10.	S. Thomas	101

WOODSIDE CRICKET CLUB

A GRADE

1991-1992

What had started as a very promising year finished very disappointingly with a semi-final loss to Lenswood. The goal of every season is to win the Grand Final and at very least to play off in the Grand Final, anything less than this must be accepted as failure. The Club now expects the A Grade to play in A Grade grand finals, and this expectation must be carried by all players. Unfortunately I cannot accept that all of us gave 100% all of the time, otherwise our goal would have been achieved.

Goals and achievements in sport are not guaranteed by just performances on match days. Even at the level that we as a club play certain 'off field' performances must be achieved to compliment the 'on field' performances.

Whilst what I have said initially seems to be a bit of doom and gloom there were some encouraging performances during the year which will stand this club in good stead for the years to come. Finally some players will be deciding their futures over the winter, to those that do not continue their careers we would still like you to be involved in the club in some capacity during retirement.

The following represented Woodside A Grade during the year;

Graham MEDLOW: Not a season with the bat that Graham would like to remember, he found new ways to get out. Still one of the smartest cricketers playing in this competition and his tactical knowledge is outstanding and always has great input to team decisions. Other players could learn how to 'value their wicket' by watching Graham especially in the Semi Final.

Steven STOKES: The Guru's year was one of highs and lows. His 124 n.o. against Lobethal in round 2 was quite superb. Guru was Deputy Vice Captain this year and his input during the year was very good at times. Sadly he could not take his place in the Semi Final side. Over the next few seasons Woodside should see the best of Steven Stokes, as he has much to prove.

Matt DAVIS: Matt improvement this year has been magnificent. He has increased his output of runs from 160 to 500 runs for the season. His fielding has been outstanding. Next year, and the years to come, he will take on more responsibility. He is part of a young group of players on whose the clubs future will heavily rely on.

PRESIDENT'S REPORT

Well once again the cricket season has drawn to a close. Although the season did not gain the premierships we had hoped after five teams made the finals we did gain one premiership - the under 16's that went through the season undefeated and were well led by Bradley McLeod and Craig Medlow and had ten other dedicated cricketers to complete the winning team.

The season was one of consolidation both on and off the field. The committee have brought the club back to a position of financial stability which will enable the Woodside Cricket Club to again be a leader with their off field efforts. On the field the success of younger players in all grades gives the club a good foundation for the future.

I would like to personally thank all the committee people for their effort - it was a difficult season with some extremely hard decisions that had to be made but these were all discussed and the best decision for the betterment of Woodside cricket were made.

Also to the coaches and captains for their efforts - it is really great the amount of time some people give for the game of cricket in Woodside.

As well a thank you to the people that organised teas - Sue Medlow and Annette McLeod and all the people that helped on Saturday nights.

Congratulations are also in order to our Association players - Darren MacKenzie, Andrew Perkins, Steven Stokes (A Grade), Matt Davis, Tim Johns (Under 21's) Bradley McLeod (Capt), Craig Medlow, Matt Schultz, Matt Laming, Nick Johns (Under 16's) Michael Klose, Matt Johnson (Under 14's) and Bradley McLeod, Craig Medlow and Matt Schultz who represented the Fleurieu North in the Under 16 country carnival at Port Lincoln.

On a sadder note we have two of our cricketers retiring from the game Bob McCulloch and John Luker - they both have given outstanding service to the club and I'm sure we all wish them well in their retirements and thank them for their contribution to the success of the Woodside Cricket Club.

Finally to all players and supporters I would like to thank them for their efforts this season and let us all strive a lot harder to achieve more premierships for the club next season.

GRAHAM MEDLOW (President)

Ashley GEBBIE: Ashley was in and out of the A Grade side this year partially due to work commitments. Ashley's batting shows a ton of potential and his fielding is of the highest order. He is another of the younger players who in the years to come will hold the club up. Ashley must make next year his year and cement himself a place in the A Grade.

Gordon MASON: Gordon started the year late because of other commitments and as such did not play A Grade until late in the season. Gordon always competes when he is out in the field either bowling or batting.

