PRESIDENT'S REPORT

The junior teams and the B-Grade led the way with our on-field success for the first half of the season. The U14's & U16's went on with it and made it through to the finals, unfortunately not gaining the rewards for their efforts, losing by small margins. Kainie, Rhys & the kids can be very proud of their efforts this year.

The other two senior sides had very mixed seasons, starting off very poorly but coming home strongly after Xmas where as the B's did the opposite. The A's & 2's were very lucky to make the finals considering both sides had more bad performances than good. In the end I think the courier had a valid comment.

There is a group of seniors who commit, but the rest are just along for the ride. It's a team game and if you're going to be successful at the top level everyone must contribute consistently, not just two or three times a season.

There is huge potential throughout the club, but if you're without effort, you'll be without a flag. It won't just happen. Just ask those who played in the 94/95 A-Grade premiership, ask them how it feels to win one. The fact is the lads are better than what they have shown, which means they could have some very successful seasons in the future, if that's what they want.

The club as a whole has expanded with a number of new players and their wives, girlfriends, friends and kids getting involved and creating a good atmosphere around the club.

Congratulations to all the players who represented the club in the various association games that were played. Seniors :- Nick Johns, Dave Wescombe, Aaron Galvin. U16's :- Brenton Lawson, Luke Aufderheide and Matt Baschiera and for the U14's :- Bruce Kain, Jake Truswell and Vinnie Kain. Well done fellas.

To our coaches of the juniors a big thank you for without them we would not have our future cricketers. Rhys Dutschke - U16's, Peter Kain - U14's, Graeme Hemsley - U12's and Jim Hennessy & Shane Harris - U10's. Also to all the helpers for the coaches - there are lots of little jobs to do off the field and your help is greatly appreciated.

Tonight is very special for the club. For the first time in a number of years we have some new life members. The recipients have coached, spent a number of years on the committee, BBQed, working beed, played, annoyed the hell out of the opposition, you name it they've done it.

Congratulations to the new life members - a well deserved reward for their commitments.

Also to the committee, I thank you for your efforts and support. It was only a small committee this year and those who were on it gained some extra tasks and handled them very well.

An extra pat on the back to Jim Hennessy. His commitment to the juniors has once again been outstanding. He is the club's major sponsor, Junior co-ordinator, U10's training coach, always has the right advice (whether you like it or not), and also one of the few Senior batters that can hang around for a while.

Finally, thank you to the ladies & BBQ cooks for teas on Saturday nights - Great meals at inexpensive prices. What more could you want.

B.J. Druwitt

LIFE MEMBERS

This year, the Committee of the Woodside Cricket Club is pleased to introduce to the Club three new Life Members.

There have been no life members appointed for some time. The criteria for the appointment of life members are in the discretion of the Committee but the Committee looked at a combination of factors including their playing career, their involvement at an Administrative level and their coaching involvement.

There is no doubt that these three Members have exceptional qualifications in all three categories.

MATTHEW DAVIS

After giving 18 outstanding years of service to the Woodside Cricket Club and to the Torrens Valley Cricket Association. Matthew has been awarded life membership. He has served the cricket club as a committeeman, delegate to the recreation ground, coach of junior grades, captain of the "A" Grade and as a true sportsman.

These are some of Matthew's achievements over his period at the Woodside Cricket Club.

Matches	- 209	- 179 As	15 A2	15 B/C
Runs	- 5524	Av 27.35		
Wickets	- 95	Av 15.11		

Grades played	A - A2 - B - C - U/16 - U/13
Premierships	89/90 B Grade
	94/95 A Grade
	01/02 A2 Grade

Captain	A Grade	U/16		
Centuries	89/90 -	"B"	v	Birdwood 119
		"B"	v	Eden Valley 106
	91/92 -	"A"	v	Birdwood 101 n.o.
	94/95 -	"A"	v	Houghton 114

Junior Coach	U14 Grade
Committee	General/Social/Selection
	Delegate - Recreation Ground
Cricketer of Year	Geoff Hill Memorial Trophy
Accreditation	Level 1 Coaching Certificate

Association Honours

Meyer Shield - among the years he was a member of 93/94 winning team.

U/21 Figg Cup - won shield 93/94 - v/captain of winning team 94/95.

U/16 Calaby Shield - Peter Vivian Fielding Trophy.

Over the seasons Matthew has won many individual trophies mainly for his outstanding batting and athletic fielding.

This award is well deserved for Matthew and at the age of 30 I am sure that he will continue to contribute to the club for many seasons to come.

Congratulations Matthew

Graham Medlow

BRENTON DRUWITT "B.J." also known as "Hank".

B.J. played his first game for Woodside after being convinced to come over the Hill by the C Grade Captain Kym Hollitt. Kym must have thought he had struck gold, as B.J. was a dominant player in that Grade.

In the 93/94 season he made 400 runs and took 15 wickets including an Innings of 155 off 68 balls against Mannum.

Since that time B.J. has played in every Senior grade and scored a hundred in each one as well as having many other memorable innings. B.J. has the ability to be a prolific hitter of the ball, score runs quickly but it needed to, can knuckle down and rotate the strike. B.J. has also taken many a wicket with those "bloody" in swing out dipping balls that don't come on to the bat and in the field, whether behind the stumps or in the outfield, can and does do that thing out of the ordinary to get a side back on top.

B.J. like many of us who have been around the club for many years have had many ups and downs. He has had the misfortune of playing in losing grand finals in each of the Senior Grades but has had the joy of being a premiership Captain of the A2's in 200/02. B.J.'s captaincy in that season was excellent. He showed great faith in his personnel. He ensured that as individuals we enjoyed the game and we liked being under his leadership. A premiership was just reward for his efforts.

The playing side of things is really just a small part of B.J.'s service and commitment he has provided for the club. B.J. off the field has taken on many different roles and now is President. B.J. has successfully coached at U/14 level and been assistant Coach as well. The Bar Manager's job was vacant so he took that on for 3 seasons (but still doesn't drink beer). He decided he could still do more so took the Groundsman job on also, a job which he has done extremely well so much so that we have the best conditioned oval in the Association and were rewarded with the A Grade grand final this year.

B.J.'s grounds work is not only confined to the ovals. He was instrumental in the construction of the Scorer's Platform as well as the rearranging of the practice nets and the creation of the new centurians board. There are so many more tasks that have been undertaken and achievements made possible by B.J. for the club that space does not allow me to mention.

But to finish I would like to say that I am sure that the Woodside Cricket Club would not be held in such great stead throughout our Association and Community if it were not for his efforts. So it is a very deserved reward that Brenton should receive life membership of our cricket club.

R.S.Hill

TIM JOHNS

As a 10 year old in 1982 Tim was keen to play cricket. The only junior competition in the Torrens Valley then was with the Under 15s, so with the help of the Club and with his father coaching, an Under 12 team was formed and played in the Adelaide Hills Comp. Opening the batting and the bowling he achieved very well at this level even then displaying his own unique delivery stride when bowling.

In later years he progressed to the Under15s playing under Bob Haheisy as coach in the mornings and with the B Grade in the afternoons, also under Bob's guidance. In the 1988 Finals Woodside fielded 5 teams in the grand finals. Unfortunately Tim was a member of the 2 teams (U15s-B Grade) that were unsuccessful that weekend.

He continued as a keen cricketer through the ranks of the B and A2 teams with his mates and the assistance of former leaders Bob McCulloch, John Luker and Cedric Rowlands, becoming a valued team member for both batting and bowling.

About this time Graham Medlow and the committee were keen for the younger players to be involved in other aspects of the running of the club. Tim accepted the role of Secretary and continued in that role for the next 5 years until his transfer interstate.

He also undertook coaching, ably encouraging and steering some of our Under 10s through their 1st years of cricket.

