

WOODY'S WICKETS

Woodside Cricket Club...

1990-1991

Season

Re-unions as we know are meant to be fun,
Where and when we gather together as one,
The past happy ten years has put Woodies on the map,
Even if in their "wicket" they write a lot of crap.

I'm sure I'm no poet and I certainly know it,
But I thought here tonight I'd give you a fright,
By putting pen to paper in this little caper,
And mention some people in a new light.

Cricket, 30 years ago is something of a haze,
We played in dry paddocks for days upon days,
Its Ok for you young bucks, you're all late arrivals,
Those days we were worried when the ball struck our vitals.

Stories are told of a young Cyril Peacock,
Of a wily Bill Templer and a young Trevor Hollitt,
And of cunning Lionel King who's leggies were wrong-uns,
Well, I've a true story about "old Linys" young-un.
Twas said when the Loby ground opened "No sixes there would be hit"
But young Jimmy surprised by doing his bit,
He was first to do it and on the very first day,
Yes, it was Jimmy who showed the Woodies the way.

In those happy days, of cricket gone by,
We needed to worry about snakes and cow dung...
And then in a hurry,
It was done to the pub in a hell of a scurry,
For 6 o'clock closing, meant we drank in a flurry.

Yes, onto the scene came a robust Bob Bock,
His aim was to get cricket back on the block,
He captained 'his way' through thick and through thin,
Some likened 'our Bockie' to the great Errol Flynn

With one trained ear stationed on the galloping neddies,
The other was ready for upstaging 'smart Freddies'
Late midnight meetings held from his closed pub,
Can only be matched by those held down at the Club.

I'd like to make mention of a dear friend named Dave,
Who's eyesight, I'm told made eating Weeties real grave,
And of an old schoolmate you're Patron, Mr Drummy,
Who enjoys it after cricket especially feeding that tummy.

And, of comical Bill Gale who, when he opens his mail,
Has a quip for us all be we big or small,
And makes us laugh, he never fails.

And of fast driving Bill who travels the freeway,
Of calculating Duane, who has said, I'll do it my way,
And of the Boss, Graham who will stay well in charge
Despite the request to be relegated to Sarg.

Of a game Ricky Hill sidelined with that leg
And of young spinner Albert who aims straight at the peg
And its said of our Macca when he fell on his nacker
By a young lad from Mannum who's a bit of a wacker
"He's breaking down, He's breaking down,
What a comment from a clown
For when, that very same Macca put on his blue cappa
That cheeky young chappa went zippity-zappa.....

To end this short story I can not hide
I enjoy cricket company here at Woodside
Where we all know this Club fills a spot with a pride

And when I might raise that finger of fate
I'm only doing my job its never in hate
So dont raise you're shackles or get too damned mad
I'm answering an appeal that says 'Howzat Dad'

Presidents Report

The 1990/91 season has now finished and looking back to October it seems just like yesterday that we began the season.

The year kicked off with the 10th year celebration which proved to be an interesting weekend. Although we did not have a lot of past players in attendance we had some valuable recollections from Cyril Peacock, Trevor Hollit, Pat Nesbit and Graham Medlow. The highlights of the dinner were Trevor Graeber's poem which is published later on in the magazine and Pat Nesbit's laconic recollections of certain activities after finals etc.

The on ground performance of the club was again one of fine achievement with four teams playing in finals. Our congratulations go to Steve Downs and his 'C' grade side for their good win in the grand final.

This year marks the end of a fine career by our stalwart A2 captain in Bob Haesy. Bob has been involved in the club for all of its 10 year history as a player, captain, coach, committee member and vice president and his presence around the club will be missed. Barb Haesy has also been involved in the club for the past decade and her contribution has helped this club become as successful as it is. Our best wishes go with Bob and Barb and we wish them well.

The committee of the club will be meeting during the off season to plan for the coming years which need to be ones of consolidation. With the retirement over the years of some older people it is fast approaching that the younger people need to take a more active part in the affairs of running the club.

Barb Haesy and Sue Medlow did a magnificent job in arranging teas etc throughout the year and our success off the field is due to their valuable work.

