1984/5	GRAHAM MEDLOW
1985/6	GRAHAM MEDLOW
1986/7	GRAHAM MEDLOW

Club re-formed at Woodside on 15/6/81

PREMIERSHIPS:

1983/4	<u>'B' GRADE</u> - Woodside defeated Lobethal
1985/6	<u>'A' GRADE</u> - Woodside defeated Cambrai
1986/7	<u>'B' GRADE</u> - Woodside defeated Gumeracha
1986/7	<u>'C' GRADE</u> - (Red) Woodside defeated Palmer

'A' GRADE REPORT 1986/87

The 'A' Grade had a disappointing season. We fell from Premiers last season to being unable to make the finals. We had quite a few changes to the team from last season - the loss, for various reasons, of ADRIAN BAKER, BRIAN BUTCHER, DALE ALLAN, PAT NESBIT, and the loss of batting form by DAVE CATHRO and an injury to WAYNE WEIDENHOFER did not help us during the season. Even allowing for the above reasons, the 'A' Grade showed a lack of fight and desire to succeed this season. I just hope that they want to revive the success of 1985-86 during the next season.

1. DUANE IRELAND

Duane did not make the runs this season that his ability should he really should be making 300 -400 runs a season. His wicket-keeping was good and his catching excellent. His captaincy in the game at Kersbrook was good, and he led them to an excellent victory in that game.

2. GREG PARKER

Greg struggled to make runs this season and did not show his best form until the last game of the season. His innings that day of 59 was really a great innings and shows what he is capable of. His bowling was always capable of taking a wicket and his fielding good and his enthusiasm excellent.

3. STEVE JONES

Steve came to the Club this season from Cambrai. He had employment problems early in the season which had an unsettling effect on his batting and also on the team. After Christmas he showed that he is a very capable batsman and scored a couple of excellent 30's.

4. BILL OLIVER

Bill again had a very good season - he scored over 200 runs and took more than 30 wickets. His efforts with the ball were outstanding and late in the season he virtually carried our attack. His batting was always forceful and there never was a dull moment while Bill was at the crease.

5. RICK HILL

Rick's bowling this season improved as the season progressed - he bowled very well in matches against Gumeracha, Lobethal and Springton. His batting to his own standard was disappointing, although in a number of matches he was left not out. Again his fielding at short leg was of the highest standard.

6. GRANT PACKER

Grant was one of the few successes of the season. In his first year with the Club he scored over 200 runs, and his fielding was absolutely first class - saving many runs in numerous positions around the ground. I am sure that with this season under his belt he could be a very important member of the team next season.

7. JOHN HARGREAVES

John spent all but the first game of the season with the 'A' Grade. It was his first year of day cricket for a few seasons. His ability is undoubted - all he requires is to learn to concentrate more and to select the right ball to score from. His bowling could be very handy and his fielding is keen and enthusiastic.

CHAIRMANS REPORT

The Club, as a whole, has had another successful season both on and off the field.

On the field, the Club had the satisfaction of winning both the 'B' and 'C' Grade Premierships. Although the 'A' Grade were very disappointing this season, our 4th side the 'C' Blue team made the Four in the 'C' Grade competition, unfortunately to be beaten in the semi-final.

The 'B' Grade team which was well led by NEIL SMITH, went through the season undefeated, and showed by their courageous effort in the Grand Final that they were worthy winners and deserve promotion to the A2 division. Although BOB HAHESY and WAYNE WEIDENHOFER were the Grand Final heroes, the real reason for their success of the team were that every member contributed throughout the season.

The 'C' Grade, which also was well led by COLIN SMITH, even allowing for Friday nights, were only beaten twice during the season and conclusively won their Grand Final. This team was also a very competitive unit and when at full strength, were easily the strongest team in the 'C' Grade. This win will allow this team to enjoy promotion to the 'B' Grade next season.

Individual honours in Association Trophies went to STEVEN HAHESY and JAMIE PIPER - the Club's congratulations to these 2 cricketers. Association honours went to GRAHAM MEDLOW (who captained the winning HARRY MEYER SHIELD team), RICK HILL (Vice-Captain for the U.21's), and STEVEN HAHESY (U.16's), who made the semi-finals.

Off the field the Club's greatest success was led by BILL GALE and his sub-committee who have gained Council approval for the establishment of a second Oval and Cricket Nets on the old Archery surface adjacent to the existing Oval. The success of this venture is due in no uncertain terms to the efforts of Bill Gale and the way he has presented the case to Council.

The full fruition of this venture, which we hope to see by the start of next season, will require an enormous amount of work throughout the off season. With this project in mind the committee has decided to call the ANNUAL GENERAL MEETING early in APRIL. I personally hope that this meeting will be well attended and that a bigger majority of cricketers show that they are prepared to do more for the Woodside Cricket Club than just play cricket.

The only disappointing aspect of the season is the lack of desire to pay for subscriptions. There are still players owing subs. This situation will have to be strongly looked at by the incoming committee.

Over all the future of the Club is rosy and with the introduction of U.13's a big possibility in the Torrens Valley Cricket Association, it will enable all our major teams to play in the one Association. The amount of work done by cricketers in the off season will ensure that the Club has the best practice and playing facilities of any Club in the Association.