As a permanent member of the A Grade Team he established himself as a very capable left hand opener frustrating many of the opposition bowlers and teams over the years.

The highlight of these years was in top scoring and being a member of the 94/95 Premiership team.

A promotion opportunity saw Tim move to Melbourne in 1997 playing his last game for Woodside in the losing grand final that year.

A valued member of the club over the years as a player and official we are proud to bestow on Tim Life Membership of the Woodside Cricket Club. Well-done Tim.

Playing Statistics: 124 matches (84 A Grade), 2024 runs (1264 A Grade), 73 wickets (52 A Grade).

Centuries: A2 team 9/12/89 113 V Kersbrook, C Grade 2/3/91 132 V Paracombe.

A GRADE REPORT

Captains Report: - Well Season 2004 started out fairly bleak with only one win before Christmas. After the New Years break it was as though there was a different side playing with 5 wins (including an outright victory) and only two losses including the semi-final debacle against Lobethal. A number of close results that went against us will hopefully prepare us mentally so that in coming seasons we can step up and win these games when it matters most. I would like to take this opportunity to congratulate the members of the victorious Meyer Shield team – Aaron Galvin, Dave Wescombe & Nick Johns, who all contributed towards victory over the weekend, it's a great representation for the club at association level. Congratulations also go to the representatives of the U21/Figg Cup Team – Aaron Galvin, Dave Wescombe, James Marshall & Jarrad Smith. In finishing I would like to thank all the boys who played A-Grade this season and look forward to a Great and Successful campaign next season.

Ramon Molier – “White Shoaib” opened the batting in nearly every game this season with mixed success. His 35 against Birdwood in the first game back after Christmas showed what he is capable of. The six blasted over cover at Lenswood was one of the shots of the season. Next season we will hopefully see more consistent scores alongside Rommy's name. Also Congratulations are in order for Ramon and Amanda who are expecting their first child later this year.

Runs: 201 @ 15.46 Wkts: 0 Catches: 4

James Marshall – “Jimbo” also opened the batting for the majority of the season showing only glimpses of his talent. Back to back 50's against Lenswood and Mannum just before Christmas were the highlights of his batting. As the ‘Keeper of the side he took many fine catches off of “Glenn” and “Dicko” and was also good when up to the stumps for the spinners.

Runs: 196 @ 13.06 Wkts: 0 Catches: 23

Matt Johnston – In his second year of Captaincy “Hoota” once again led with enthusiasm and had the uncanny knack of successfully knowing who to bring on to bowl or who to put up the order when the situation called for something a little different. His batting lacked the consistency of previous seasons but there was always something to let us know of what he is very capable of with the blade. His infamous D.K's became a good weapon – usually taking over from “Dicko” when underage restrictions cut short his spells. With a few more medium/fast bowling options around the club maybe next season “Hoota” will return to bowling his magnificent leggies.
(N.W.J.)

Runs: 285 @ 21.92 Wkts: 6 @ 26.66 Catches: 4

Nick Johns – This season saw the return of the Big Fella with instant results. Nick was slotted in at number 4 for the majority of the season and brought both maturity and experience to a young side. After having missed a season in the "Baggy Blue" I think that Nick has found the passion and drive that has maybe been not so evident in past years. Nick was not used as often as he would have liked to be with the ball but when given the opportunity bowled very well, especially against Birdwood in the wet with 2 for. I think that if the rest of us approach the next season with the same attitude as Nicko we will be able to reach the goals that we all know we are capable of, Thanks Mate.

Runs: 401 @ 40.10 Wkts: 3 @ 9.66 Catches: 6

Dave Wescombe – "Wingers" was moved around the batting order from one week to the next and never really settled into one position for the season. His seemingly carefree attitude was successful on many occasions and hopefully in the coming seasons he can turn his 50's into big 100's. "Wing Ding" was the partnership breaker of our attack and his fielding was of high standard once again.

Runs: 341 @ 26.23 Wkts: 11 @ 19.72 Catches: 12

Matt Davis – "D" missed a few Saturdays throughout the season but when he did play he bolstered the middle order and as always was invaluable in the field. His 40 against Kersbrook after Christmas (when the rest of us were falling like nine pins) showed the maturity and leadership of a seasoned campaigner.

Runs: 126 @ 14.00 Wkts: 1 @ 45.00 Catches: 8

Rhys Dutschke – "Rice-Eater" played every game this season but unfortunately with the bat he didn't have the consistency of past seasons. His off breaks showed once again that he is improving with every delivery and is starting to really mature when the ball is in his hands. In the field "Rice-A" provided the light relief that always broke the concentration of the opposition (and ourselves) and the highlight of this was the Gatorade Incident at Lenswood.

Runs: 85 @ 6.53 Wkts: 14 @ 24.42 Catches: 1

Aaron Galvin – As the season went on "Glenno" just got better and better. He opened the bowling with the venom and consistency that has been lacking from the Woodside attack in past seasons and the results followed. Hopefully next season his Friday night "training" won't be as intensive. Worked hard on his

batting and the improvement showed with his 39 runs opening the innings against Lobethal an obvious highlight.

Runs: 114 @ 10.36 Wkts: 28 @ 17.35 Catches: 2

Jarrold Smith – “Dicko” backed up “Glenno” with the new ball for most of the season and the partnership they shared reaped rewards for both. Underage bowling restrictions usually kept “Dicko” from taking a bag but picking up a couple of wickets in nearly every match kept his total clicking over. The 5 for (in 8 overs) against Lenswood were an inspiring spell. Started off well with the bat scoring 16 and 30 but was shuffled down the order and the opportunities dried up.

Runs: 61 @ 6.77 Wkts: 26 @ 12.38 Catches: 5

Rick Hill – In what has turned out to be his last season, “Whizzer” once again showed what a big part experience plays in cricket. His efforts with the bat and the amount that he values his wicket every time he walks out to the crease is a lesson to the rest of us of what a bit of grit and determination can do. With the ball “Whizzer” supported the pace line up beautifully and many a batsmen thought they could take it easy against the wily veteran – then they paid the price. Hopefully his decision to retire has come too soon and he’ll see the error of his ways by the first weekend in October...

Runs: 20 @ 3.66 Wkts: 16 @ 12.81 Catches: 3

Thanks also go to:

Mark Ryan, Tim Davis, Drew Hird, Mark Sammons, Jeff Marshall, Jeff Langbein, Ben Kellaway, Craig Medlow, Michael Klose & Brad deVries who all played their part for the A Grade during the season – Thanks Guys

A2 REPORT

What a strange season it has been. Loosing the first five games but still making the finals.

Struggling for players early in the season when it looked like a repeat of last season was on the cards.

After a couple of rounds things started looking up with a number of new players arriving at the club. From there on the fellas had a couple of games to settle in then we started winning.

Five wins wouldn't normally get you to the finals but when three of those are outright wins it helps.

Our semi-final was a great game, to make 133 after being 7/66 was a credit to the young lads who put on a 51run 8th wicket partnership.

If Chris & Matt Baschiera didn't put on that partnership that arvo we would never have made it to the grand final. Their batting performance put a good score on the board and pressure on Paracombe.

Our bowling and fielding the next day was outstanding. An excellent and well deserved win.

The grand final on the other hand was the opposite, We didn't bowl to the best of our ability and batted poorly. Jeff Langbeins 6/46 off 19.5 overs was an outstanding performance, Jeff Marshall's 3/27 was also very good.

Chasing 159 was always going to be tough but not out of reach but with only two players getting double figures it wasn't going to be enough.

Drews 29 and young Kainie (9no) holding up one end at the end of the innings was a couple of good efforts. At 7/77 we couldn't come up with last weeks lower order partnership again and we were bowled out for 87.

I don't think we were quite ready for a Grand Final.

The figures show that we only once beat a team that was above us on the ladder and that was in the Semi. Our bowling was good but our batting was fragile.