Wayne STRINGER: Wayne joined the side late in the season and whilst he did not set the world on fire with his batting everyone saw the competitive nature of the man. Hopefully Wayne will give us a full year next year, and this will only assist the club because the club needs winners.

Adrian REYNOLDS: Muffy had a reasonably consistent year with the gloves and his batting showed signs of more maturity which again will be of value to the club. Muffy kept magnificently in the Semi-Final taking 5 catches and not conceding a bye. This sought of performance must be strived for in all matches that Muffy plays, and he is very capable of achieving this. Has the potential to become the best wicketkeeper/batsman in the association.

Andrew PERKINS: Perks achieved one of his goals this year when he made the TVCA side for the Meyer Shield. He played two of the three games and I think learned a lot from these games. Perks has reached a stage where he has to start dominating games. He must pay more attention to detail when he bowls. His batting was of a very high standard this year. Perks is now ready to assume more responsibility within the club. Again gave 100% when out in the field and his fielding was of the highest quality. Looking for a strong year from him next year.

Bill OLIVER: Bill enjoyed another successful season taking the most wickets for the A Grade. Obviously the highlight being his 10/66 against Gumeracha. Bill is a year to year proposition, but still has something to give to the younger players. His service to the club over the years cannot be overestimated.

Tim JOHNS: Like Matt Davis Tim's improvement this year has been outstanding. His bowling has come on very well as he slowly starts to believe in his own ability. Tim collected 26 wickets for the year to finish third. His effort in the Semi Final was excellent when he bowled 20 overs straight into the wind and picked up a couple of wickets. Tim is set to play A Grade cricket for a long time because like the other young players in the club he has a very good work ethic towards his cricket.

Colin SMITH: Colin won two games for the A Grade this year, the Courier Cup game against when he made 40 odd when we in diabolicals and won the game. He again came to the rescue against Lenswood with a superb 88 and allowed us to make 223 which was just enough to win. Of course Col had the lows to, like the Courier Cup Final but he can tell that story. As usual Col gave his best when he played A Grade.

Bradley McLEOD: Bradley started the year very promisingly but dropped a bit towards the end and finished in the A2s. But Bradley is only 15 and has many good years cricket in him, if

he wants to do it. Bradley will have to start to work hard at his cricket to maintain the same levels of success he achieved at junior level.

Alan BLAIR: Pud started the year in a blase of glory against Lenswood but finished the year in the A2s not batting very well at all. Only played three A Grade games and then injury forced him out of the side.

Graham McLEOD: Represented the A Grade in Courier Cup games and played serviceably. Gives great service to the A2s

Grant PARKER: Only played one A Grade game this year, the Greaber Cup Grand Final and unfortunately is was another losing A Grade Final

Alby KLOSE: Started the year in the A Grade but finished in the A2s. Another one that will decide his future during the winter. It is hoped that Alby will continue with club either in a non-playing or playing capacity

Rick HILL: Again another persons who was hampered thru injury and unavailability at times. When he played A Grade he was always competitive and is very easy person to Captain. Values his wicket when he bats and gives nothing away in the field. His bowling needs more work but this will improve with the work. A full year from Rick next year could see him hold a permanent A Grade position.

Thanks to **Stephen HAHESY** and **Duanne IRELAND** who filled in for one game each. Thank you to the support from Graham and the committee in general. The future years look bright for the club when you think of the youngsters like Craig Medlow, Matt Schultz, Matt Laming and others, who have not played AGrade, get their chance as people retire. The opporitunitys will be there it is just a matter of who wants to take them or who wants to take the easy way out.

Again thank you for the support for the year from the players and I would like to see everyone back next year so we can achieve that final goal.

Darren A. Mackenzie

WOODSIDE CRICKET CLUB

A2 GRADE

As Captian, firstly I would like to acknowledge Bob Haesy my predecessor and thank him for the effort he put in to this grade last year.

I found this season both absorbing and rewarding. As the season unfolded I realised I had to lift my work rate to meet the demands of this position. The most rewarding aspect to me personally, was the team spirit displayed on the field and the spontaneous encouragement given to the bowlers.