My thanks go to the committee for supporting me and special thanks to Bob Haesy, Peter Johns, Ricky Hill, Barb Haesy and Sue Medlow.

BOB McCULLOCH.

1990/91	"C" Grade	Woodside defeated Gumeracha

WOODSIDE CRICKET CLUB 1990/91 A GRADE

Unfortunately for the second year in a row we have to report that the A Grade made the Grand Final, but were beaten by Lobethal. Woodside seem to just falter at the wrong times in these games. Overall the A Grade had a reasonable year, losing only 3 matches during the minor round and finishing third. The side also made the semi final of the Courier Cup, again losing to Lobethal. As has been previously said, the effort against Gumeracha in the semi-final was the best game the Club played all year because no one on that Sunday gave in. Thanks go to Wayne McGREGOR-DAVIES and RICK HILL, who were the 12th men in the semi and grand final, their support was tremendous. To other players that represented the side during the year, Tim Johns, Bill Pratt, Alby Klose, Jamie Piper, Steve Hahesy, Darren Faust, thank you for your efforts during the year.

A greater input and effort from the younger players in the side will be required next year so that this side can overcome the final obstacle to achieve the ultimate and, basically what everyone plays for, the Premiership.

STEVEN STOKES - The Gurú's efforts this year were rewarded with his selection in the Torrens Valley Association side over the January long weekend. His batting matured greatly this year with the responsibility of opening for the side. Like most cricketers, he has the odd weakness and these have been discussed with him, but there is little doubt that he will overcome these problems in the up and coming years. A job very well done this year.

MATT DAVIS - This was Matt's first full year of A Grade cricket and he accounted for himself well. Whilst he did not probably set the world on fire, the signs were there of a very promising future ahead. Matt's fielding came of age during the finals and the difference that was seen as outstanding. Next year Matt you will have to maintain that every game.

GORDON MASON - after much discussion with Gordon, we finally convinced him that he should play A Grade cricket at the Club after some exceptional performances in the A2's. For a "lad" who didn't want to play A Grade, his selection in the Torrens Valley side for the January long weekend was excellent, as was his performance. When Gordon bowls you sense on the field that something is going to happen, one way or the other. A club like Woodside needs "Gordon Mason's" around to help the younger players. Hope to see Gordon next season.

GRAHAM MEDLOW - Graham's season, by his standards, was below par, yet he still managed to place his name again on the Centurion Board with a fine 113 against Springton and Mr. Prior. Whilst Graham's form was down this year, 'Ben Johnson's' form in other places was quite outstanding, Cambrai being his gold medal winning form. Obviously the steroids seem to wear off around 10.00 each night, or was it when Sue walked in. Back to cricket..... as usual Graham's input on the field was invaluable and he will be a very required player for next season.

ANDREW PERKINS - Another selection in the T.V.C.A. squad, but Perks unfortunately missed out on playing over the weekend. Perks bowled exceptionally well in the finals and was unlucky not to pick up more wickets. His batting improved again this year and his fielding was of a high standard throughout the season. Perks is on the verge of becoming the leading opening bowler in the Association but this will only be achieved by working at his game. This should not be a problem as Perks was one of the best trainers during this year. Again, well done.

COLIN SMITH - Smithy was bought up into the side for the finals and as such was probley 'thrown to the wolves' a bit. Cols voice during the finals was excellent and kept the whole side moving. He also showed that his bowling is good enough to make the best think. Hope to see Colin for a full season next year as he is now quite happily married and settled down.

GRANT PARKER - Grant started the year off in the A Grade, but then had a stint back in A2's. Gained his recall around finals time and played in both finals. Grant's enthusiam on the field lifts everyone and he puts 100% into his effort. This Club looks forward to Grant's input both on and off the field again next year.

ADRIAN REYNOLDS - Muffy came back from his winter residence in Queensland later than usual his year to resume his wicket keeping in the A Grade. Muffy's keeping was of a normal high standard, but unfortunately his batting slipped somewhat this year. Again, Muffy, like Parks and Smithy, is one of the voice people when out on the field. A full season next year from Muffy will benefit both himself and the Club next year. A superb clubman.