This team, next season, with some more consistent batting performances, will be hard to beat.

Although we lost the G/F I had a great time this season, the group of guys we had got along well and had a great time which made all games enjoyable to play, win or lose.

As I wrote in my other report, more work has to be done to win the flag.

I'd like to thank all of those who played for the 2's this season and hope you enjoyed the season as much as I did.

Some fellas only played a few games being elevated from the B's or unable to play because of other commitments :- Michael & Graham Dallow, Jim Staude, Nathan Foster, John Hart, Graeme, Lachlan & Nick Hemsley, Mick Wescombe, Paul Jude, Shane Nichol, Tim Davis, Craig Smith, Peter Kain, Ian Politis, Dean Grant & Daniel Maclean, Thank you for your efforts.

The rest, well here's a little about each of them:-

Jeff Marshall

Played the first 6 rounds in the 2's before having a run in the A's, came back for the last couple of rounds and Finals. Didn't contribute what he would have liked to with the bat but made it up with the ball taking 27 wickets for the season.

In 10 innings taking 3 or more wickets on 5 occasions which is what you need from a front line bowler, His best coming against Birdwood :- 9/19 the first innings & 3/2 in the second innings.

His 10th wicket in the 1st innings was stolen by Drew, Sorry Jeff I shouldn't have bowled him.

Runs :- don't want to know. Bowling :- 118.4 overs - 27 wickets ave.9.0

Ever reliable, Jeff was a very good first year player for the club.

Doug Wescombe

Dougie didn't know if he really wanted to play or not but ended up playing 9 games.

Wasn't happy with his own batting and I don't argue with him, The man's right.

He did save us with the bat against Kersbrook in the second round, being bowled out for 57 his 17 saved the team even more embarrassment. We only lost the game by 50 runs.

Only bowled a couple of overs & his keeping was of a high standard

Gareth Brown

Gareth moved around between the B's & 2's and showed that he could be a very good cricketer.

He does not throw his wicket away and has had a couple of very good partnerships throughout the season and his fielding has been exceptional.

He also missed a couple of games in the middle of the season when he became a dad. I thought he could have come up with a better reason. Sometimes you wonder where people's priorities are (only joking). Hope to see you back next season if you are not tied up.

Gareth also started a new job at the end of the season and we wish him well.

Chris Baschiera

Basher has improved a great deal from last year. 43 runs from 10 innings to 160 from 11 innings.

His bowling also improved picking up 19 wickets from 123 overs, his best being 4/19 of 8 overs.

He took on the role as our opening bowler and did it very well. He troubled all batters and claimed many scalps with his leg cutter.

Chris is only going to continue improving over the next couple of years, with a calm head and smart decision making he is going to be a very valuable part of our senior sides.

Jeff Langbein

If there was someone you wanted to be able to play all year this is him.

Only playing four games including the G/F he did nothing with the bat but his bowling was nothing short of exceptional :- 38.4 overs 15 wickets ave.7.8, he only bowled on four occasions and picked up nothing short of 3 wickets each time. His 6 wickets in the G/F kept us in the game.

His comments on and off the field keep everyone entertained, with blokes like him around cricket can be a lot of fun.

Drew Hird (mum & super coach)

Without Drew I don't think we would of made the finals, It's as simple as that. His competitive nature lifted the side and he just kept on edging everyone on to give their best.

Even when he didn't play because of illness he was still there yelling from the sidelines, He even came out and geed us up after we took a wicket on one occasion (comments from the super coach).

With the bat he struggled early in the top order but when he went down the order a bit he started to play his natural game (swing) and was very successful finishing with 300 runs for the season and an ave of 30.

We tried to look after his bowling arm but on many occasions we needed him, taking 26 wickets at an ave. of 7.69. He won our bowling trophy ahead of Jeff by 1 wicket in the minor round awards.

That was the wicket he took at Birdwood in the first innings (sorry Jeff).

Ben Kellaway

When Kellogs hits straight he looks good and can hit a long way, But then he looks sideways and he's in trouble. He came on the scene at Gumeracha and bowled a bit loose but was among the pick of the bowlers for the game.

From there he played a couple of A-grade games before returning to the 2's. His bowling was a bit erratic throughout the season until the last round where he bowled extremely well bowling 19 overs 3/51 and then followed up in the Semi with 5/33 off 19 overs.

He went from Ben erratic Kellaway to Ben bowl all day Kellaway (one of the super coach comments).

Beno was great to have around the club, got involved with the juniors at the junior fun night and always had something to say, fitting in well with the team.

Robert Archer

Archer the partnership breaker. Arch was a bit expensive when he bowled but each time he did he broke up a dangerous looking partnership.

His celebrations after taking a wicket or a catch were a sight to see, as was his disappointment after getting out. His top score of 15 and his first boundary were a couple of the highlights.

Quiet but always came up with a comment or two at the right time.

Angus Stagg

Staggy, one of the new comers proved to be very handy with the ball picking up 7 wickets from 24 overs with a 7.57 ave.

Some big hitting in his first couple of games was entertaining, but unfortunately limited opportunities restricted us from seeing Staggy put on a show, although his second innings bat against Gumeracha saved us from getting beaten outright.

He made his own at first slip taking some absolute blinders and keeping the wickie awake with his stories and gags.

Mark Sammons

Sammo's return after going awall has been a huge bonus for the club.

Scoring 216 runs at an ave. of 24 wasn't to bad for a guy who hasn't played in two years.

His fielding was excellent and didn't waste an opportunity to take a catch.

He even had a chance to have a couple of overs claiming 3 wickets.

Greg Baschiera

Greg only started playing in the 2's in round 9, his first bat made 32 but was unable to follow it up with his limited opportunities.

He made a place at mid off and provided valuable tactics and encouragement for the bowlers.

Although he might not be the quickest across the field he was amongst the top three fielders in every game he played. He put everything on the line at Eden Valley and took a magnificent catch in the G/Final.

Matt Baschiera

Matt was asked if he would like to play in the finals for us and he jumped at the chance.

In both games he gave 100%, His innings in the semi was the best I'd ever seen him bat.

His concentration and shot selection was spot on and his fielding was faultless.

Bruce Kain & Craig Smith

Both boys put their hand up to play in the G/Final. neither had a chance to bowl but both gave their all. Smithy was very good in the field, Kainie's effort to stay in for 17 overs while wickets fell around him showed a few of the top order up.

Brenton Druwitt

Figures show I had a good year with the bat but still my shot selection gets me out more often than a good ball. With a bit more concentration I think I could have done a lot more.