GRAHAM MEDLOW

1986/87 'E' GRADE SEMI FINAL - WOODSIDE vs KERSBROOK

LOBETHAL OVAL - 7th & 8th MARCH

<u>BATTING</u>	<u>HOW OUT</u>	<u>BOWLER</u>	<u>SCORE</u>
N. SMITH	B	G. Levitt	12
P. NESBIT	LBW	G. Green	20
R. HAHEsy	B	A. Radaich	28
S. STOKES	C	A. Radaich	67
D. CATHRO	C	A. Radaich	2
S. HAHEsy	C	G. Ising	33
W. WEIDENHOFER	B	A. Radaich	27
F. BELLMAN	R.O.		1
D. PINNOCK	R.O.		5
C. MANGLESDORF	N.O.		0
B. NANKERVIS	R.O.		1
Extras			<u>10</u>

Total Score 206 runs

Fall of wickets - 33, 33, 107, 121, 151, 192, 199, 200, 203, 206.

BOWLING

B. NANKERVIS	10 overs, 2 maidens, 2/18
S. HAHEsy	11 overs, 2 maidens, 6/19
P. NESBIT	2 overs, 2 maidens, 2/0

1986/87 'B' GRADE GRAND FINAL - WOODSIDE vs GUMERACHA

GUMERACHA OVAL - 14th & 15th MARCH

<u>BATTING</u>	<u>HOW OUT</u>	<u>BOWLER</u>	<u>SCORE</u>
N. SMITH	B	J. Morley	6
P. NESBIT	B	C. Cornish	14
R. HAHEsy	N.O.		79
S. STOKES	C	J. Morley	2
D. CATHRO	L.B.W.	J. Morley	0
S. HAHEsy	C	R. Packer	4
C. WILLIAMS	C	I. Taylor	0
W. WEIDENHOFER	N.O.		79

D. PINNOCK, B. NANKERVIS,
C. MANGLESDORF, did not bat

Extras

9
6/ 193

Fall of wickets, 24, 24, 28, 45, 46.

BOWLING

B. NANKERVIS	16 overs 3 maidens, 4/40
S. HAHEsy	11 overs, 6 maidens, 0/12
C. WILLIAMS	10 overs, 3 maidens, 0/20
P. NESBIT	15 overs, 3 maidens, 1/43
C. MANGLESDORF	5 overs, 2 maidens, 0/15
W. WEIDENHOFER	7 overs, 0/24
R. HAHEsy	3 overs 0/22

The game was won with only 10 balls left. A seventh wicket partnership between Bob Haheesy and Wayne Weidenhofer of 147 runs, possibly a Club record!!

Captain: Neil Smith; Vice Captain: Gary Bellman

8. JOCK McGREGOR

Jock was probably our recruit of the season. He was keen and enthusiastic and never gave up trying, whether he was batting, bowling or fielding. His bowling was excellent and in the 6 games he played this season, he took almost 20 wickets. His absence over the last 3 games hurt the side badly.

9. DAVE CATHRO, WAYNE WEIDENHOFER, STEPHEN STOKES & BRUCE NANKERCIS - see the 'B' Grade report.

Other players to play 'A' Grade this season were - DALE ALLAN, A. BAKER, B. TOLHURST, N. SMITH, W. ALLEN, G. McDONALD, A. WHITE, C. SMITH and C. WILLIAMS.

Although we did not have a successful year on the field as we had hoped, we still led the Association in another field, - the afternoon tea. To all the wives, girlfriends, mothers and even cricketers that helped in this department go my thanks and also those of the opposition cricketers, and especially the umpires.

WOODSIDE HOTEL

WOODSIDE CRICKET CLUB

"B" Grade Players

Pat Nesbit

Pat is one of the great club men at Woodside. He gives 100% on the field and doesn't shirk any responsibility away from the game - he even hitched up the mower to the 'ute one weekend to ensure a good playing surface. Pat makes a contribution throughout the game. He opens the innings with determination, giving nothing away. Against Birdwood before Christmas he held the middle order together in an important recovery. His bowling is more than useful - always tidy and always very serious business. Pat fields with enthusiasm and likes to comment from the slips about the state of batsmen's pads. It's a long way from Tintinara, but I'm sure we'll see more of him.

Bob Hahesy

Bob's season will be remembered for a heroic grand final hand, but he contributed much more than that. Throughout the year, Bob worked at his number three with responsibility, mixing that nonchalant, solid defence with aggressive hitting. He loves that lofted on drive. From the bowling crease, Bob played some important hands. His medium pacers often slowed the opposition's batting tempo, and those slow "offies" even mesmerized Dave at slip. He brings a lot of experience to the game (as well as a great group of supporters). He was unlucky to miss out on the Association aggregate by only 18 runs.

Steve Stokes

Stokesy came back to Woodside before Christmas, and started with a very nervous effort against Birdwood. He batted a bit the same in the grand final (same dismissal), but in between he played some terrific innings. He makes things happen at the crease, with plenty of shots in the repertoire. He's a good fielder, taking charge of the covers with speed and enthusiasm. Stokesy has lots to say, especially if he's looking for a bowl. On his one effort from the bowling crease, he got amongst the tail of Birdwood, but by next season he'll be telling us how he bowled them to their knees.

Stephen Hahesy

Our expectations this year were that Steve would blossom as a batsman and be a useful bowler. The season ended the other way around. He struggled as a batsman, especially opening the innings, when he kept adding to his standing on the dreaded duck trophy. Stephen put his head down in an important innings against Mt Torrens and batted sensibly in the semi-final when we needed more runs. His batting will mature, but his bowling this year was outstanding. He won the Association trophy as well as the admiration of his team-mates with his accurate, even brave, opening bowling. A couple of big hauls will be remembered - 9 in one innings and then an important haul in the semi-final. Added to all this, Stephen is a good catch close in, and works hard in the field.