BILL OLIVER - made the journey up the hill again and had a reasonably consistent year. He started in a blaze early, picking up 6 wickets against Birdwood. Like Perks and Gordo in the finals, Bill bowled very well and was one of only three bowlers used against Gumeracha. Bill will be missed by the side if he decides to hang up the ball next year, we hope that he will find one more season.

DUANE IRELAND - Duane skippered the side for the second year and was again unfortunate to finish as runners up again. He did have a good season with the bat and this certainly did not allow the side to score over 200 very often.. His work as a spinner was handy and he held some excellent slips catches. We will miss his ability next season.

DARREN MACKENZIE - Leading a slightly more settle home life certainly led to a vast improvement in his batting. His dismissal in the Grand Final had as big bearing on the result - his usual contribution would have given us a great chance. He batted superbly for the Association and with a touch of fitness could have turned the 50 -70 into hundreds. When he led the side he certainly put a competitive aspect into the Woodside team.

STUART KENNY - Stuart started the season off very strongly, but for various reasons he lost his way mid season and finished the season playing A2s. Now that he has had a taste of what is required to play consistently at A Grade level, we hope that next season will see Stuart become a vital part for the Woodside Cricket Club.

ROY HARRISON - Unfortunately Roy did not complete the season with the Club, for reasons known to Roy. When he did play A grade his standard with the bat and in the field, was of a high standard. There is a place for Roy next year in the Club, but it will be up to Roy to want the spot and he will have to earn it.

To the support that was given to the side by the players and the rest of the Club during the year, Thank you. To Graham Medlow for his input on the field at vital times when asked, again, thank you. There will be changes around the Club next year. both on and off the field. Players must be ready to adapt to those changes, even though some may not be great. Woodside A Grade has now played in 2 Grand Finals for 2 losses, and this simply is not good enough. Perhaps some people take defeat too lightly, who knows. What is asked is that next years heirarchy of the A Grade will attempt to find out why we are finishing second and take the necessary steps to ensure that Woodside A Grade does not finish second again next year. With this, all players must have a look at themselves and see where they can improve. To the younger players in the Club, you must seek to make the A Grade next year and not be satisfied with playing in the lower grades where you are comfortable.

Again, thanks for the support we have received this year and hope to see as many of you again next year.

DUANE IRELAND
DARREN MCKENZIE

WOODSIDE CRICKET CLUB..... A2 1990

Although being competitive in most games, we lacked a little depth before Christmas. Only won 1 game out of 7 before Christmas, but won 3 out of 4 after. Not being able to make over 200 runs on a regular basis no doubt was the major problem.

BOB HAHESY - Captain of the side. Unable to bat in the top half of the order in many games due to a mixture of old injuries flaring up and old age creeping up.

COL SMITH - Smithy was our main run scorer early in the season. Getting married obviously affected his concentration after Christmas. Opened the bowling on a number of occasions regularly getting edges into the slips area. Always gives 100% in the field.

CEDRIC ROWLANDS - Cedy had one of those seasons he would rather forget. Unable to get a run anywhere. When things are going bad, every nick and misshit gets caught. Very good team member, always giving 100% in the field and supplying some light hearted relief between batsmen.

MICK WATT - Like Cedy, Mick also had one of those seasons. Not making as many runs as he would have liked. Did some fine work in the field, scoring several run outs. Due the side not often scoring big totals, Micks bowling was very limited.

TIM JOHNS - Tim started in the A Grade and when he came back to the A2's, took several matches to regain his timing and touch. Probably our most reliable batsmen in the second half of the season. Also useful inswing bowling.

GRANT PARKER - Like Tim, Grant also struggled to get the ball of the square when he came down from the A Grade. Once his timing returned, played some valuable innings. Grant put some life back into our fielding doing some very good work.

WAYNE MCGREGOR-DAVIES - 2 Dads missed 5 games during the season, due to Army commitments. Showed his class in the last game making 135 not out. Also took a number of wickets bowling his leggies. Very good team player.

JAMIE PIPER - Jamie was one of our main bowlers often bowling long spells without the rewards he deserved. What can you say about Jamies batting,... sometimes good, sometimes bad. I think Jamie can be well pleased with his bowling effort and I look forward to watching him take many more wickets in the seasons ahead.