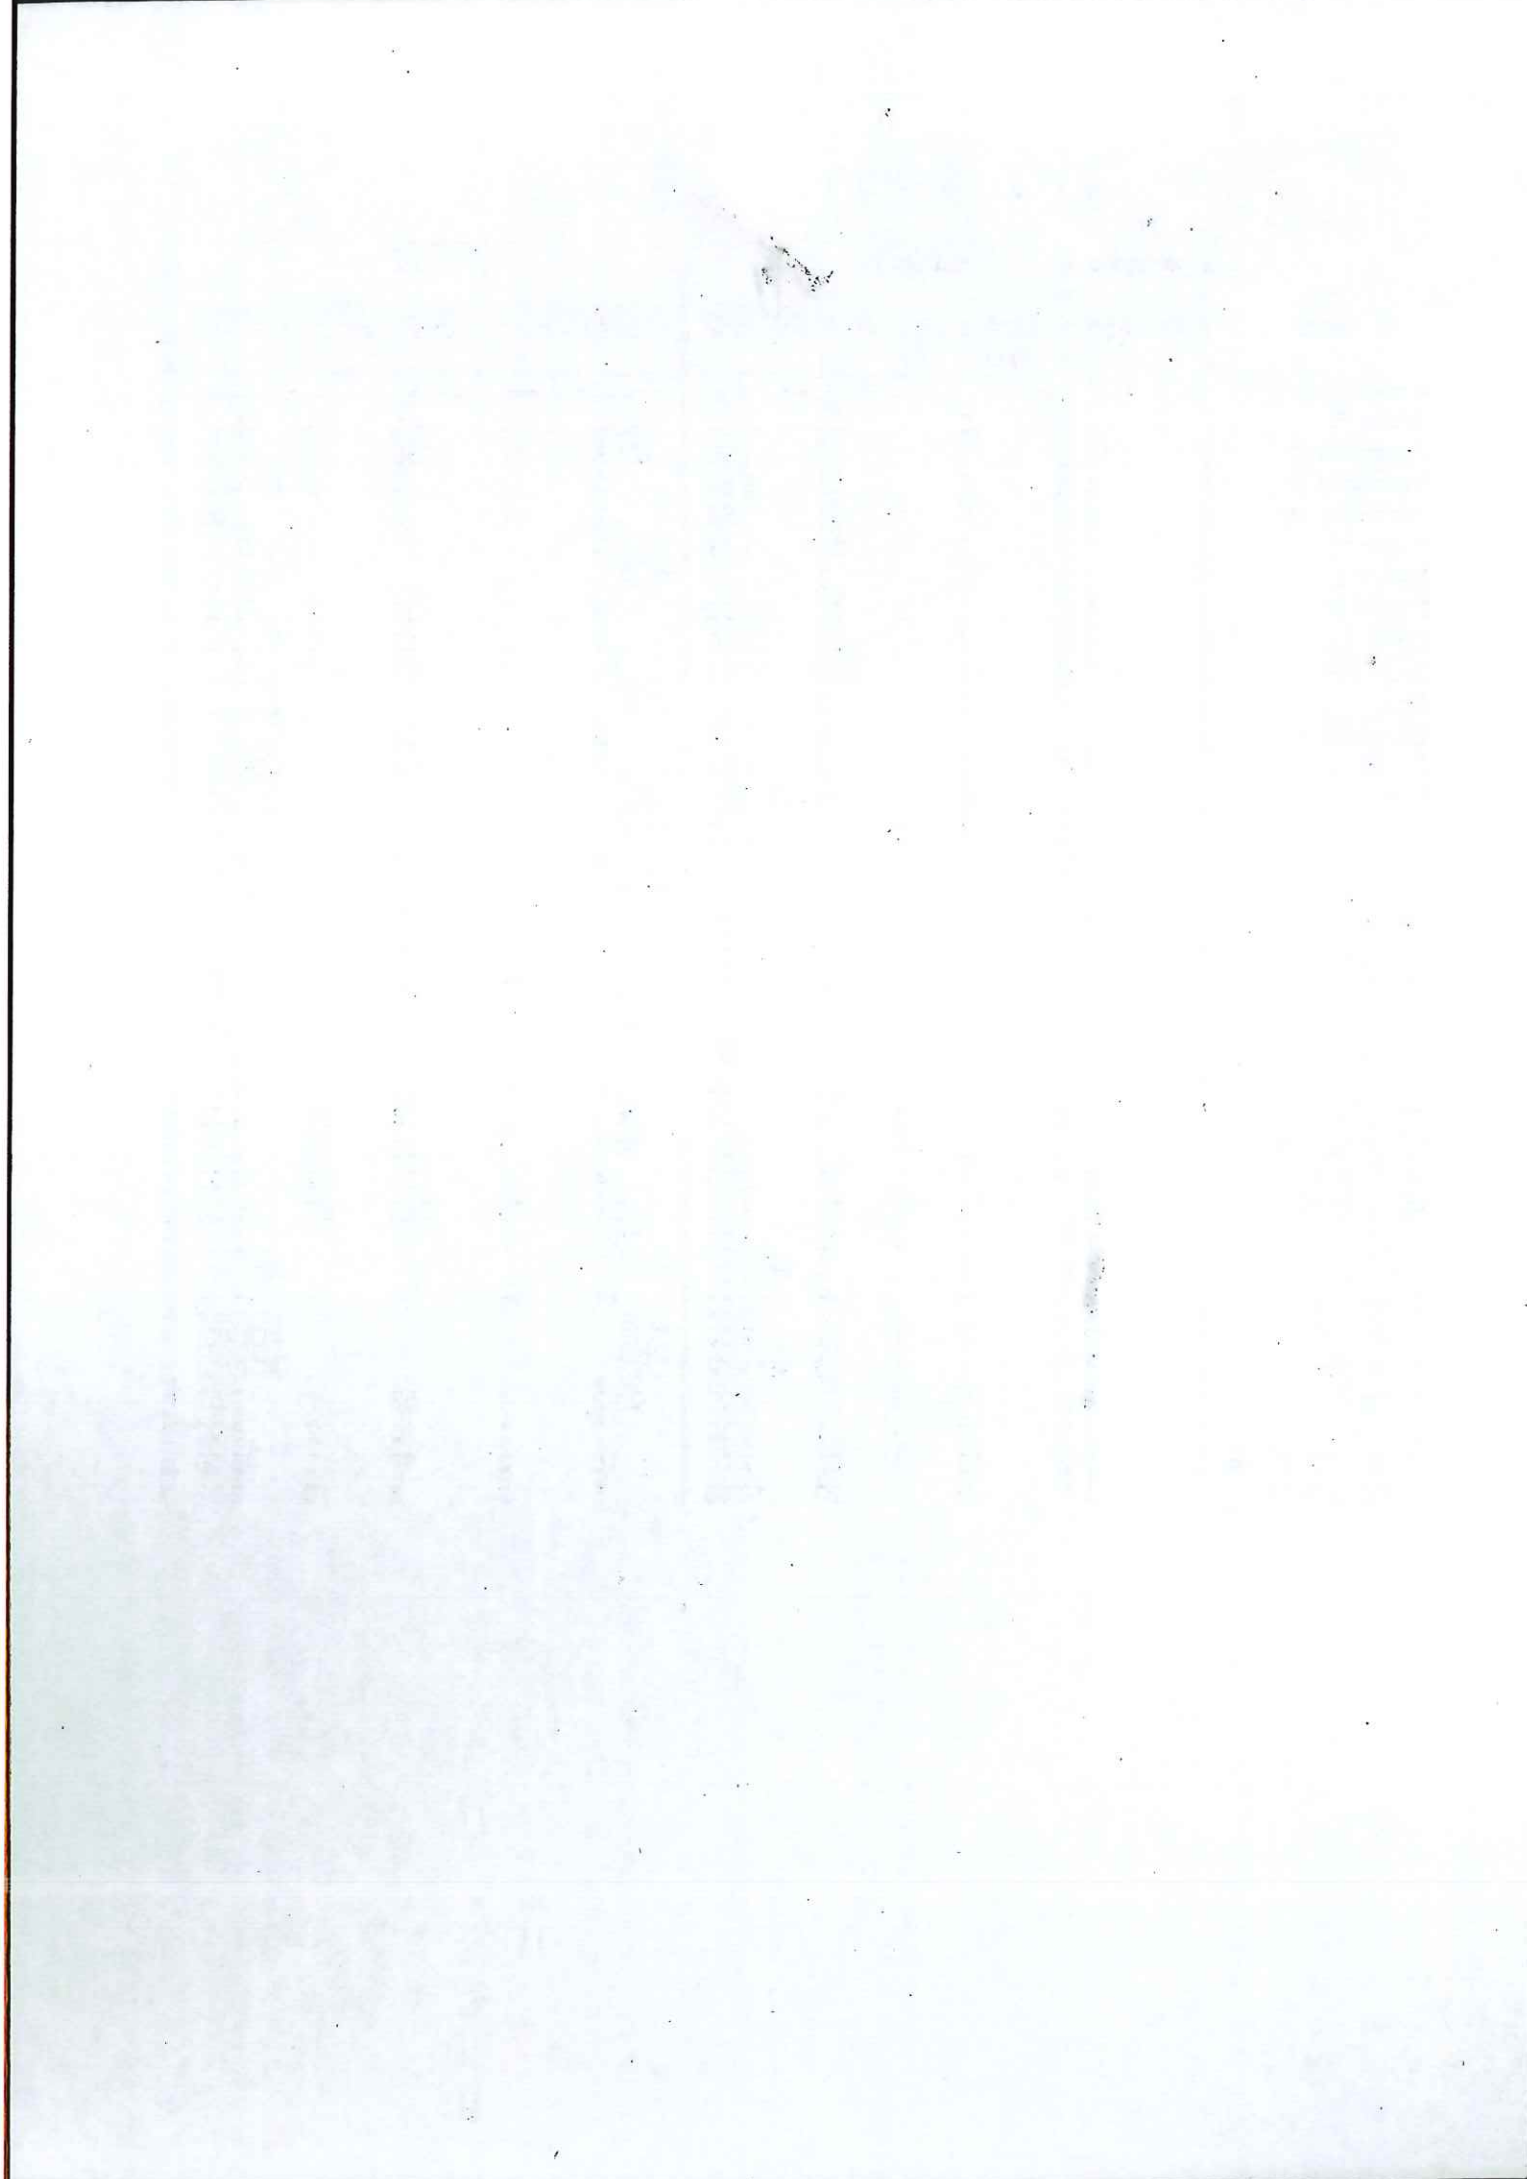

Again I would like to thank all of the players. As I mentioned earlier, we had a great group and got along very well which made the season entertaining and enjoyable.

Finally I would like to thank Jim Hennessy. Although he doesn't play in the 2's his help and advice around the club has not gone unnoticed.

B.J.

B GRADE REPORT

This is the first year for some time that the club has had a B Grade Team.

Originally, there was some reluctance to have a third team because we weren't sure of the numbers. Yes, there were problems but we didn't forfeit but we have always been that one or two players short.

As a result, we have had thirty cricketers play for us over the season. A few of these are players who would normally play in higher grades and some of the regular B Graders have been elevated to the A2's during the season.

The club has persevered with the B Grade Team and I congratulate it on doing so. I believe that all of those regulars in the Team have enjoyed themselves and I hope that they would like to continue playing regular cricket. Not only that but since the end of the season, two new players have heard how we went and have said that they would like to play.

Unfortunately, our results weren't that good. What started out as a successful year fell apart as the season progressed. Half way through the season we found ourselves on top of the table and I think that this lulled us into a false sense of security as it turned out that we had only played the bottom half of the table.

Coming up against the top half of the table, we struggled although I think that towards the end of the season we were starting to regroup. I also think that at the halfway mark we started wanting to win more than enjoying ourselves and as a consequence, we put unnecessary pressure on ourselves.

The B Grade is a team for people who are not as skilled or are returning to cricket and it provides a vehicle for those who want to play a more social game.

At the same time, we have also tried to bring on a number of the Under 16 players and to introduce them to the senior teams. I hope that they have discovered that it is not so hard and for some of them, the Under 16 competition may be more competitive.

I hope that those U16s have enjoyed the experience and that they will move up through the ranks of the club.

Outstanding performances through the year with the bat were Greg Baschiera with 295 runs, John Hart with 225 runs, Craig Smith with 203 runs, Matt Baschiera with 180 runs, and Jim Hennessy with 133 runs.

I would particularly like to thank Jim Hennessy who unhesitatingly opened in the second half of the season, even when injured. Not only did he treasure his own wicket but he provided real support for whomever he was batting with.

The major wicket takers were Lachlan Hemsley with 17, Craig Smith and Matt Baschiera, both with 12 wickets and Nick Turner and Jim Staude, both with 8 wickets.

Jim Staude gets a special mention for a 5 wicket haul in one innings against Kersbrook in round 4.

It is no surprise that all of the top wicket takers are the Under 16's who represent the future of the club.

I would like to acknowledge Greg Baschiera and John Hart who were our wicket keepers throughout the year. I wish to acknowledge both of them not only for their keeping (and there were times when the bowling was a bit ordinary) but they were first and second highest runs scorers and John took 6 wickets and Greg took 3.