WOODSIDE CRICKET CLUB

"B" Grade Captain's Report

It's always pleasing to make a report as the captain of a premiership side. I'm feeling even more satisfied because we won a premiership that at tea on the final day of the season few people thought we could win. We hadn't been in that situation too often through the year because we had gone undefeated and had rarely been under pressure, especially in the second innings. I think we only batted second on two other occasions - once against a humble Palmer total in the Graeber Cup, and once on the playground oval at Mt Torrens Primary. Hardly a good test, and hardly good preparation for a scrap in the final.

We probably came to the ground on Sunday wondering how we came to be chasing 191 in the first place. 5/52 at tea and all looked pretty calm. Cricket is a great leveller and it only ever takes a partnership to turn a game around (ask the Tasmanians). Equally, it only needs a few good balls from a bowler to set a team back on their heels, and we found that out on Sunday morning. That we recovered from all of that to win a tense and exciting premiership is a credit to Bob and Weedy, but it's also a credit to the rest of the team, whose enthusiastic support was keenly felt by those two as they went about their work. Thanks also to the fellow club members, the families and friends who showed up on the last day to cheer us on, and to make up for the local advantage that had seemed so apparent the day before.

You don't get to the point of winning such a game without a lot of work throughout the season. Our efforts at practice were good, with good attendance and good attitude. We approached each Saturday with enthusiasm - it was good to be in a side which enjoyed playing cricket, which didn't moan about whether we were bowling or batting. There was always someone to keep score (thanks Barb), someone else to take the other team's book, a couple of blokes heading out to umpire, plenty more to pick up the mat at the end of the day. The only thing missing was the afternoon tea, but by the finals we'd made a few changes in that direction, even if in the tension of that last Sunday, few of us could face even Bruce's egg sandwiches! Those are the elements of a successful club, and I'm pleased that we can now share in the glow of transforming that success into a grand final victory.

Going through the season undefeated is something to brag about, but it's worth nothing without that last victory.

We won that last one and it feels pretty good. Congratulations to my team-mates, and thank you for your support during a most enjoyable season of cricket. The footy season is now ahead of us, and I'll be watching from outside the playing arena for a while, but I'll be looking forward to the rites of Spring when bat meets ball and the flanneled fools start over again.

Neil Smith

Darryl Pinnock

Last season "Pinn" spent a lot of Saturday afternoons fielding at fine leg and making up the numbers in the A grade. He probably expected to do a bit of the same in the Bs this year, but along the way he discovered the joy of making runs. He also discovered that if you spend a bit of time at the crease, you usually make a few. It was great to watch the lad succeed. He plays forward and straight with lots of determination, but any hint of a short ball and it's despatched hard and high to the boundary (and often over the top!). He's a good fielder and doesn't mind standing in close. The Sunday afternoon of the grand final was a real trial for Darryl. As next man in, he declared the cause a lost one at tea, and never did get to bat.

Colin Manglesdorf

"Mango" is a team stalwart for whom a premiership brings great satisfaction. No-one works harder for the side and no-one tries harder when the chips are down. On several occasions he came in to bat late in the piece and saved the day. In the gathering gloom of the thunderstorm at Mt Torrens, he tried hard to bludgeon a win - only the inevitably down-pour foiled his efforts within ten runs of victory. When we'd crumbled early against Gumeracha, he and "Pinn" got together and added a fierce, unconquered 90 for the last wicket - "Alby" 49 not out. His bowling suffered a bit from the glut of other bowlers in the side, but he always took his turn with enthusiasm. He rocked Kersbrook with a bag of five. Col is a super fielder because he works so hard at it, chasing, diving and throwing.

Bruce Nankervis

Bruce's first season at Woodside started slowly - I don't think he could quite believe some of the run-ups. It didn't take long, however, for Bruce to show his colours as an accurate, angry opening bowler. Through the season he sent down some fierce opening spells, setting up a super partnership with Stephen Hahesy and giving slips fielders plenty of practice. Bruce seemed to miss out when the wickets were passed around, but he well and truly got his share in the grand final when it really counted. He was always willing to do his share in the field, and always encouraged others around him. He didn't stride to the batting crease too often, but he and Parkesy added important late runs against Birdwood. We've enjoyed his contribution.

Gary Bellman

Gary's had an unlucky year. It culminated when he was 12th on the list for the grand final, but he had lucked out often before that at the batting crease. It just wouldn't happen, even though he had a dashing 44 early in the season, he kept coming in with limited overs left, having to have a dip and sacrifice his wicket. He was run out at least three times in desperate attempts at last over runs. Cricket goes like that, but it's no consolation to a bloke who clearly loves the game, and who dearly wanted to make a contribution to the side. He was an admirable vice-captain, always ready with sound, sensible advice. As he shed pounds in January, so he added speed to the fielding. Gary chased hard and threw hard, and was an important member of the team that came top.

Craig Williams

Craig's posted here with the Army and he's brought some pretty good cricketing skills with him from Tassie. No-one in the team hits the ball as hard as Craig, and on the occasions that he's occupied the crease for any period of time, he's really taken toll of opposing attacks. We all remember one team captain ducking for cover after his first over yielded a stream of sixes and fours. He confronts the opposing bowlers with a challenge and sometimes it doesn't come off. On the season he was probably ahead, and his bowling was a bonus. Craig's a deceptive bowler, with a loping run but a sharp, awkward delivery. He likes to fling in a few short ones, probably so he can glower down the wicket for a bit. Like a few others in the team, he's got plenty to say in the field, especially if Pinnock is around.

