

STEVEN HAHESY

Steven was an outstanding junior cricketer for the club, played some cricket at Prospect and then returned to be a vital member of the second premiership where he made 56 not out batting at no7. After this season he worked himself into the No4 position where he played many fine innings for Woodside. He also was a very handy swing bowler and a very good slip/gully fieldsman. During his time at Woodside he captained the "A" Grade to a Grand Final. He scored 2800 plus runs and took 117 wickets.

ADRIAN REYNOLDS

Adrian was the inaugural winner of the association wicketkeeping trophy. His glovework was outstanding and he made some very solid contributions with the bat down in the lower order. Muffy was a member of the A2 premiership when the club won 3 out of 4 senior premierships.

MATT DAVIS

Matt was an outstanding junior cricketer. He worked very hard at his game to make the No3 position his own. He was part of the record partnership for the club with Michael Wescombe. He has scored over 5500 runs for the club. He was an outstanding fieldsman who won the association fielding trophy and also a handy medium bowler. He is also a past captain of the club.

CRAIG MEDLOW

Craig was an outstanding junior cricketer. He worked on his game to represent association and zone as wicketkeeper. He won the association wicketkeeping trophy on 2 occasions. His left handed batting was always swashbuckling and he has made over 3800 runs for the club. He has also captained the "A" Grade as well as coaching the club for one season.

MICHAEL BOHMER

Big M came to the club as a cricketer of lower grade standard, but he showed his real ability by becoming the spearhead of the attack for the 3rd premiership. His left arm swing bowling from great heights gained over 200 wickets for the club. His batting to say the least was entertaining and he made the square leg position his own when fielding.

MICHAEL KLOSE

Michael followed his father into spin bowling department but bowled left arm orthodox spin. Michael showed in a couple of full "A" Grade seasons what potential he had as a spinner. Unfortunately his employment took him to places where cricket was not on the agenda. In his short senior career Michael took over 200 wickets for the club.

GRAEME JOHNS

Graeme did not start playing for the club until he was around the 40 mark. In the seasons that he played he really was a fierce competitor- had that fast bowler temperament. He was consistently one of the better bowlers- worked hard at bowling the right line. He played an important part in the 3rd premiership and all at the game will remember the outstanding catch at 2nd slip. Graeme took 130 wickets for the club.

ADAM CLAY

Adam as the opening batsman was one of the strengths of the clubs 3rd premiership. Adam is a player who values his wicket and during a number of stints at Woodside has scored over 1400 runs. He also is a very good gully fielder and who rarely dropped a catch in that premiership season.

STUART KENNY

Stuart gave Woodside many years of fine service and was rewarded with the captaincy in his last year at the club. Stuart was a very good medium pace bowler who also could make handy runs. The last "A" Grade premiership was Stuart's best year with the ball and he finished that season with 4 wickets in the Grand Final.

TIM JOHNS

Tim began his senior cricket career as a medium pace bowler that could make a few runs in the lower order. He worked at improving his batting and in his final season opened the batting. This was the season of the 3rd "A" Grade premiership and Tim was one of the main reasons that the team achieved the honours. He represented the associations at U/21 level.

DARREN MACKENZIE

Darren was one of the most skilled batsman to play for the club. He was effortless in making between 20-40 but was unable to achieve the scores his ability deserved. He captained the club and showed his cricketing knowledge as well as later on coaching the club.

MICHAEL WESCOMBE

Michael was one of the cleanest strikers of the ball you would ever want to see. Michael batted in a number of positions for the club but it was as an opening batsman that he really starred. He holds the individual record score of 250 as well as the partnership record. As well as his batting Michael was a more than handy medium pace bowler as well as an outstanding fielder.

NICK JOHNS

Nick has been a member of the club for the best part of 20 seasons as a junior/senior apart from a season in Alice Springs. Nick is now captain of the "A" Grade and his batting is now his forte. His lusty hitting has thrilled many a spectator and he has won games by taking the oppositions attack apart with his range of shots. Nick is also a very useful slip fieldsman. He has represented the association at senior level.

MATT JOHNSTON

Matt began his "A" grade career as a stylish lefthanded bat. He has maintained that but has added to the ability to open the bowling. He has become one of the keys to this current "A" Grade side with this all round ability. His bating has rewarded him with senior association section. Matt has also captained the club.