I would also like to acknowledge the help that I have received. Everyone had some advice, usually about how soon they should have a bowl. From outside of the team, I would particularly like to thank BJ for his advice and from within the team, I would like to thank Greg Baschiera, and Jim Hennessy. Both of these senior players have brought a common sense approach to these things. I would also like to thank Matt Baschiera, Lachlan Hemsley, John Hart and Craig Smith, all of whom have discussed things with me at different times. They may not have realised that I was listening closely to what they said, but the feedback that I got from them was invaluable.

I congratulate all those who played in the team and in particular, the regular players. Below is a list of those regulars and a list of all players. I believe that the B Grade has been a success and I hope that it can continue next year.

Graeme Hemsley.

B GRADE PLAYER PROFILES

Greg Baschiera

A hard-hitting batsman, Greg opened the batting for the B's until he was elevated to the A2's. He still managed to top the batting for the B's. He also kept wicket and bowls deceptive spin.

Batting	:	289 runs @ 37
Bowling	:	5/119 from 28 overs

Jim Hennessy

A gritty batsman who shows the right attitude in treasuring his wicket. As one of the senior players Jim has been a role model for the younger players. After offering to fill in as needed, Jim has played most games and I believe that he has really enjoyed this year.

Batting	:	133 runs @ 14
Bowling	:	1/56 from 9 overs

Michael Hennessy

One of the U16's Michael was capable of scoring many more runs. With this year under his belt, I expect Michael to progress to higher levels of achievement.

Batting	:	7 runs
Bowling	:	6/140 from 33 overs

Andrew Hopgood

One word describes Andrew "enthusiastic". He is living proof that there are still people who want to play who are just waiting to be asked. He has worked hard since joining the team and is determined to improve.

Batting	:	14 runs @ 2
Bowling	:	2/26 from 6 overs

Dave Schubert

A regular U16 player, Dave joined the B Grade later in the season. He shows real promise. He will be a good player and needs to be confident about these abilities.

Batting	:	45 runs @ 22
Bowling	:	1/93 from 20 overs

Matt Baschiera

A technically correct batsman and a quick bowler, Mat has relished this year in the B's. He is up near the top for both batting and bowling. A very athletic fielder, he has a fine all-round game, which will take him a lot further.

Batting	:	180 runs @ 16
Bowling	:	12/293 from 13 overs

Gareth Brown

Gareth went from the A2's, to the B's, then back to the A's and again to the B's. What was encouraging was to see his development finishing the season with a fine 39 against Eden Valley. Compared to the beginning of the season the improvement in his play was obvious.

Batting	:	61 runs @ 10
Bowling	:	2/70 from 13 overs

Stewart Fuchs

The most impressive thing about Stewart is that he plays with a good attitude. Although disappointed at not doing better, Stewart has been keen to improve his game and has been an important member of the team.

Batting	:	42 runs @ 3.5
Bowling	:	0/56 from 5 overs

John Hart

Johnno is a very hard-hitting batsman who has a good eye but who needs to work on his technique. He is a good keeper and a handy change bowler who often picked up vital wickets.

Batting	:	225 Runs @ 16
Bowling	:	6/153 from 42 overs

Lachlan Hemsley

One of the more quiet members of the team and often the youngest, one of the big pleasures in Lachlan's life is taking wickets. He usually opens the bowling and is the leading wicket taker. He needs to work on his batting.

Batting	:	6 runs @ 1
Bowling	:	17/370 from 76 overs

Craig Smith

Always the stirrer, Craig has adapted well to senior cricket. His figures are better than for the U16's. He threw away his wicket too often and could easily have topped the batting. His bowling suffered on the small oval. An A Grade player of the future.