Dave Cathro

Dave's a great club man and a super cricketer, so we've all shared his disappointment with a struggling season in the A grade games. His first contributions in the B's were good, fighting innings, and the smile on Dave's face showed he was in the runs again. Against Birdwood, he joined with Smithy to forge a solid start after a couple of early wickets and then chimed in with some accurate bowling and a few wickets. Only two of them were from "fullies", Dave. Luck wouldn't stay with him for the finals, but he still took some vital catches, and kept the spirit up from first slip. He keeps an eye on the 'keeper, too, watching for run-outs!

Wayne Weidenhoffer

"Weedy" expected to spend this season bowling short and fast at covering A-graders, but a persistent leg injury relegated him to the B grade middle order as a batsman. Last year he was the bowling hero of an A grade premiership - this year, he's our other grand final batting hero. That says much about the bloke and his pride in himself and the club. Observers shouldn't be too surprised at those 79 runs in the final - only three weeks previously he chalked up the side's second top score for the season in a crashing partnership with Stokesy. I'm sure the Weed would love to take another look at the averages after the finals. We know how frustrated he was not being able to bowl - it took courage to wheel on in the final, and he did a pretty good job. Added to this was his fielding - always fierce and always in the game.

Neil Smith

He's not sure whether he should get a mention down here or at the top of the order. He only opened the innings in the first place because some blokes showed up late for a game against Kersbrook. A couple more fifties and it seemed that the shift up the order had become permanent. At that stage, the main benefit was the early flow of runs, but by the time the finals came along, Smithy's role had been well and truly transformed into a stubborn starter, whose main goal was to wear down the opening attack. Not only was he pressed into service as an opening bat, but as a keeper too. It was probably a better spot for him than hobbling around the field on one leg - it's even rumored that he managed a conversation with Bob Hahesy at first slip. He finished second to Bob in the aggregates and enjoyed a full season with Woodside.

1986/87 U.16's COLTS REPORT

The Under 16's lads had a pretty good season. I don't think there is much doubt we were one of the two best sides in the competition. Unfortunately we never played in the finals. Hopefully some thought will be given to the Under 16's competition before next season.

The skill level of most players is very good and should show in the senior sides in the not too distant future. Eight lads played senior cricket for Woodside this season.

The approach to training and to the games on Saturdays by all members of the team was excellent.

PROFILES:

STEVEN HAESY - Captain of the side and led the team well. Steven has worked pretty hard on his game this season, particularly his batting, with some very good results. Opened the batting, finishing with 234 runs. Steven also took 9 wickets with his medium pace swing bowling. A lot more work needed on his bowling action before this Coach will be happy. Steven also represented the Association Under 16 side.

DARRYL LANGBEIN - Vice Captain and opening bowler. Probably bowled too well on occasions to take wickets. Darryl appears casual in his approach to the game, but don't be fooled by that because he is really trying as hard as anybody else. Finished the season making 68 runs, 44 of which came in the last game. Has the ability to make a lot more runs in senior cricket next season if he puts his mind to it. Bowled very well and finished with 8 wickets. Look forward to seeing Darryl playing senior cricket next season.

DARRYL PINNOCK - Opening batsman and with Steven Haesy got the side off to many good starts. Darryl needs to work hard on his batting at practice. A good onside player, but could also be a much better off side player if he took the time to change his back lift slightly.

Darryl bowls a very tight line and length and has the ability to move the ball both ways. Would like to see him work on his run up next season and perhaps bowl a little quicker. A very good season finishing with 132 runs and 11 wickets.

ANDREW MASTERS - Another natural sportsman who has a lot of ability. Must believe a little more in his own ability with the bat. Bowling action still needs a little work to get his right arm higher, but if he is willing to put in the work at practice, will enjoy playing senior cricket next season. Finished with 100 runs and 9 wickets.

TIM JOHNS - One of the most improved performers in the side, especially with the bat. If Tim can wait for the loose balls to hit, he will make a lot of runs next season. Times the ball very well, but tends to drop the right elbow, letting his left hand dominate. Bowled usefully but may need to change his delivery stride if he is to make progress as a quick bowler. Has a very nice high action which could be worked on. 79 runs and 6 wickets.

TIM DAVIS - Another big improver, both with bat and wicket keeping. Tim worked very hard on his batting during the season. At the start of the season Tim was swinging the bat across the line of the ball with the obvious result. Now one of the straightest players in the side. Still needs to play a little more defensively on occasions. Tim's efforts behind the stumps was also very good. Will enjoy senior cricket next season if he continues to work at his batting. 60 runs.

Darren Bloomfield

"Bloomers" inherited most of the wicket keeping duties for the season, and he handled it pretty well. He's not very tall, and some of those short ones from Craig and Bruce were a tough contract. It didn't daunt him and he worked hard at improving his footwork and getting the technique right. He didn't drop too many chances, so he could develop into a handy keeper. Batting wasn't often necessary, with plenty of strength up the order, but he reeled off 22 in one innings early in the season.

Dale Newman

We expected Dale would continue on from last season as the big improver in B grade batting and bowling, duties down on the farm took him away from the game for long periods of time. It's a pity, because the lad has heaps of talent and could mature into a fine cricketer. He opened the innings well, playing straight and flowing into his work as the innings developed. He played a super knock against Mt Torrens, almost the last out and a resolute 75. Bowling opportunities were limited, with so many on the list ahead of him, but he did his turn in the field and took some good catches.

UNDER 13's REPORT 1986/7.