BREMDAN HAHESEY - Brendan was our most successful bowler during the season. Opened the bowling on most occasions. Has the potential to be more successful in the seasons ahead if he is prepared to put in the work. Also opened the batting on a number of occasions. Needs to work on his fielding a little harder.

CRAIG MEDLOW - Craig was our wicket keeper and did a fine job for his age. Concentration was a problem on occasions, however this will improve with experience. Often asked the Captain to bat him higher in the batting order without much success. However on the occasions he did get the chance, very rarely wasted them. Well done, and I look forward to watching your improvement over the coming seasons.

KYM HOLLIT - Kym was a regular A 2 player for most of the season. On occasions batted very well. As with most other bats in the side, was a little inconsistent. Kym did some very good work in the field and used his good throwing arm to good effect

*

Thanks also to BARRY LAMING, STEVE THOMAS, MATTHEW LAMING, GORDON MASON, KEITH BANFIELD, BRADLEY MCLEOD, JOHN ROBINSON, GRAHAM MCLEOD, DARRYL PINNOCK, DARREN FAUST, ALAN BLAIR, STEVE COVERDALE, DANNY HAHESEY, STEWART KENNY, MICHAEL BLACK AND LUKE, who played games for the A2's during the season.

BOB HAHESEY.....CAPTAIN

'B' GRADE - TEAM REPORT

The 1990/91 season has been a season of mixed fortunes and to again play in the finals has shown that we are the measuring stick in the B grade competition. After a winning start to the season we had a few games where we lost our way but the games since christmas enabled us to snatch second spot and play in the semi-final. Unfortunately we could not beat Mt Torrens and play in yet another grand final. Some of the highlights of the year have been fine centuries by, Alan Blair (2), Steven Thomas (2), Bill Pratt (2), Matt Davis and some good bowling spells from Cadburys and Gary Ashford. Our fielding this year was at times brilliant but more often it was bloody awful and it showed in some players that their nocturnal activities affected their game the next day. We play the game of cricket to primarily have fun and to win if we can. The players that over indulged on a friday night not only let their team mates down but did themselves a disservice by not enjoying the game as they could have. Lets hope that next season they will see some wisdom and curtail the excesses of their friday night escapades.

My thanks go to every member of the team for an enjoyable season and to John Luker for his contribution as Vice Captain. I will see you again next season and look forward to winning the 1991/92 B grade premiership.

BOB McCULLOCH.

PLAYER PROFILES - B GRADE

JOHN LUKER

Again this season John has been a capable and worthy vice captain. Although he has'nt taken as many wickets this season he is still an important member of the team. His help on and off the field is very constructive and much appreciated.

ALAN BLAIR

Pud this year has shown us a bit more of his ability with the bat by winning the Club and Association Batting Trophies. His bowling in the Semi-final was superb. Pud's other attribute as club cheer leader has all opposition sides worried and wondering what he will come up with next.

RICK HILL

Because of injury Rick this year has not been able to play in his rightful place in the 'A' grade but his experience and committment to the team has been excellent. We hope next year that his knee is stronger and he can play in the A grade.

DARRYL PINNOCK

Darryl this year has not been as consistant as in past years but still showed that he can be a good cricketer on his day.

BILL PRATT

Pratty was our fifth wicket keeper this year after coming to us from the A grade. He fitted into the team well and showed us his ability with the bat as well as his gloves. His century in the semi-final was as good an innings as you would see anywhere.

NICK JOHNS

Nick this season, his first full season in senior cricket, has shown steady improvement with the bat and has developed into a square leg specialist fieldsman where he took many fine catches. Further improvement would see nick bat higher in the order.

GARY ASHFORD

Gary this year improved his bowling to the extent that he was used to open the bowling. On occasion his line and length suffered. When this happens he needs to keep his head up and grit it out.

BRADLEY McLEOD

Bradley this year has matured as a batsman and is a reliable player. His innings with Pratty in the last two games were outstanding efforts of concentration and control. Bradley should graduate to higher grades as his confidence grows.

JAMIE PIPER

Jamie again showed why he's such a valuable player to the club. His bowling in his games for us this year was superb and his batting responsible. A good effort.