Batting	:	203 runs @ 7
Bowling	:	13/466 from 70 overs

Jim Staude

Jim's season was restricted by injury. He showed that he has played before and that he has the capacity to make a real contribution, although he did not achieve what he wanted through the year.

Batting	:	39 runs @ 7
Bowling	:	8/133 from 33 overs

Nick Turner

Another of the U 16s, Nick came out for the last few games. In only a few games, Nick took 8 wickets and showed himself to be a cricketer of the future.

Batting	:	15 runs @ 5
Bowling	:	8/73 from 12 overs

OTHERS TO HAVE PLAYED

Nicholas Hemsley
Shane Harris
Ben Pfeiffer
Jesse Trusswell
Siman Chandler
Luke Thyer
Chris Baschiera
Lindsay Chapman
Vinnie Kain
Paul Jude

Hennessy, Andrew Hopgood
Front:- Stewart Fuchs, Craig Smith, Dave Schubert, Michael Hennessy,
Lachlan Hemsley

U/16 REPORT

The U/16 team had an up and down seasons. When playing at their best they were equal to any team in the competition.

The team were a great bunch, and finished the minor round in 4th place. During the minor round they lost 2 games by less than 7 runs to each of the eventual finalists, Kersbrook and Paracombe. The season highlight was beating Paracombe, the top team, in a one day thriller. The team lost a great semi-final to Kersbrook by 3 runs in a game that could have gone either way, but the boys are to be congratulated on their efforts over the season.

Our batting was the team's weakness but this was made up by great bowling and fielding.

Special thanks to Lance Lawson for scoring each week and we hope to see all the lads back next season in either the U/16's or Senior ranks.

Rhys Dutschke
(Coach)

UNDER 16 PLAYER PROFILES

Luke Aufderheide

Had a good season with the ball and deserved more wickets than he ended up with. Didn't make as many runs as he would have liked, he worked hard at practice which showed on Saturdays especially his fielding which improved a lot throughout the season.

Batting	:	55 runs @ 9.2
Bowling	:	8/98 from 28 overs

Matt Bashiera (c)

Was our most consistent bowler this year bowling a great line and length. Close to half his overs this season were maidens and won our bowling trophy for most wickets. He struggled with the bat in U/16's even though he had some good innings in seniors. Batted very well in our final making 37.

Batting	:	107 runs @ 15.3
Bowling	:	9/81 from 44 overs

Chris Blowes

Took a casual approach to his cricket but still showed skill in all aspects of the game. Proved exactly what he can do in our final by taking 4 for 9 off of his six overs and took a very important catch. Hope he continues with his cricket.

Batting	:	48 runs @ 8
Bowling	:	7/83 from 32 overs

Josh Carmichael

Josh was one of our biggest improvers this season. He was always one of the first to training and tried hard to improve. When he first turned up he could hardly hold a bat, but in the final batted really well and almost got us over the line.

Batting	:	1 runs @ 3
Bowling	:	0/8 from 1 over

Simon Chandler

Looked impressive with the bat for the whole season, winning our batting trophy. He made a lot of runs this year purely because of his pace between wickets. Also had a great season with the gloves taking most of our catches.

Batting	:	150 runs @ 18.7
Bowling	:	2/7 from 2.2 overs

Michael Hennessy

Opened the batting all season and did the job very well always seeing off the new ball. Had some unlucky decisions throughout the year probably costing him a few runs. His bowling was also very good picking up some helpful wickets.

Batting	:	133 runs @ 19
Bowling	:	7/67 from 21 overs

Brenton Lawson

Had an up and down season. Can bowl very well and fast which is why he made the Fleurieu North team. He has been unlucky and can get frustrated where he can bowl too short. His batting is technically correct and he just needs some self belief in his ability and the runs will come.

Batting	:	27 runs @ 3.8
Bowling	:	6/135 from 42 overs

Ben Pfeiffer

Very handy cricketer to have in the side. Capable of coming in at any stage and making runs or bowling and getting wickets. Was the only one of our team to make a 50 this season and did it with style. Took some good catches as well.

Batting	:	122 runs @ 20.3
Bowling	:	3/66 from 23 overs

James Pfeiffer

Only played 2 games this season but made an impact on both. Would have been good if he had played more.

Batting	:	2 runs @ 2
Bowling	:	1/19 from 4 overs

Dave Shubert

Dave was the quiet achiever with the bat this season. He opened for the last couple of games and did the job well making 24 in our final. He was always trying to do well and it showed. His bowling was handy and he was unlucky not to get more wickets.

Batting	:	110 runs @ 18.5
Bowling	:	3/69 from 25 overs

Craig Smith

Had a disappointing season for the quality player he is. He just needs to keep working on a few little things and he will have a long A grade career ahead of him.

Batting	:	46 runs @ 6.5
Bowling	:	5/124 from 36 overs

Nick Turner

Opened the batting for most of the season but looked a bit lost. His bowling was consistent all year and it was a pity not to give him more overs. A little more confidence and he will go a long way.

Batting	:	48 runs @ 6
Bowling	:	7/79 from 31 overs

Jake Truswell

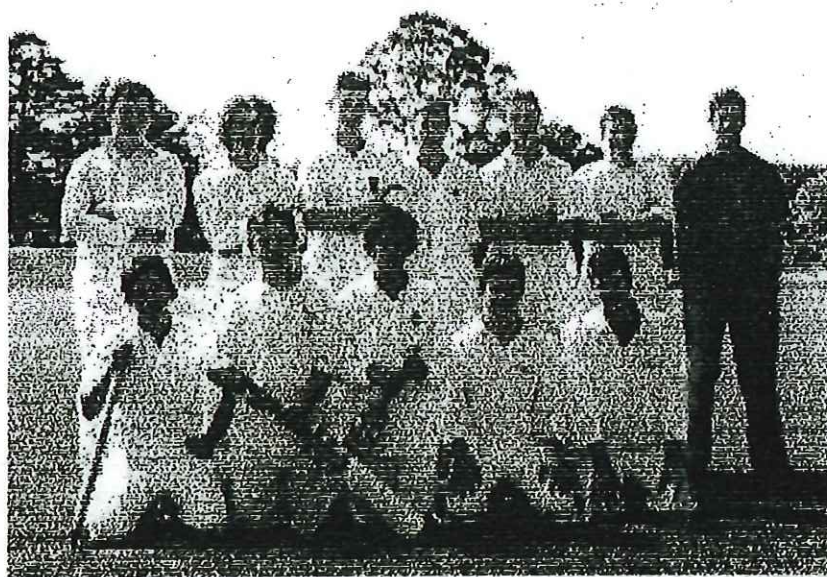

Filled in for a game from U/14's and did really well. Should have a good year next year.

Batting	:	4 runs @ 4
Bowling	:	1/4 from 4 overs

Nathan Wright

Only played a couple of games did well when playing. Only player not to get out for the season.

Batting	:	6 not out

2003/2004**

JUNIOR REPORT 2003-2004

The season is drawing to a conclusion with Grandfinals being played this weekend. The Woodside Warriors Junior cricket teams have once again excelled with their achievements over the summer. Success is not necessarily measured in winning or losing, but more in the improvement and enjoyment children can take out of the season. The Woodside Cricket Club strives to allow players to learn the skills of the game to the best of their ability while making the experience enjoyable.

The Woodside Cricket Club continues to develop junior cricketers with over 55 players from ages 5 up to 16 years playing each week. Teams were entered in U/10, U/12, U/14, & U/16 grades, the team reports are included later in this report. Team highlights were the U/14 team finishing minor premier and are through to the final against Gumeracha this weekend and we wish them luck. The U/16's finished the minor round in fourth place on the premier-ship table but were unfortunately defeated in the semi-final against Kersbrook by three runs in a thriller.