The future of the Woodside Cricket Club certainly looks very rosy after I have spent this season with the 14 of our 28 U.13 cricketers.

Although we did not win a game (to the stage of writing), the improvement of every member of the team and the team itself has been most marked. We retain the majority of the team next season so we should not only win games, but continue their improvement as cricketers and sportsmen.

The players were -

1. MATTHEW DAVIS - he only played 3 games for the team due to his playing in the U.16's. He has a bright future as a cricketer - a good batsman, a handy bowler and a wicketkeeper with a huge future.
2. SHONAH SKEEHAN - a very good allrounder. His batting needs a little polish, but he has a natural flair and he made a $\frac{1}{2}$ century against Scott Creek. His bowling has a lot of potential and in a few years he could be a good medium pacer.
3. SCOTT KLOSE - continues to show improvement in his cricket. He made a very good 25 against Meadows and his batting is very capable. His bowling needs a bit of work, but his fielding is excellent.
4. CLARK SKINNER - he certainly has the potential to be a top sportsman. His batting this season has been good - he has been forced to open for most of the season. His bowling is good and he has been one of the leading fieldsmen in the team.
5. TRAVIS SLOW - he has not scored as many runs as he probably should have - yet he has improved immensely as the season has progressed - on Saturday (7/3) he had a partnership of 23, yet he failed to score. I think he will be a very good player next season. Has ability as a wicket keeper as well.
6. SHAMUS SKEEHAN - he has a lot of ability and if he is prepared to put the effort in he will make a top cricketer. He has made 2 scores of over 30 and bowled well, and fielding with great desire.
7. CRAIG JARRETT - his improvement in his batting has been very good - his defence is excellent. His bowling has also improved and he is one of our leading wicket-takers - he bowls at the wicket. A little more work with his fielding will make him a very capable cricketer.
8. AMANDA APPLETON - has a lot of natural ability. If her concentration were to improve, could make a good cricketer. She has had a good season, especially with her bowling.
9. ANNETTE MEDLOW - her best effort for the season was when she made 7 not out against Eastern Ranges. Her batting has improved out of sight and her keenness to play cricket gives her a good chance of success in later years.
10. CRAIG MEDLOW - has shown during the season that he has a tremendous ability to score runs. Lets himself down when he does not work hard enough.. He had 3 scores of over 20 for the season. His bowling has improved (needs more), and he has fielded keenly and well.

MATTHEW DAVIS - Another natural sportsman. Matthew was eligible to play Under 13's but was quite at home playing in the higher competition. Very capable batsman off the front foot, needs to work on his back foot game. Excellent fieldsman with a very good approach towards the game. A good future if he works at it. 41 runs.

RICHARD DOHNT - Needs to work a little harder on his batting. Has the ability to make runs as he showed early in the season. Must be prepared to wait for the right balls to hit. Richard was very good in the field, taking some excellent catches. 34 runs.

BARRY LAMING - has the ability to make a spin bowler if he wants to, but must be prepared to put in a lot of serious work in the nets. Barry made some useful contributions with the bat when required.

SIMON REGTER - Simon showed natural ability with both bat and ball. Having not played cricket for a few seasons, Simon took a little time to adjust to the pace of the ball off the wickets. Simon has the ability to play his shots very late, usually the sign of a good batsman. Unfortunately a broken arm ended Simon's season early. 19 runs, 6 wickets.

BRENDAN HAHESY - Another Under 13 player who was prepared to play in a higher competition. Bowled very well when required and look forward to seeing him take many wickets in the years to come. Batting needs a lot of serious work in the nets.

As a Coach I found the improvement from start to finish very rewarding. The approach and behaviour of all lads was very good and it was a pleasure to be involved with them.

BOB HAHESY
COACH

UNDER 13's REPORT (1986 -7)

This season has again cemented a certain future for the Woodside Cricket Club due to the skills development and enthusiasm of it's junior members.

At the Under 13's level, two teams were fielded and it was my pleasure to coach one of them. Because of the two teams our cricketing strength was divided, however, nothing but good has resulted from that as both teams have had to strive harder to remain competitive.

As it was my first season at Woodside, I did not have previous knowledge of each boy's ability with bat and ball, so at the beginning of the season we had some trial and error in establishing our team. To my amazement amongst the raw talent I discovered some well developed skills.

The season got off to a shaky start with a forfeit by Lenswood and then a bye. When we did get underway we only had one further mishap for the season when the match against Hahndorf (2) was washed out.

During the season the team proved to be a force to be reckoned with. Although the Eastern Ranges (White) match was their only win, they were beaten by only the narrowest of margins on a number of occasions. Congratulations team!

It is pleasing to say that every member of the team developed in skills and confidence during the season and with most of them eligible to play U.13's for a further two seasons, they will most certainly be prepared for advancement to U.16's when the time comes.

However, the most pleasing thing that I would like to say is, congratulations team on your behaviour during the season. Compared to some opposition sides, I have to put you in the category, 'ANGELS'.

Finally, thanks are extended to KEITH BRODERICK and PETER JOHNS for their tireless support and to those other parents who assisted during the season. Also, thanks to SAMANTHA COULTER, ALI WELLS AND JEFFREY LANGBEIN for filling in during the season, and MATTHEW WESTON who left the area at the beginning of the season.