Of further value to the team, which will benefit them more so next year, was the realization that maximum effort had to be maintained throughout the entire game. This was particularly evident in the last few matches of the season as the pressure mounted; the result of which saw us clinch third spot in the last minor round game and continue this momentum into the 1st Semi against Mount Torrens which, although we were unsuccessful, proved to be another very hard-fought game.

In contrast to these achievements, I feel it necessary to mention the regrettable lapses displayed in the field during the games just before and after Christmas which we will all have to work on to ensure this situation does not occur next year.

I would like to express my sincere appreciation to the team for a job well done as it has been quite a few years since the A2's reached the finals. I would also like to acknowledge the valued contribution of the younger guys in sub-fielding as well as the support I received as Captain from everyone involved.

Captain -CEDRIC ROWLANDS - lacked consistency early; must work on moulding an innings once the "start" has been made. Found good form in the second half of the season. Scored 125 in last minor round game. Winner of batting trophy.

STEVE ROWLANDS - Opened the batting all year and did a fair job, but he too (like father, like son) must learn to be more aggressive and go on with the job. Very good cover fieldsman.

CRAIG MEDLOW - wicket keeper and opened the batting in the second half of the season. Craig's contribution in both facets improved with every game. Well done mate on winning the fielding trophy.

WOODSIDE CRICKET CLUB

A2 GRADE

2.

GRANT PARKER acting Vice Captain, was a tremendous support to me in this department; very good in the field. He started the season well with the bat, but his form deserted him towards the latter half of the season.

RICKY HILL Vice Captain, extremely good team man with a genuine concern for the team. Unfortunately, could not settle down as a spinner because of selection commitments in the A 's. Thanks for your valued support.

GRAHAM McLEOD normally took the new ball from one end. I could count on Graham to always give his best; his best figures were in the first half of the season highlighted by a hat-trick against Cambrai.

STEWART KENNY opened the bowling all year. Stue had a very consistent year with the new ball; winning the Association Bowling Trophy. Congratulations!

ANDREW MANN - a good all rounder; unfortunately could not realise his full potential as he missed most of first half of season because of work commitments.

ALAN BLAIR started the season well with bat and ball then fell into that "bottomless pit" and the harder he tried the more dismal the result. Mate, next year WILL BE A BETTER YEAR.

ASHLEY GEBBE, COL SMITH, GORDON MASON, ALBY KLOSE and BRAD McLEOD are all in their own right very talented cricketers and all contributed greatly to the A2 cause but because of selection commitments were unable to consistently be part of the A2's.

PLAYERS PROFILE "B" GRADE

1. STEPHEN DOWNS

Captain of last years "C" grade. Batted very well for most of the season but once again had a poor finish to the season with the bat. Batted very well in the Grand Final

2. JAMIE PIPER

Jamie was Vice Captain for this years "B" grade and is a very valuable player to the Club. He had some good results with the bat and ball but let himself down at the end of the season.

3. KYM HOLLITT

Kym has the ability to make a lot of runs but this year not so hot for Kym and was over looked for the finals. I am sure he will be up at the top of the batting order next year.

4. MATT LAMING

Matt has had a very disappointing this year by his standards. Last year won the Association bowling in the "C" Grade but only took 9 this year in "B" Grade. Also Matt's batting lacked confidence in the later part of the season. I am sure he will bounce back next year with lots of runs and wickets.

5. GARY PAINE

Always gives 110% to the team, what he lacks in true skill he makes up in effort. Gary is always good for 20 to 30 runs and batted very well in the semi - final.

6. BARRY LAMING

Played most of his cricket in the A2's where he played the best cricket he has evered played. Being dropped to "B" Grade turned him right off the boil. Barry can bat but must think of what he is doing.

7. SIMON COWLEY

Left hand bat that hits the ball a mile. Simon has a great eye and can make bowlers cry, when he hits six after six. With two great hundreds this season and an average of 80.25 I am sure Sig will crack them around next year.

MATT SCHULTZ

Matt's ability with the bat and ball. Matt is one of the best young cricketers I have seen at Woodside. Matt's best contributions were with the ball moving it both ways. Matt always looks good with the bat but didn't go on with it until the Grand final. You will make more runs net year if you try to stay in a lot longer.