STEVE THOMAS

Cadbury's this year bowled very well and has finally realised that if he keeps the ball up he is difficult to score from and at times bowls the unplayable ball. A bit more responsibility on Friday night would result in even more improvement.

WOODSIDE CRICKET CLUB "C" GRADE 1990

STEPHEN DOWNS - Skipper and Wicket keeper of this years C Grade, taking them to a Premiership in his first year as Captain. Started well with the bat, but lost form later in the year. Luckily he regained some of his form in the Grand Final, which made up for the semi-final.

TREVOR HOLLIT - Vice Captain of the side. Brought out of retirement to fill a hole in the top order. Didn't make a lot of runs in his come back, but added a lot of experience and motivation to the team. Sometimes Trevor looked as if he was 21 again on the field.

STEVE ROWLANDS - Always a big smile on Steve's face, and is a great guy to have in the side. Has the ability to play a much higher grade. Batted very well all year with a great 112 in the semi-final, but had no luck in the grand final.

MATT LAMING - has a great future in cricket for Woodside as an A Grade player. Matt won the Association Bowling in the C Grade and is improving all the time. Has gained great confidence in his batting his year and did some real team saving with the bat. Bowled very well in the finals, taking 5 for 19 in the Grand Final.

TIM JOHNS - Only played three games in the C's and it's no wonder, with his ability. He played well in the finals with match winning performances in both games. I would love to see Tim bowl more in the higher grades next year.

KYM HOLLIT - has the batting ability to be an A Grade player, but if he plays A Grade again, he has to learn to pick the right ball to hit.. Kym also was a match winner in the Grand Final with two hard hitting knocks.

DARREN FAUST - Dipper is pretty to watch when in full flight with and bat and ball. He could have played A's all year, but Dipper is after a game that's lots of fun and not so serious. The Grand Final was, I think, a bit of a disappointment for him with scores of 8 and 0, but Dazz is very happy that the team went well, but please Dipper, leave the Steak cooking to Sue and Barb.

MARK TICKLIE - Spud has a lot of talent which is yet to be tapped. Spud had a very good season with Bat and ball. Lost a bit of form with the ball at the end of the season, but made up for it with the bat. A real winner in the final with scores of 41 and 34 n.o. Also winner of the Association Batting.

COLIN MANGLES DORE - Mango is a real team man and helped me through the year with the boys. Mango is a very handy cricketer in the side, a good change bowler and a good steady bat. Was very unlucky in the Grand Final, ran out of partners in the first innings and a Duck in the second, which was not out. Oh well Mango, I had an LBW like that and I am very glad you didn't wrap your bat around the umpires head.

AARON BURZONI - Blue is a much improved player with the bat. Blue started the year at 10 or 11 and worked his way up to the middle order and batted very well in the Grand Final for the team. And Blue, I'm glad your cricket is better than your jokes!

JOHN GOODWIN - This was John's first year of playing cricket for a Club and it wasn't a bad way to start. It was only half way through the season before I knew he could bowl. A real good fin. With a bit of work to keep the ball on the off side, John will be a big wicket taker next season. John's batting can only get better, but has the talent to do so. His catch in the Grand Final started the ball rolling.

GARY PAINE - Garry's cricket almost came to a tragic end. No, not his car accident, but when he gave me out LBW you D--k H--d. Gary was always good for 10 or 20 runs and a real surprise packet with the ball - who could forget the spin twins at Cambrai Paine and Downs took 4 for 35 between them. Oh what a feeling Garry yelled. Was 12th man for the finals and only a dicky knee, and giving me out LBW kept him out of the 11.

CHRIS JONES - is a good cricketer with bat and ball, but his RAA put a real spanner in the works. I hope he will be a big part of next years C Grade team if he survives his Bucks Party. From all the team I hope you Bowl a Maiden Over on your wedding night.

BARRY LAMING - has the ability to play a higher grade of cricket if he puts his mind to it and does what the Skipper tells him to do.