1. DAVID BRODERICK - A consistent performer during the season in all aspects of the game. Bowls good line and length at medium pace, making it hard for batsmen to hit away. Proved to be a good stock batsman and, although he did not make many runs this season, he has shown that he has the attributes to develop into a fine batsman. An unflappable person.
2. STEVEN FOX - a good wicketkeeper/bowler. Bowls a quick ball which was fairly erratic at the beginning of the season, but towards the end was putting in some fine performances. He has to learn to block the good length balls on the wicket and then he will make some scores with the bat. His final effort against Mt. Lofty proved that. A good fielder with an excellent throwing arm. A cheerful personality.
3. BRENDAN HAHESEY - the fact that he was promoted to the Under 16's early in the season says it all. Well done!!
4. DANNY HAHESEY - Danny missed a few games during the season for one reason and another, and his development suffered for it. However, in the matches that he played he tried hard and showed that the traditional HAHESEY skills are there. With some encouragement and practice next season they are bound to show themselves. Another smiling cheerful person.

11. MATTHEW LAMING - he has the ability to make a very good spin bowler - he has improved more in this department than his batting. With his batting he has a tendency to hit in the air, but will no doubt improve on this.
12. MICHAEL CRESSWELL - a keen energetic cricketer. He has not had as many opportunities as other players, but both his batting and bowling have improved as the season has progressed. He is one of the leading wicket-takers in the team.
13. ANDREW HAWKES - his bowling is the department that has impressed me most. When he decides to fully concentrate on spin bowling he will, with natural practice, become a very good spin bowler. His batting needs work, but he does possess an ability to hit the ball hard.
14. TOBY KELLY - the youngest player in the team. He has improved more than most players this season. His batting has been good - always seems to get runs (apart from birthdays), and his bowling has improved to the stage where he very rarely bowls a wide. He is also one of our better fieldsmen because he has no fear. Will, I am sure, be a big improver next season.

I would like to acknowledge my appreciation of the amount of work that PETER JOHNS has done again this season for junior cricket. His efforts have been outstanding.

I would also like to thank TONY KELLY for his help as scorer, and to TREVOR KLOSE for assisting in that department when Tony has been absent.

To all parents, my congratulations for having children that learn, listen and enjoy their cricket. I am sure that they will be fine ambassadors for Woodside and for Cricket for the rest of their junior days.

GRAHAM MEDLOW
COACH

UNDER 10's (MODIFIED RULES) 1986/7

This year we only had 9 regular players playing U.10 each week. The boys have had a very successful season overall - only losing one match, and that one only narrowly.

The lads didn't score as many runs this season as they did last, but the bowling performances made up for this. Our average score this year was 13.2 runs per wicket. This is almost double the last seasons average.

Most of the boys in the team had played the previous year and their experience started to show as the season progressed.

BRADLEY WILLIAMS	75 runs and 3 wickets
DAVID ROBERTS	63 runs and 10 wickets
MICHAEL KLOSE	34 runs and 12 wickets, and a couple of excellent catches
MICHAEL CRAWFORD	34 runs and 5 wickets
DAMIEN HAWKES	43 runs and 8 wickets
SHAUN McINNES	42 runs and 4 wickets
BILLY DOHNT	62 runs and 8 wickets
PATRICK O'FLAHERTY	47 runs and 3 wickets
MATTHEW COULTER	33 runs and 5 wickets

4 other lads played one or two games only.

In closing I must say that I have enjoyed this season as coach, but I could not have managed without the help from LINDSAY WILLIAMS, ALBY KLOSE, JOHN O'FLAHERTY and PETER JOHNS. Thanks very much fellows.

All of these boys will be eligible for Modifieds again next season and I feel the experience they have gained over the last 2 seasons will benefit them next year.

There are a couple of these lads who could adapt themselves quite adequately in the U.13's next season, despite their young age. This all goes well for the future of the Woodside Cricket Club.

Every boy has improved in every aspect of the game this season and to me this is the most pleasing aspect.

ROB HAWKES
COACH

5. NICK JOHNS - consistently performed well in all aspects of the game. Was the most consistent run maker. Always batted himself in before making runs. Bowls a medium/fast bowl with good line and length. His wicketkeeping to the fast bowlers was excellent and took some fine catches behind the stumps. His outfielding proved invaluable because of his strong throwing. This excellent, all round performance, gave him selection in the SAPSASA team to play at Murray Bridge this week. Congratulations Nick. A mature personality.
6. TYRONE KOVACS - again a consistent performer in all aspects of the game. A fine pace bowler who, toward the end of the season was almost impossible to hit away. His batting was stylish and hard hitting, and on most occasions he scored well into the 20's before retiring. He has an arm that would put many senior cricketers to shame. A fine athlete with a mature approach to the game, fully prepared for advancing to U.16's next season. A confident personality.
7. WADE KOVACS - began the season with few talents, but as the season progressed, so did he. All aspects showed a marked improvement. As his concentration improves then so will his cricket. A bubbling personality.
8. PAUL LANGBEIN - was my biggest challenge this season. He was the usual nervous beginner who was unable to bowl the ball without "chucking" and held the bat as if it was going to bite him. Well, anyone who has seen Paul play in the latter part of the season will see a marked difference in him. He now bowls a slow/medium pace ball which is consistently hitting the spot and which batsmen have great difficulty hitting away. His batting is good defensive strokes with the occasional swing at a loose ball. His fielding is good and he is one of the best catches of the ball in the team. Well done. A happy personality with a touch of cheek.
9. BRETT McINNES - a good medium pace bowler. Good fielder with a strong throwing arm. His ability with the bat was a little bit down this season but showed signs of improvement against Mt. Lofty in the final game. He is a strong lad and with a little more confidence and practice next season, will begin to hit the ball harder to make runs. A quiet, pleasant person.
10. DAMIEN MILLER (Mills) - he has shown good form with bat and ball this season. He usually bats in the middle order and ended up with some reasonable scores. A dependable medium pace bowler who throws in the odd "Cantonney" to keep the batsmen on their toes. He can always be found at midon when he is fielding. This is to enable him to give advice to the bowlers on how to bowl "Cantonneys". He is an advocate of cricket and is always willing to give advice. A dynamic personality.
11. SCOTT NANKERVIS - has had a reasonable season with the bat, showing more confidence to hit the ball harder. With this season under his belt he should develop into a handy middle order batsman. His bowling showed some improvement this season, but still requires work. The most pleasing aspect of his game is the excellent improvement in fielding. Well done - a chip off the old block.
12. CRAIG OSTERMAN - a Reliable medium pace bowler and middle order batsman. He shows flourish and style when batting but unfortunately did not make many runs this season. He is confident in his ability with both bat and ball, which is bound to show in his statistics next season. A quietly confident person.

