation throughout the year, anyone who scored for the team on Saturdays, Pat Nesbit who took over coach in my absence, and anyone else who helped make my enjoyable year easier. THANKYOU

Duane Ireland

UNDER 15's PLAYERS PROFILES

DALE NEWMAN - As captain of the Under 15's Dale has a mature approach to his cricket and is equally talented with both bat and ball. It was a good year for Dale making four scores over 35, but never being able to reach that elusive 50. Dale had an equally good year with the ball, but quite often found he was moving the ball too much to find the batsmens edge.

193 runs at 48 ave.
10 wickets at 9.7 ave.

DEREK YUVKOFF - (Vice Captain) Derek plays his cricket very aggressively, when he concentrates he is capable of smashing most Under 15 attacks out of the game (smashing being the key word). He was equally destructive with the ball, although on quite a few occasions lacked a little control. Overall Derek had a good year being the second highest run maker and third highest wicket taker.

153 runs at 38 ave.
12 wickets at 6.9 ave.

STEVEN HAHESY - Steven's technique as a batsmen is very correct and well suited to opening the batting. Steven ran in to a problem where he was tending to get himself out rather than the opposition bowlers getting him out, if he can concentrate a little more he will find big scores a lot easier to come by. As well as batting very well Steven showed good allround qualities, being our second highest wicket taker and giving a very good display in the field with good ground work and a couple of great slips catches.

UNDER 15's PLAYER PROFILES (Cont)

TIM JOHNS - At the beginning of the year I was told Tim was a Medium pacer who could also bowl a bit of Leg Spin. With the knowledge our team had an abundance of Medium pace bowlers, I asked Tim to concentrate mainly on his spin. In one game over the two innings Tim took 8 wickets for 3 runs from 5 very tidy overs. Tim also made the most of his limited opportunities with the bat scoring 71 runs, with a highest score of 36 and losing his wicket only once.

71 runs at 71 ave.
11 wickets at 3.7 ave.

DARYL LANGBEIN - Daryl is a batsmen who tends to rely on his good eye rather than move his feet into good positioning. He quite often found this to be why he was back in the pavillion instead of still at the wicket making runs. The highlights of Daryl's year would undoubtedly be a very well struck 70 retired against the Junior Colts and picking up his first wickets for the season in the semi final. his return for that day was 2 wickets for 6 runs from 6 very good overs.

99 runs at 24 ave.
2 wickets at 12 ave.

ANDREW MASTERS - Andrew is one of the younger players who played a very important part in our success this year, his out-swing bowling was a force, bowling 33 very accurate overs and only conceding 56 runs. Andrew finished the year with 14 wickets (a wicket every 14 balls bowled), which is a fine strike rate. With the bat Andrew was in great touch before the christmas break scoring 45 and losing his wicket only once, unfortunately he was unable to regain his form after the holidays.

56 runs at 18 ave.
14 wickets at 4 ave.

DANNY McCULLOCH - Danny was one of a few players who were in that unfortunate position of quite often not having long enough time to bat. A look at his statistics for the season reveal he batted 7 innings which included 3 not out and retired once. His highest score for the year was a well compiled 20, as an opening batsman against Junior Colts. Danny bowled 17 overs for the season at a cost of only 2.7 runs each over and was able to capture 3 wickets

29 runs at 10 ave.
3 wickets at 10 ave

SHANE NORTHCOTTE - Shane although the smallest member of our team always gave abig effort every week. Shane was an asset to our feilding side, covering many metres to backup, his use of voice was also pleasing. Shane's batting was always very aggressive, but he must learn to mix defence with attack.

26 runs at 13 ave.
2 wickets at 13 ave.

SCOTT TAYLOR - Scott had problems all year getting his batting together, but to his credit ,after christmas fought back well to become one of our higher wicket takers. He captured five wickets for two runs in one haul against Junior Colts.

9 wickets at 2.6 ave.

UNDER 12' REPORT

1984/85 has been a very good season for the under 12's, in that, even though the emphasis has been put on learning the game rather than just win, the team only lost two of the ten games played.

Below is a brief summary of the year.

Game	Woodside	Opposition + score	Highlights
01	76	Onkas 130	J. Langbein 2/8 T. Newman 13, D. Looper 10 no
02	144	Basket Range 71	C. Owen 3/1 J. Langbein 21 no, T. Newman 25 no, M. Broderick 14
03	52	Lenswood 38	D. Topperwein 2/3
04	59	Hahndorf 63	R. Treddinick 2/4
05	122	Ashton 111	M. Broderick 2/5, N. Butcher 2/1, S. Masters 2/7, M. Broderick 35 no, D. Pinnock 34
06	66	Hahndorf 58	N. Butcher 3/7, D. Pinnock 15
07	135	Basket Range 121	61 partnership between D. Pinnock 40 no and J. Langbein 35 no, P. Battaglia 24 no
08	141	Scott Creek 102	D. Pinnock 40 no, D. Topperwein 13, T. Newman 12, B. Hahesy 10
09	142	Onkas 120	S. Masters 2/7, 61 partner- ship between D. Pinnock 37 and M. Broderick 20
10	160	Basket Range 87	D. Pinnock 37, J. Langbein 23, M. Broderick 20, S. Bishop 3/6, G. Langbein 4/6

P. Battaglia

Paul is one of the elder players who has performed well with bat, his onside shots are very good and fielding is exceptional.
58 runs 1 wicket for 71

S. Bishop

Scott was the eldest member of the side. His batting has come along way since that start of the season. Plays very well any ball wide of the stumps. Bowling has also improved in that he can get the ball to move away from the RH batsman. Scott's wicket-keeping has improved considerably over the summer.
28 runs 6 wickets for 33

UNDER 15's PLAYER PROFILES (Cont)

NEIL STOKES - Neil took over as our wicket keeper for the second half of the season, at which he did a fair job, but would have found it much easier if he could get his feet moving a little more. Neil's batting would have to be one of the success stories of the season. It all started with him being promoted to opener for the 3rd to last game against Junior Colts. In that game he blasted 55 runs in just 12 overs, before retiring. He followed that game with a very good 19 in the next game, before making 25 in the semi final, which in my mind was one of the best knocks of the year. He took quite a few balls on the body before he settled in to add 61 for the second wicket.