AARON GALVIN

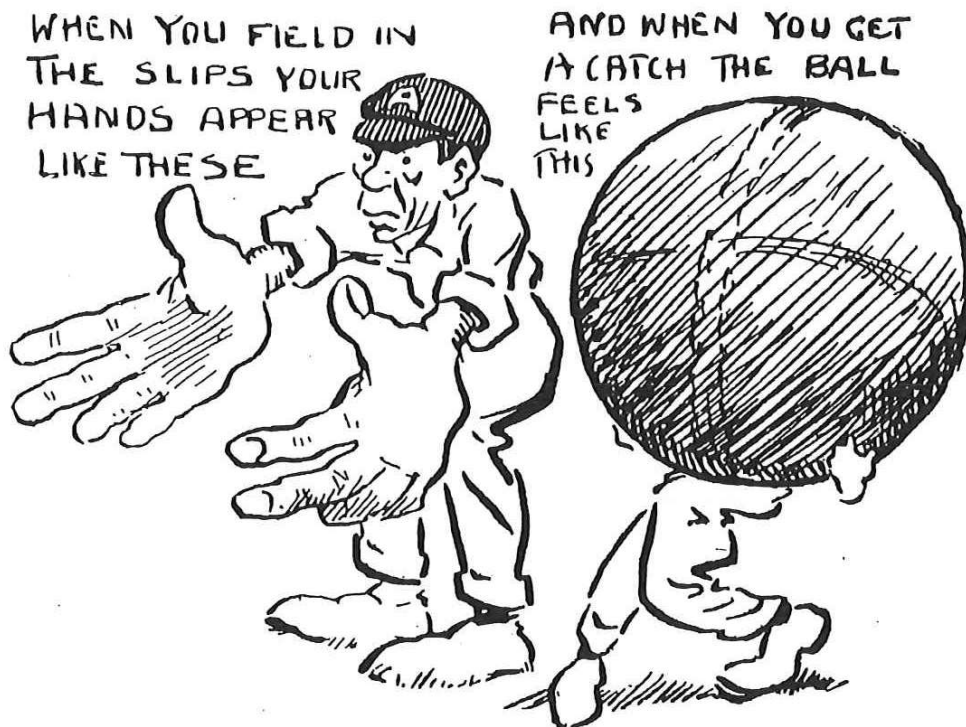

Aaron for a lad that started his cricket career at 16 has come a long way in a short time. With his fast bowling he spearheaded the "A" Grade attack for a number of seasons being rewarded with association selection as well as zone selection. He has gone on from Woodside to play his first "A" Grade game for Sturt in Grade cricket this season. Aaron has taken 125 wickets for the club.

DAVID WESCOMBE

David has developed into an outstanding all rounder for the club. This can be seen by him winning the Geoff Hill memorial Cricketer of the year on a number of occasions. David is a fine striker of the ball and his lefthanded batting has flayed many attacks. He has developed into a very good medium pace bowler and as well as being an outstanding fieldsman.

GRAHAM MEDLOW

Graham leads the club for the number of runs scored as well as "A" grade centuries. He captained the side for numerous years and captained the first 3 "A" Grade premierships. He has also captained the association to a Myer Shield win as well as representing the Zone.

MEMORIES OF A PRESIDENT

The Woodside Cricket Club has now been reformed for 25 years. In that time it has grown from a club of 2 senior teams and one under 15 to be one of the strongest clubs of the Torrens Valley Cricket Association.

Over the years the club which started with the Woodside Hotel as its home, to renting the now clubrooms from the Stirling Soccer Club, then gaining the clubrooms in their own rights and now being a licensed club- an incredible journey for just a cricket club.

The match and practice facilities have undergone an enormous change. The team started with no nets and an oval that had a short boundary on the clubroom side. When the club started to grow we even looked at the old Charleston oval before using the oval at the army camp and now with the main oval being a real cricket oval and the Gale oval perfect for junior cricket the club has its teams when playing at home at one venue. The club took time to be able to afford nets – so we trained on the centre wicket then used temporary nets at the Army Camp before building 3 nets at Woodside. This has since been extended to 5 nets making these the best training facilities in the area. Also the club in the 90's purchased a bowling machine.

The most important part of any club and especially the Woodside Cricket Club has been the people that have made the club what it is today. Let's take a journey down memory lane.