13. IAIN ROBERTS - a reliable medium pace bowler and middle order batsman. His ability to time his shots properly was slightly lacking, which I attribute to lack of practice. He is a big strong lad and with a bit more confidence and practice will most certainly be amongst the top scorers. He is a good fielder with a strong throwing arm. A likeable mature person.
14. TROY ROBERTS - the most enthusiastic cricketer in the team. Although he is one of the smallest and youngest members, his cricketing ability is well advanced. He made double figures a number of times this season with the bat. His bowling was very good, in fact he opened the bowling with Tyrone Kovacs against Uraidlo and ended up with 3/12 off 5 overs. His fielding was especially good, taking some fine catches, always backing up and his enthusiasm tended to rub off on other players. Keep up the good work Troy. A person bubbling with enthusiasm.

"C" GRADE RED

The end of last year started off bad with rain and forfeits but once we got ourselves into stride we had many good games which set us up for the finals. Having to compete with Army lads going out bush, it made times hard but with some good bowling, tight fielding and some hair raising batting we still kept winning. I would like to thank all the lads for their support to me during the year and the friendship shown on and off the field. Thanks to all who helped during the year to make up the numbers, spectating and a special thanks to Mrs. Parkes for her smiling face and scoring.

COLIN SMITH.

"C" GRADE BATTING

(TOP 5)

	RUNS	H.S.
TRUSCOTT	401	175 N.O.
HARRISON	338	150
SMITH	326	78
HOLLITT	323	70
WOODCOCK	168	31

"C" GRADE BOWLING

(TOP 4)	O	M	W	R
PARKES	116	28	29	315
SMITH	116	27	23	291
NAUMANN	76	19	22	206
TRUSCOTT	65	13	18	149

KYM HOLLITT (V.C.) (WALLY)

Kym played some good innings this year with a top score of 70 and the quickest 50 I've seen against Mt Pleasant. Thanks Kym for your support and encouraging.

BARRY WOODCOCK (SPLINTER)

Woody was a recruit this year from a grand final side and walks straight into another. Woody started off keeping but for a couple of games he was in the outfield and was sharp and fast at times. Thanks for the effort and I'll catch up with those match payments.
(Have one for the road)

RONNIE NAUMANN (HI-5)

Ronnie has been very useful during this year with the ball and his fielding was very good. If at any time Ronnie got the ball in his hands we would get a wicket. Ronnies best performance with the ball was 6/10 of 10 overs. Well done.

ROY HARRISON (TIGER)

As I said early the Army lads did well this year when they were here and If Roy has been here all year I'd hate to see how many runs he would have made. Roy's top score for the year was 150 runs with a 141 run opening partnership with Chris Truscott. Well done.

ANDY MERTIN (MERTZ)

Mertz is in our side for his colourful fielding and stubborn batting with his 3 not outs, ask him about the 17th over. Back to his fielding at the start of the season it was average but towards the end and the finals it was real Dirk Wellham stuff. See you next season.

COLIN EDWARDS (SPECS)

Col had an unusual year with the bat, he would just start to get settled in and he would play an uncharacteristic shot and get out. He only had 6 innings but the last 2 were brilliant, a 67 and 36 not out. Keep those scores up for next year.

PAUL COLQUIST (EDDIE)

Well what can I say. Anything the young lad does he does well. Paul normally plays baseball but this summer elected to put the pad on. The first game really was good, out of a score of 114 runs Paul made 54 not out with some elegant strokes. Out of the Allan Border book and considering he only played back yard cricket before I was happy with his performance. Also his fielding is very sharp, and his talk and encouragement was good. Keep it up mate and hope to see you next season.

MICHAEL PARKES (SWINGER)

Michael has this uncanny knack of swinging a ball and with a couple of years under his belt, hard practise on his run up and a bit of patience will develop into a good all round cricketer.
Keep up the good work.

CHRIS TRUSCOTT (DAFFY)

As with Roy, unlucky not to play more games and get more runs, but 401 runs from 7 innings is not a bad effort. Chris made a very powerful 175 n.o. in a one day game and with his quick bowling he must be our best All-rounder.

SIMON PICHL (PICH)

Simon came into the game late in the season and it was to my advantage. Whilst playing in the other "C" grade runs were hard to get for Simon. With 3 innings and a good saving 32 runs and 23 runs were all hit in good style. Hope to see more runs next year. Simon's fielding was good considering he chased a lot of my balls.

COLIN SMITH

All I can say is thanks to all of you for your support and friendship during the year. Also for getting me into my first Grand Final, and most of all winning "WELL DONE".