The continued success of the club requires people to put their hands up for various jobs, coaches, umpires, scorers. Thank you to those people who did help out this season in some way, and to those who didn't please consider helping in the future as the club needs support to succeed. In these busy times volunteers are greatly needed and appreciated to ensure the clubs survival.

Team coaches were this season

U/16 Rhys Dutschke

U/14 Peter Kain

U/12 Graeme Hemsley

U/10 Shane Harris, Allan Druwitt, Andrew Skinner, Michelle Hill

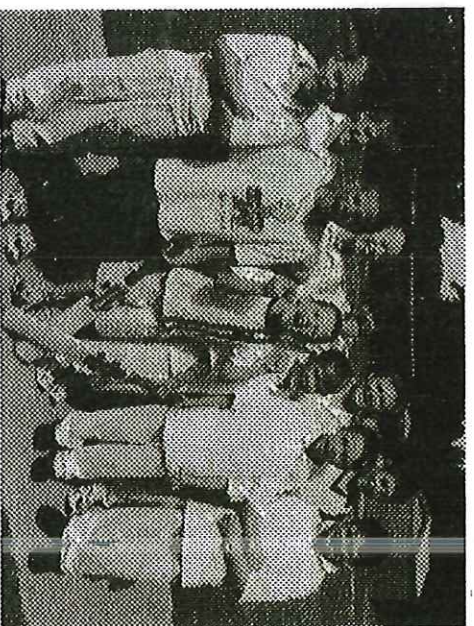

Several individuals have achieved personal success this season. In the U/16 the Fleunie Nth side which won the carnival, was Brenton Lawson. The Torrens Valley representatives were Matt Bascheria, Luke Aufderheide and Brenton Lawson. The U/14's Fleunie North representatives were Bruce Kain and Jake Truswell with the Torrens Valley members being Bruce Kain and Vinnie Kain.

I would like to take this opportunity to thank everyone that has helped during the season. Special thanks to President 'BJ' Druwitt for his tireless effort once again and also committee members, Peter Johns, Graeme Hemsley and Greg Bascheria for their efforts behind the scenes, makin sure cricket at Woodside runs smoothly. Our aim as a club is to provide good facilities for children to enjoy the game of cricket for many years to come. The Lions Club of Onkaparinga have supported the club with \$500 for junior equipment, enabling us to keep fees as low as possible while improving our equipment. We hope to see all of you again next season.

Jim Hennessy (Junior Coordinator)

WOODSIDE CRICKET CLUB UNDER 10's 2003 / 2004

Team Profile

The Woodside Warriors Under 10's had a great season, with a really young team, the enthusiasm of all the kids was great to see and their improvement from the start to the end of the season was a highlight. The improvement can be seen with the way they began to value their wicket when batting and the improvement in fielding and not bowling wides. They played well together as a team, and with their improvement winning over half their games, while always remaining competitive, all goes well for the future of Woodside cricket.

Cameron Dunn

The team veteran, great all rounder, scored 126 runs for the season. Average 31.6 Bowling, 5 wickets for 105.

Sam Memmler

Sam is a good team player, his batting and bowling improved this season, was the teams second wicket taker. Sam scored 115 runs. Bowling 6 wickets.

Dean Huddly

Dean's game has improved all year, great fielder, consistent bowler and teams top scorer. Batting, 138 runs. Bowling 4 wickets for 136

William Pratt

Consistent team player, skills improving during the season, batted well only out twice for the season. Batting 90 runs. Bowling 1 wicket

Robert Pratt

Consistent with batting, improving with each game. Bowled well with accuracy. Batting 49 runs. Bowling 3 wickets.

Aaron Blows

A great cricketer in the making, batted well only out once in season. Top team wicket taker. Batting 64 runs. Bowling 6 wickets.

Bradley Jones

First season player, hits the ball well and has made rapid improvement in his games. Batting 83 runs Bowling 4 wickets.

James Gray

A good little cricketer, scoring runs regularly, good technique, fine fielder. Batting 80 runs Bowling 4 wickets

Shane Druwitt

Shane's cricket is really on the improve, his bowling is gaining in confidence as is his batting and fielding. Batting 67 runs Bowling 1 wicket.

Thomas Skinner

Thomas only played until Xmas, but is a fine stickler of the ball. Good future. Batting 52 runs Bowling 2 wickets

Ryan Hill

Ryan has a good technique, accurate bowler who has improved in his first season of cricket, and taken some good catches. Batting 61 Bowling 5 wickets

Joshua Harris

Joshua is one of the youngest players but what he lacks in experience he makes up in enthusiasm. Hits the ball very well for someone so young. Batting 54 runs Bowling 2 wickets.

Jesse Hopgood

Jesse played the last few games of the season, his batting and hand eye co-ordination looks like he has a fine future in cricket. Batting 9 runs.

The under 10's had other players during the season, Brendon Huddy, Jeremy Druwitt, Nick Fuchs. 'Have A Go' on Wednesday nights was popular with Emily Gelzinis, Jeremy Druwitt, Jaidon Hill joining with the other U/10's in a fun environment.

The team had great parent support, thank you to parents who helped umpire, coach or scored each week. Andrew Skinner, Shane Harris, Allan Druwitt, Michelle Hill

UNDER 12 REPORT

I wish to thank the Under 12 team for their efforts over this season.

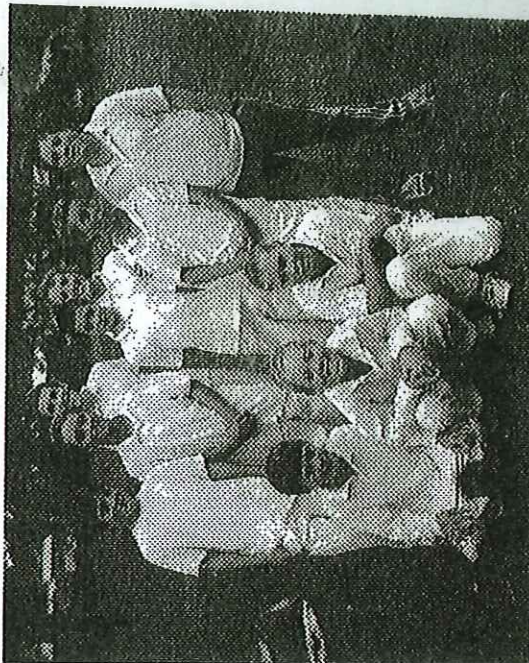

It has been a pleasure to be involved with a group of young people who were supportive, encouraging and who were so keen on their cricket. The Under 12's is a transition team where the players move up to a more adult version of the game. As coach, it has been my aim to give them the confidence to try new things, to develop their skills and strive to improve.

The result of this has been a team that is enthusiastic and which has shown phenomenal development. If they stay together next year, and continue to progress at the same rate, they will be "awesome".

I am sure that the team would all join with me in thanking all of the parents who have been involved. We have been particularly lucky to have so many parents to help and I would like to thank Stewart Fuchs, Harry Gelzinis, Kevin Ward, Pete Minear, Glynnis Gelzinis and Deb Fuchs. We would also like to thank the Club and the Junior Co-Ordinator, Jim Hennessy.

I congratulate everyone on a good year and look forward to seeing everyone playing cricket again next year.

Coach:- Graeme Hemsley

Back Row: Sandy Potter, Zac Minear. Middle Row: Lachlie Peter, Heath Stewart, Gilbert Ward, Wyatt Stewart, Will Gloster. Front Row: Nicholas Fuchs, Nicholas Hemsley, Kirri-ann Fuchs. Absent: Adam Gelzinis

Under 12's (cont.)

KIRRI-ANN FUCHS Runs 40 Wickets 4 Catches 3
If there was one word to describe Kirri-Ann it would be "enthusiastic". This has been a consolidation year for her. She has been one of the leaders of the team and I expect to see her progress to bigger things next year.