MEDLOW FAMILY

Graham was a member of the 1st 'A' Grade team to represent the reformed Woodside. Graham became President of the club in 1983 and soon established a band of willing helpers to assist. One of this band was his wife Sue. Her assistance initially was behind the scenes while raising Annette and Craig, but increased quickly as the two youngsters became devoted cricket and Woodside Club followers. Much of this came from the many test matches with the Davis, Johns and Klose children. Graham cast his influence on and off the field with many credible performances with the bat, ball and gloves as well as his leadership of successful teams over the years. A man of vision Graham initiated the TVCA junior competitions as well as having the club a place to call home. At the clubrooms Sue was the leader of the band in improving the amenities and by providing meals for the many senior and junior players and their families who gathered at the clubrooms to celebrate or commiserate on the endeavours of the day. Annette and Craig along with Matt Davis began coaching junior teams resulting in both Under 14 teams playing off in a Grand Final. Craig was junior co-ordinator as well as coaching premierships junior teams, he coached Fleurieu North U/16 teams (2 winning carnival teams) as well as captaining the 'A' Grade. Sue was treasurer of the club for many years. Graham continued as President while he had other roles including President of the TVCA, Regional Country Co-ordinator for SACA as well as player and junior coach. Over the years the Medlow house has always been a second home for players for a feed, a bed and a chat about lives and cricket. Their influence on the club during these first 25 years is a credit to their endeavours as a family who is readily acknowledged by all who know them. With Graham assisting with training and mentoring players, grand-daughter Taylor playing

Have-a Go and Craig contemplating a twilight return to Woodside may their influence continue for many years.

HAHESY FAMILY

Bob was a member of the first "A" Grade team. Bob opened the bowling with Duane Ireland that particular game. Bob also coached the colts in the first season and for many more seasons. Bob was captain of the "B" grade when they won the clubs 1st senior premiership. Throughout his career Bob was on the committee of the club and committed to improving junior cricket. His wife Barbara contributed in many ways to the club. The club ran trading tables in the early years and a lot of the produce on those tables came from the Haahesy household. Steven, Brendan and Danny all played cricket at both junior and seniors for the club. Steven represented the association at junior and senior, captained the club, played in 2nd "A" Grade premiership teams and is a very gifted cricketer. Brendan represented the association at junior level. Danny was a member of the first junior premiership.

GALE FAMILY

Robert or "Bill" as he prefers to be known has contributed more than most to the success of the Woodside Cricket Club through his off field exploits. Bill as a cricketer was best known as "stonewall Jackson" and he does hold the record of batting more overs than accumulating runs. Bill was the 2nd president of the club but it's his work on the oval that has enabled the club to become some much stronger. Bill designed and facilitated through council the watering system and the second oval which was named after his family. Bill's efforts were also required when the second oval was enlarged making it the best cricket oval in the association. His work continues today as councillor and through the recreation ground committee. His wife, Jan in the early years was a major fundraiser for the club and her efforts enabled the club to move forward much quicker than it normally would have.

PETER JOHNS FAMILY

Peter is the longest serving committee person of the club. Peter's record as a player pales into insignificance in comparison to his administration work. Peter has spent many years promoting junior sport and it is through his efforts that Torrens Valley now has a junior program equal to any country association in South Australia. Peter's work in junior cricket with Woodside, Torrens Valley, Fleurieu North and schools has been outstanding. His efforts with the scores for the club and gaining access to the "Courier" for junior cricket has promoted the sport to many people. Tim has represented the association at underage level and played in the 3rd senior premiership. He also spent a number of seasons as secretary of the club. Nick the current "A" Grade skipper has represented the association at both senior and junior level and was a member of the 1st junior premiership. Nick has spent a number of years on the committee including the very active social committee in the 90's

PAT NESBIT

Pat was a member of the 1st "A" Grade team-also a member of the 1st "A" Grade premiership team. He was the 1st secretary of the club and laid the foundation for all hard working secretaries. Pat was the first barperson; he made great profits and ran some unusual closing times while in charge. Pat will also be remembered for his after dark activities as well as his speech at the 10 year reunion.

DUANE IRELAND

Duane was a member of the first "A" Grade team as well as the first 2 "A" Grade premierships. Duane later captained the club as well as representing the club at underage and senior level. He served on the committee for many seasons and also will be remembered for some after dark activities.

RICK HILL FAMILY

Rick is the only player to have played 25 seasons of cricket with Woodside. Rick played in the first "A" Grade team and now has 2 premierships and one "A2" premiership. Rick has represented the association at Underage and senior cricket. Rick has served in varying roles on the committee and at the moment is a member of the junior committee. His record of red ink will probably never be beaten and could be a record in country cricket. Michelle has been in the background but has helped with teas and any major fundraising events. Ryan and Jayden now play junior cricket and will keep the Hill family involved for a few more seasons. Also part of the Hill family we should mention Geoff, Rick's father, who loved his cricket and was the first practice manager that the club had – a sad loss.