Thanks to all other players who were in the side during the year
J. LEWIS, D. JOSEPH, R. GALE, G. DAWSON, J. PIPER, K. ANDERSON, M. TICKLE,
I. GALVIN, M. DENTI, F. PICHL AND A. BORLAND.

Congratulations also to the "B" GRADE on their superb win on Sunday.

WELL FOUGHT.

COLIN SMITH
CAPTAIN.

WOODSIDE 'BLUE' TEAM REPORT

THIS YEAR THE CLUB SAW FIT TO INCLUDE TWO TEAMS IN THE C GRADE COMPETITION. THE DECISION PROVED TO BE A VERY GOOD ONE WITH BOTH TEAMS REACHING THE FINALS AND THE "RED" SIDE WINNING THE PREMIERSHIP. THE WHOLE 'BLUE' TEAM CONGRATULATES COL SMITH AND HIS BOYS ON THIS ACHIEVEMENT. BEFORE WE GET CARRIED AWAY THOUGH LET ME POINT OUT THAT THE 'REDS' HAVE YET TO BEAT THE 'BLUES'.

THE TEAM THIS YEAR WAS VERY BALANCED IN EXPERIENCE AND YOUTH AND IF THIS TREND CONTINUES WE SHOULD BE SUCCESSFUL IN FUTURE YEARS.

I WOULD LIKE TO THANK ALL THE GUYS THAT PLAYED THIS YEAR WITH SPECIAL THANKS TO MY VICE-CAPTAIN JOHN LUKER FOR HIS ON AND OFF FIELD SUPPORT.

SOME OF THE YOUNG BLOKES THAT PLAYED THIS YEAR - TIM JOHNS, ANDREW MASTERS, DANNY M'CULOCH, DICK DOWNT, TIM DAVIS - AND IF THIS CAN CONTINUE THE WOODSIDE CRICKET CLUB HAS A GOOD FUTURE.

THANKS SHOULD ALSO GO TO BLOKES LIKE SHANE GALE, BILL NESBIT AND JOHN MCINNIS WHO FILLED IN WHEN THEY WERE REQUIRED.

LOOKING FORWARD TO NEXT YEAR, IF WE CAN KEEP A FEW EXPERIENCED BLOKES IN THE SIDE AND GIVE MORE YOUNGSTERS A PLACE TO PLAY SENIOR CRICKET THE WOODSIDE CRICKET CLUB WILL GAIN AND MAYBE THE C GRADE WILL WIN ANOTHER FLAG.

THANKS BOB M'CULOCH

WOODSIDE "BLUE" CRICKETER PROFILES.

JOHN LUKER (VICE CAPTAIN) "LUKES"

JOHN IS A VERY THOUGHTFUL CRICKETER AND CAN ALWAYS BE COUNTED ON TO GIVE HIS BEST AS HIS 29 WICKETS FOR THE TEAM SHOW.

HE ALSO SUPPORTS HIS CAPTAIN VERY WELL WITH SOME VERY CONSTRUCTIVE ADVICE.

JOHN'S ONLY WEAKNESS THIS SEASON HAS BEEN HIS OFF STUMP - SOMEHOW IT KEEPS FALLING OVER - PERHAPS NEXT YEAR IT WILL KEEP STANDING UP.

BILL GALE "TWINKLES" "ROBERT WILLIAM"

BILL HAS PROVED THAT SAYING ABOUT GOOD PLONKS - THIS YEAR HE HAS BATTED BETTER EACH MATCH. BILL THIS YEAR REACHED TWO MILESTONES - ONE BEING TO PLAY IN A SIDE THAT BEAT PALMER - THE OTHER PLAYING IN A FINAL.

IM A BIT WORRIED THOUGH - BILL HAS CHEWED HIS FINGER NAILS OFF AND WHEN WE PLAY IN ANOTHER FINAL, WHAT WILL HE CHEW ON THEN?

JAMIE PIPER "PIPES"

JAMIE IS THE TEAM'S ALL ROUNDER - IN EVERY SENSE. WITH INTELLIGENT BOWLING AND BATTING HE HAS TAKEN BOTH TROPHIES. CONGRATULATION JAMIE! IN THE FIELD JAMIE IS "ALL ROUND" THE PLACE AND AS A RESULT SOME BALLS GET PAST HIM. THE "ALL ROUNDER" PART ABOUT JAMIE IS AROUND HIS MIDDLE. IF JAMIE COULD LOSE A FEW POUNDS AND IMPROVE HIS FITNESS

THERE IS NO TELLING WHAT ACHIEVEMENTS
COULD BE REACHED.

GARY SCOTT "SCOTTY"

GARY THIS YEAR PERFORMED VERY WELL WITH
THE BAT AND IS A HANDY LEFT ARM BOWLER.
THE SEASON DID NOT FINISH AS WELL AS
WE WOULD HAVE LIKED WHEN GARY LOST A
BIT OF TOUCH AND THEN HAD TO WORK ON
SATURDAYS LEADING INTO THE FINALS.
MAYBE NEXT YEAR WILL SEE GARY AT HIS
BRILLIANT BEST.

KEN ANDERSON "ANDY"

KENNY WAS OUR KEEPER THIS YEAR AND
DID A GOOD JOB BEHIND THE STUMPS. HIS
BATTING WAS A BIT HOT AND COLD AS MOST
KEEPERS ARE. KENNY WOULD DEARLY LOVE
SOMEONE TO REDESIGN HIS KEEPER GLOVES —
HE OFTEN HAS TROUBLE PICKING HIS CIGARETTE
UP OFF THE GROUND.