PETER SCOTT

Peter is a class player with the bat and has made some very good knocks but failed in the finals. Peter took a lot of wickets but is all over the place. He is very quick in the field and hates a ball going past.

0. BRENDAN HAHESEY

Since coming down from A2 his bowling picked up to his best but his batting was a bit weak. Brendan is a A2 cricketer if he has his mi.

1. MICH HODGKINSON

The Errol Flynn of the B Grade. Micho has made some very good scores this year but they were all at home on a small ground. The most consistent things about Micho is 0 and out LBW. Mich was very good team man and a great person to have in the field.

2. STEVE THOMAS

Steve was our best bowler this season and is a great club man. With the bat he only showed his true form in the Finals with too very good hard hitting knock both not out.

3. GRAHAM DAVEY

Is a good steady bat. Started batting at 11 but when given the chance took it and batted well in the top order. He is also very handy with the ball. It is a pity he is getting old.

UNDER 16 REPORT.

The under 16's combined very well in the Grand Final to bring the first ever premiership for this grade to Woodside. Their attitude to training was great and the efforts that they put into their fielding drills was rewarded with an outstanding exhibition on grand final day. They were a very united team and this certainly helped them to achieve their goal - basically because they worked as a team. They were well led by Bradley McLeod, who matured as a cricketer and as a Captain. I was proud to be their coach and wish them all the best in their future cricket careers. I would like to take this opportunity to thank the players of Woodside for the great support of the team on the days of the Grand Final. In conclusion I would like to say thanks to Bob Haesy whose coaching of the Under 16's for numerous seasons set up a base that was finally rewarded - just a pity that Bob was not the coach for the team - he certainly put in the effort to deserve that accolade.

GRAHAM MEDLOW (Coach)

ASSOCIATION REPS.

- 1 Bradley McLeod (Capt)
- 2 Matt Schultz
- 3 Craig Medlow
- 4 Matt Laming
- 5 Nick Johns

FLEURIEU NORTH REPS

- 1 Bradley McLeod
- 2 Craig Medlow
- 3 Matt Schultz

PLAYERS PROFILE UNDER 16'S

1. SCOTT NANKERVIS

Scott has worked hard to improve his cricket over the season. His batting has lifted tremendously and he is now capable of making runs and bowling a very good line and length with some movement. In the fielding department he has developed into one of the best fieldsmen in the Under 16's competition. His reach and ability to attack the ball is great and he has saved the side many runs over the season. He will develop into a very good senior player for Woodside and I believe he could play at least A2 level.

Batting	Agg	9	Av.	4.5
Bowling	Agg	1	Av.	20.00

2. BRETT MCINNES

Brett is another player that has worked hard on improving his game. His batting has improved to the degree that he has opened for the "C" Grade for most of the season. He needs to work harder to improve his off side play and hit his attacking shots harder. His change of bowling to leg spin is pleasing and if Brett is prepared to work hard and put in some hours this could be the making of Brett as a cricketer. His fielding is always sound and he certainly has been one of the very good outfielders this season.

Batting	Agg	21	Av	4.25
Bowling	Agg,	-	Av	-

3. MATT LAMING

Matt has not had the season in Under 16's that his ability has warranted. He has generally batted at No4 and at times has not had long periods at the crease due to the success of the top 3 players. His bowling has been steady without getting the wickets that he is capable of. Although success has not come his way regularly he has always worked hard in the nets to improve his cricket. Late in the season he made a couple of good scores in the "B" Grade and certainly bowled well for us in the finals. He has another year of Under 16's and I am sure that Matt will make a big impact in this area.

Batting	Agg	40	Av.	10.00
Bowling	Agg	6	Av.	20.50

4. MATT MCARTHUR

Matt is in his first season of cricket for Woodside. At the start of the season he was certainly in need of a lot of coaching and he needed to have the initiative to improve his cricket. He has certainly been prepared to work and listen to his cricket has improved markedly to the degree that he will take a number of wickets next season and make quite a few runs. He has not had many opportunities this season with the bat and ball but when he has bowled he has bowled a very good line and length. His fielding has been an area of huge improvement and the catch he took at Paracombe was excellent.