Feature 17 n.o. against Birdwood at Birdwood when we were 5/11

NICHOLAS FUCHS Runs 3 Wickets 3 Catches 0

Although Nicholas had his 9th birthday just after the end of the season, he has already stamped himself as an U12 player. His bowling improved and he is one of three or four of the more technically correct batsmen. Nicholas has shown extraordinary progress and has been a pleasure to coach.

Feature 2/2 against Birdwood at Woodside

ADAM GELZINIS Runs 7 Wickets 2 Catches 0

Over the season, Adam's bowling has developed to the point where he is one of our better bowlers. While needing to be more confident when batting, he has a gritty determination to succeed which will ultimately see him as a stubborn batsman who is very hard to dislodge.

Feature 6 stubborn runs against Paracombe at Woodside in an innings that went for almost 10 overs.

WILL GLOSTER Runs 0 Wickets 1 Catches 0

Will is a pleasant well-mannered young man who just wanted to have a try in the nets and who found that when you "have a go", you can do all sorts of things.

Feature Having a bat against Lobethal at Lobethal Lutheran.

NICHOLAS HEMSLEY Runs 35 Wickets 12 Catches 3

Nicholas has put in many hours of practice and wants to be the best. The result has been a real improvement in every aspect of his game, in particular his fielding and bowling where he returned the best figures in the team.

Feature Being "not out" in each of his last four games.

ZAC MINEAR Runs 36 Wickets 3 Catches 3

Zac is another who has put in a lot of practice and has shown the results. A deceptively quick bowler & a much improved fielder his main feature is his strong batting.

Feature A hard straight hit that went so fast that the umpire at the other end fell over trying to avoid it (Woodside v Lobethal at Woodside).

LOCHIE PETER Runs 34 Wickets 9 Catches 7

Lochie is an excellent young player who has a good eye and is a natural sports-person. There is no facet of the game at which he does not excel and as one of the leaders of the team, he has the capacity to influence others positively.

Feature An unwilling first drop at Lobethal Lutheran against Lobethal where he scored 14.

SANDY POTTER Runs 1 Wickets 2 Catches 0

Sandy has found the transition to the hard ball game difficult. He is enthusiastic and has also put in a lot of additional work. He has seen the reward for that work with a wicket in each of his last two games.

Feature Hitting his first run (at Lobethal Lutheran against Lobethal) and being so surprised that he forgot to run.

HEATH STEWART Runs 15 Wickets 3 Catches 2

Heath has had an unlucky year that has meant that he has not shown us his full potential. A better bowler than batsman, I am confident that Heath will return next year, ready to show just how good he can be.

Feature Holding a very hard catch at Woodside against Birdwood which re-moved their star player but which badly bruised his thumb.

WYATT STEWART Runs 28 Wickets 4 Catches 1

Wyatt has been an eager member of the team. He has had a good year, with a noticeable improvement in his all round play towards the end of the year. A feature of his play is his batting and he obviously enjoys that role.

Feature 16 not out against Eden Valley at Eden Valley.

GILBERT WARD Runs 59 Wickets 5 Catches 3

Gilbert regularly opens the batting and the bowling. He is the complete cricketer. He does all of these things with a good humour and has been a real pleasure to coach.

Feature 18 not out against Lobethal at Lobethal Lutheran.

ANDY NORTON Runs 48 Wickets 2 Catches 2

BEN SKINNER Runs 3 Wickets 3 Catches 3

ROSIE HEMSLEY Runs 14 Wickets 1 Catches 1

UNDER 14

Back Row : Craig Massner, Tim Satchell, Jake Truswell, Coach, Peter Kain, Jesse Van der Veen, Phil Turner.

Front Row: Vinnie Kain, Andrew Kirwin, Bruce Kain, Lachlan Stuckey, Maddy McPeake, Matthew Eaton. Absent, Rosie Hemsley.

We started this season with 7 players, it definitely appeared as though competing against the top sides was going to be very tough. Finals cricket looked out of reach. Over the next month we gained 5 more players and with a full compliment began to make our mark. This season was made even more interesting given we played against both TVCA sides and teams from HCA as well. In all games we not only improved but played good team cricket to a very high standard. Many thanks to Steve Van-der Veen for scoring throughout the season, to BJ and Jim, thankyou for your continued input into junior cricket at our club.

To our Under 14's thankyou all for your efforts throughout the season, I am very much looking forward to watching you all in a well earned Grand Final spot, one in which I am sure we can do well. Best of luck in the finals. Peter Kain Coach

Bruce Kain

A stellar season, his first as skipper, always does his best and leads from the front. A terrific season where Bruce also captained our TVCA association side and was vice captain for Fleurieu North representing our region in the SACA country cup, a premiership would make it a great one.

Runs 328 Wickets 11 Catches 8

Jake Truswell

Opened the batting and bowling for most of the season and did both with distinction. Represented Fleurieu North and was co-vice captain Of our side. Will do well in under 16's next year, a major role beckons in our chase for the flag.

Runs 305 Wickets 4 Catches 3

Andrew Kirwan

A very welcome addition to our club. An energetic cricketer who gives 100 percent. Very consistent in all areas, some great work in the field and trains hard always. As co-vice captain showed the way with excellent leadership and athleticism. Top effort.

Runs 186 Wickets 4 Catches 4

Lachlan Stuckey

Joined us in round 4 and has become a vital cog in our wheel. A class act who can really turn a game, looking forward to watching Lock under finals pressure. A high impact player.

Runs 250 Wickets 4 Catches 1

Jesse Van-der Veen

Considering this was his first summer, Jesse made a huge improvement in all areas of the game. Went from a novice to become a consistent, reliable member of our team in one season. Well done mate.

Runs 121 Wickets 8 Catches 4

Vinny Kain

As the youngest member of our team, Vinny acquitted himself very well. A good all round performance rewarded with dual SAPSASA selection this summer, the second trip away as vice captain, also played TVCA association cricket. Will play a more senior role next year.

Runs 77 Wickets 8 Catches 3

Craig Massner

Craig has become a consistent performer and with hard work has improved his bowling to a level where I feel sure he will bowl "early" next year and with continued work will become a very good senior cricketer with our club.

Runs 36 Wickets 8 Catches 2

Tim Satchell

Always gives 100 percent, would be the quickest runner between the wickets in the side, and has claimed wickets at vital times this summer. Tim's experience will be very helpful on grand final day, looking forward to his continued involvement with our club.

Runs 26 Wickets 8 Catches -

Phil Turner

Phil started his cricket career in round 5 this season. A good listener and hard worker, rapid improvement has seen Phil become an important part of our side, always does the team things. Hopefully a long and happy career has begun with W.C.C. A pleasure to coach.

Runs 23 Wickets 4 Catches 2

Phil Turner

Phil started his cricket career in round 5 this season. A good listener and hard worker, rapid improvement has seen Phil become an important part of our side, always does the team things. Hopefully a long and happy career has begun with W.C.C. A pleasure to coach.

Runs 23 Wickets 4 Catches 2

Maddy Mc Peake

Began in round 3, Maddy is a hard working tough competitor who puts in at training and has been rewarded with having a consistent impact in games. Polled fielding votes in three games (awarded each week by opposition coach). Always has the teams best interest at heart, gives her all.

Runs 9 Wickets 2 Catches 1

Rosie Hemsley

With limited opportunities Rosies contribution to our side has been significant, in particular with the ball. Look forward to following her progress as she continues with her cricket. As coach I am confident in giving Rosie the tough tasks in cricket. Keep it up.

Runs 6 Wickets 7 Catches -

Matthew Eaton

Although Matt has missed a lot of cricket this summer, he has however put in at training which should put him in good stead for next season. Matts caught and bowled against Onkas a real highlight.

Runs 7 Wickets 3 Catches 1