MICHAEL BLACK - was a big improver this year. His fielding was always good and his batting improved 100% over the year. It wasn't easy overlooking Blacky for the finals, but the team man he is will be back next year to improve more. I hope your bike riding will improve as well. Get well soon Blacky, from the whole Club.

STEVE DOWNS... CAPTAIN

WOODSIDE CRICKET CLUB U.16 1990

BRADLEY MCLEOD - Unfortunately Brad missed several games during the season and this, associated with other things, had some affect on his batting during the year, after having made an excellent start with a 100 in the first game. Captained the side very well, and with plenty of hard work in the nets will make a useful bowler. Excellent fieldsman and we look forward to Brad scoring a lot of runs next season.

CRAIG MEDLOW - opened the batting and usually got the side off to a good start. Craig also was the teams wicket keeper. Minor problems exist in both departments at this stage. Hopefully with a little more growth and a lot more concentration, both areas will improve. Hard worker in the nets and not afraid to tell other people what he thinks (Sometimes not appreciated by the opposition). Look forward to watching Craigs results over the next few seasons.

MATHEW LAMING - opened the batting and also the bowling. Has the technique to excell in both departments if he is prepared to listen and work a lot harder on his game. Unfortunately did not have a real good season in the colts, with bat or ball, however, performed better in the afternoons with the C Grade. Must work very hard at improving his fielding.

DANNY HAHESEY - Still doesn't believe enough in his own ability, however, made several useful scores with the bat, particularly when the Captain was away. Bowling a little inconsistent at this stage. Fielded very well at point, taking several very good catches.

NICK JOHNS - Punishing left handed batsmen. Nick had a very good start to the season when he was playing a little straight. Unfortunately as the season progressed, tried to hit too many balls over mid wicket and square leg boundaries. Perhaps playing on the small second oval in the afternoons has not helped. While Nick took a number of wickets with his bowling, I felt this area of his game fell away compared to the previous season. The lengthened run up could have attributed to the inconsistent line and length. (If you want to run off Dennis Lillee run ups, you also need to be as fit!)

BRADLEY WILLIAMS - While still eligible to play U.13, Bradley was our quickest and main strike bowler. Winning the Club and also the Association Bowling Trophy speaks for itself. Needs to work a little on his delivery stride to get a little closer to the stumps, however, this will come with a little more experience. Potential to become a good alrounder with a little more work on his batting. A very good season first up in U.16's

and look forward to watching his progress.

BRETT MCINNIS - Brett's first season in U.16 also. Struggled early with the bat, mainly because he tried to hit the cover off too many balls. Improved as the season progressed and batted very well at Mannum. Needs to work very hard on his action at this stage to rectify some bad habits. I am sure if he is prepared to listen and work hard he will become a very good allrounder in the seasons to come. Brett did some very good work in the field, taking several very good catches.

SCOTT NANKERVIS - Scott was a very important team member who made some useful contributions with the bat late in the order, usually when the team was in trouble. Also bowled very well when asked to do so. Could be a very useful bowler in the years to come if he is prepared to put the time and work in. Scott took several very good catches.

TROY ROBERTS - Troy played for us when he wasn't playing for his school. Has the ability to become a very good batsman. At this stage probably need to play in a little stronger competition a little more regularly. Tended to retreat when facing the quicker bowlers. Did some good work in the field also.

ROBBY GOODWIN - Robby was one of our big improvers over the season. Obviously hadn't played a lot of cricket previously. Could develop into a useful left arm bowler if he wants to continue with the game. Very good arm in the field.

MICHAEL CRESSWELL - Michael was a very good team member until very late in the season when he let the team down. Bowled a number of very good overs of spin as well as making several useful contributions with the bat. Very disappointing finish.

DAMIEN MILLER - Damien made several useful contributions to the team with the bat in the early part of the season. Cricket is a team game and unfortunately Damien was not prepared to accept some of the decisions required to make a successful team.

BOB HAHESEY..... COACH

Once again the lads made the four without really threatening to win the finals.

During the season we won four games and lost two. While we played reasonably well as a team until the semi-final, we really lacked 1 or 2 16 year old lads with average ability to compete with a side like Birdwood. However, the lads can be well pleased with their efforts and it has been a pleasure to be a part of it.

BOB HAHESEY