109 runs at 36 ave.

6 wickets at 0.5 ave

HIGHEST SCORES

D.Langbein	70 ret.
D.Yuvkoff	57 ret.
N.Stokes	55 ret.
S.Hahesy	51 ret.
D.Newman	47
D.Newman	41 ret.

BEST BOWLING

S.Taylor	5/2
T.Johns	4/1
T.Johns	4/2
A.Masters	4/3
D.Newman	4/5
S.Hahesy	4/9

J. Langbein

Jeffrey is one of the younger brigades. Jeffrey has a very good bowling action and is very accurate. With a little more practice he will become a good batsman as well.
7 runs 6 wickets for 32

S. Masters

Simon unfortunately like many of the other younger lads didn't get many opportunities to show his true batting skills, but he performed well when called upon. His bowling is very good in that he can move the ball both ways.
26 runs 5 wickets for 31

T. Newman

Troy had a mixed season starting the season on a high note, the falling away in the middle, but came back and performed well towards the end. A good all rounder with an unorthodox batting style.
64 runs 3 wickets for 28

D. Topperwein

Daniel, the longer he played the better he seemed to get. A very strong onside player who hits the ball harder than most others of his age.
27 runs 3 wickets for 31

A special thanks must go to Peter Johns who's advice and assistance have been much appreciated. Also to Al Loder and Keith Broderick who have made my job much easier and more enjoyable and to all those who have helped in any way. Thank you.

Rick Hill
Coach

MODIFIED CRICKET

Watching the players in their match with Mt Barker Primary I was reminded of that first evening back in October when at times I really wondered where to start and if we would ever be a team.

To their credit they have listened, practiced and now are a credit to themselves.

In fact in the games they have played this year they have not outscored the other team because they have bowled better giving them more opportunities to play their strokes (we don't hit the ball we play our stokes!)

To the players -

Year 5's Nicholas Johns, Naomi Trottman, David Broderick, Iain Roberts, Damien Miller and Annette Medlow - all capable of taking their place in the under 12's next year with a basic knowledge of bowling, batting and fielding to help them begin.

M. Broderick

Mark has a lot of cricketing ability. He has performed very well through out the season. Mark's batting when in full-flight is a pleasure to watch. With a little more concentration on your off side shots and your bowling you'll become a top all rounder in years to come.

139 runs 8 wickets for 59

J. Langbein

Jason is a brilliant all rounder, who has a very mature attitude towards the game and his fellow players. He is as equally skilful with bat, ball and wicket-keeping gloves. Very quick between wickets and has a good understanding with Darrell Pinnock when running short singles.

98 runs 6 wickets for 46

D. Loder

Darren was one of the senior players whos bowling is very far advanced for his age. Darren deserved many more wickets than he received. Batting has come along nicely as well.

49 runs 2 wickets for 59

R. Treddinick

Richard has had a steady season. He is not a quick scorer of runs but has a rock solid defence. His bowling is very good as is his attitude towards the game.

24 runs 4 wickets for 39

D. Pinnock

Darrell is an outstanding cricketer skill-wise for his age. He's gradually gained confidence with his batting. Darrell has a very good eye and on many occasions punishes the good ball as well as the bad one. His bowling is very good when he concentrates on the spot. Darrell has a bright cricketing future as long as he is prepared to put the effort in.

203 runs 2 wickets for 19

N. Butcher

Nigel has performed brilliantly with the ball this season, with a littel more practice and aggresion with your batting you too will become a good all rounder.

20 runs 12 wickets for 58

B. Hahesy

Brendan is one of the quieter members of the side. He has a very good batting technique. His bowling in flight and accuracy has improved over the summer.

27 runs 4 wickets for 39

D. Hodgson

David decided to concentrate on his bowling which gradually improved, he has good versatility being able to bowl both spin and medium pace accurately.

10 runs 4 wickets for 42

trophy donation	100.00

450.00

Balance of Premium interest account \$3100.00

Year 4's Brett McInnes, Andrew Hawkes, Shamus Skehan, Danny Hahesy, Craig Jarrett, Michael Creswell, Ben Barclay and Matthew Weston - this group of youngsters have really made the most progress during the season and have in consequence established a good starting point for young players (i.e. late year 3).

Of the other players Craig Medlow has had the experience of exposure through Dad to sport from an early age. John Tucker, Wayne and Justing Hall should be ready to really develop during the next season.

Finally my thanks to all parents who have assisted and especially to Dave Weston, John McInnes and John Tucker for helping on the field and to Rob Hawkes and Kerry Weston who have kept the score book.

Peter Johns
Coach

TREASURER'S REPORT

With all accounts paid and subs paid up to date this club should have approx. \$4,000 placed in our Premium Interest Account. This should help with the erection of nets and purchase of replacement gear next year.

Misappropriated monies have been repayed to the club, \$3,398.64.

Lucky envelopes ; money will help to cut down the costs of trophies from donators.

Subs are vital to the survival of the club, unpaid subs this season must affect their membership of the club in future years. The bank balance looks healthy, but gear and ball costs are rising every year.

Areas where costs may rise 'Recreation Ground Fees' and payment of mowing of the oval. These areas have been extremely low in the past.

Bill Gale
Hon. Treasurer