Batting	Agg	1	Av	1
Bowling	Agg	1	Av	16.00

5. NICK JOHNS

Nick after a great season last year certainly did not repeat the effort. Although his bowling was steady and accurate his batting was disappointing. I must admit that he saved his batting performance for the semi-final where he made 35 and added 76 for the 5th wicket with Bradley McLeod. In the Grand Final Nick produced a very good 7 overs and claimed the valuable wicket of Damien King. He needs to work on his game at practice and could develop into a very good all rounder.

Batting	Agg	69	Av	9.86
Bowling	Agg	6	Av	19.16

6 MATT SCHULTZ

Matt had an outstanding season for the Under 16's. His batting especially when opening with Craig Medlow was outstanding - they had partnerships of 91 -71- 56 and 21. He had 3 scores of more than 40 and we expect this number to double next season. His bowling was outstanding and he regularly gained the breakthrough for us - his ability to swing the ball will stand him in good stead for the future. He has the ability to be an outstanding cricketer.

Batting Agg	210	.00	Av	30.00
Bowling Agg	10		Av	6.5

7 DAVID ROBERTS

David was in his first season of Under 16 cricket with Woodside. He did not have many opportunities but those that he did have showed that he will become a very good all rounder. His bowling is accurate and in the games that he bowled he took a wicket. In both finals he fielded very well and will be an important member of the team next season.

Batting Agg	nil	Av	nil
Bowling Agg	1	Av	6.00

8 DANNY HAHESY

Danny showed us at times the ability that he possesses as a cricketer. In a couple of games he scored runs at a vital time that put us in a winning position. His fielding was at its best in the finals and took a good catch in the Grand Final. I believe that Danny does not want to play cricket next season - I hope he reconsiders because he has a touch of class as a batsman.

Batting Agg	65	Av	10.83
Bowling Agg	nil	Av	nil

9 MICHAEL KLOSE

Michael in his first season of Under 16 cricket developed into a very important member of the team. He opened the batting with Craig a couple of games and against Mannum he top scored with 45. His bowling came along in leaps and bounds and he is now a very accomplished spinner - his bowling in both finals was outstanding 8/1/2/26 and 8/1/3/25. He will be a very important member of the team next season.

Batting Agg.	61	Av.	10.17
Bowling Agg	10	Av	14.4

10 MICHAEL CRESSWELL

Michael played the first half of the season and was developing into a handy batsman, a competent bowler and an excellent gully fieldsman. It was unfortunate that he changed schools and could not finish the season with us. His efforts in the first half of the season deserved a place in our premiership team.

Batting Agg	20.00	Av	10.00
Bowling Agg	1	Av	40.00

11 BRADLEY WILLIAMS

Bradley filled in for us in one game against Lobethal. He showed us all in that game that he still possesses a lot of natural ability and will develop into an excellent senior cricketer.

12 BROCK JAMES

Brock played the semi final for us even though he is only in year 6. If keenness is the sign of a good cricketer Brock will make the grade. He fielded extremely well in the semi final and has a very good arm for a lad of his age.

13 CRAIG MEDLOW

Craig's cricket took on a new dimension this season. The extra coaching of the Fleurieu North under Scott Graeber made him realise what he had to do to become a top cricketer. He tightened his defence worked on his attacking shots and improved his glove work behind the stumps. After Christmas Craig scored 158 runs at an average of 40 and his innings in the Grand Final showed how much he values his wicket. His advise and help to Bradley was great and they worked very well together in the leadership of the team.

Batting Agg 231 Av 28.87
Bowling Agg 1 Av 32.00

14 BRADLEY MCLEOD

Bradley's captaincy of the team improved every game and he led the team and placed the field extremely well in the final. His batting in every game was outstanding and he thoroughly deserved the Association batting trophy. His bowling in the second half of the season was very good especially in the semi final against Paracombe where his figures were 8/3/2/14. He possesses the ability to be an Association player for the Torrens Valley in a few seasons.

Batting Agg 401 Av 66.83
Bowling Agg 6 Av 13.83