BILL OLIVER

Bill contributed an enormous amount to the club for a person that lived at West Lakes. Bill played in the first season after being conned by John Luker. His record of 3 "A" Grade premierships- numerous bowling trophies, numerous cricketer of the year awards are testament to his skill as a cricketer. He also represented the association at senior level. Bill was also known for his love of hitting sixes and during his time hit many and eventually scored that elusive century for the Club

STEPHEN THOMAS

Stephen came to the club late a season and by the start of the next had already scored the name "Cadburys". He was a real contributor to the club- firstly as a player where he spent many a season captaining the "A2" side and also groundsman. The biggest disappointment to Cadburys was the failure to capture that premiership as A2 captain; but that was really all he failed to do in his time at Woodside. He was also one of those players that were active after dark.

WAYNE WEIDENHOFER

After a number of years playing with Onkas, Wayne decide it was time to play for a real cricket club. Wayne played significant roles in 2 "A" Grade premierships and a "B" Grade premiership. Apart from his playing ability Wayne was a very good secretary, junior coach and worker for the club. His partnership with Pat Nesbit was formed and the activities of those two could fill a book – especially for a local policeman.

DAVID CATHRO

David played a vital role in our early years. He was one of the elder statesmen both on and off the field. David batted No3 in the first "A" Grade premiership. His efforts as treasurer set the scene for this club to be one of the most financial in the area. No one at the time will forget Dave's ability to coach batting with a broom.

BOB McCULLOCH/JOHN LUKER.

It is important to combine these 2 players. They made the "B" Grade teams competitive and along the way won premierships. Bob captained for a number of years and served on the committees as well as one year as President. John hailed from Glenelg and won numerous bowling trophies in the lower grades.

GRAEME JOHNS FAMILY

Graeme started his career at Woodside after Courtney convinced him there were older people than him playing "A" Grade. Graeme became an active member of the committee and a player of real quality. Graeme played in the 3rd "A" Grade premiership. He was vice-president and chairman of the junior committee while on the committee. His work at junior level was outstanding as was his work at Torrens Valley, Fleurieu North and SACA level. Courtney played both junior and senior cricket. He was an association representative at junior level as well as captaining Fleurieu North at an Under 16 country championship. He played 3 seasons of U16 Fleurieu North cricket with a record of 11 wins from 12 matches. He was also a member of premiership teams for Woodside at U14 and U16 level. Shannon and Lauren were active members of the social committee in the 90's while Jill assisted with teas every Saturday night.

JAMES FAMILY

Peter and Margaret while together, worked tirelessly for junior cricket at Woodside. Peter apart from this also umpired senior cricket and spent a reasonable amount of time at the bar. Margaret coached the U10's and was always there to assist at higher levels. Brock was an outstanding junior cricketer and was captain of both association and Fleurieu North U16 teams. Brock captained a winning U16 premiership team while Gareth was a member of successful U14 teams.

MICK MOLLER

Mick joined the committee as bar manager for a period of 2 years. Mick taught us how to run a professional bar and when and where to buy- he turned our bar profit up by 100%. In ensuing years this continued under other bar managers setting the club up to be even stronger financially. Unfortunately Mick is no longer with us and his final farewell was held in the Woodside clubrooms.

WESCOMBE FAMILY

Doug has given this club great service as a cricketer and committee person. Doug captained lower grade teams and was a successful captain and played in the last A2 premiership team. Doug worked on the committee has covered the areas of equipment and groundsman- in both of these positions he has done excellent jobs as can be seen by the conditions of the ovals. Michael played senior cricket and represented the association at underage and senior level. He holds the club record score of 250 and was an outstanding cricketer. Dave played junior cricket and represented the association and Fleurieu North. He also played in 3 U/16 premiership teams. His efforts at senior level has now seen him win the Geoff Hill Cricketer of the year trophy on several occasions and he has taken a hat trick at "A" Grade level as well as scoring centuries.

BJ DRUWITT

B.J. has played all grades for the club and is captain of the last A2 premiership team. As a committee member BJ has filled many positions as well as being president for a number of seasons. He has taken over the statistics of the club and his efforts in this area are outstanding-BJ has scored many centuries for the club. He will by the end of his career be the leading run getter for the club. He has been joined by his brother A.J., who is now starting to make a name for himself in his own right.

HOLLITT FAMILY

Trevor was the first president of the club. He came back to the club late in the 80's and played in a "B" Grade premiership team. Kym his son played in the first "A" grade team and top scored with 70. He played over 150 senior games for the club and captained many teams at "B" grade level. Kym's two sons Ben and Matt have played senior cricket for the club including the last "A2" premiership team. They are the only family to have 3 generations play for the club.

CEDRIC ROWLANDS

Cedric has given many years of service to the club as a player, coach of junior teams and committee person. Cedy has captained the "A" grade as well as scoring many fine runs for the club. He has also served as president for 2 years. The biggest contribution from Cedy came when he convinced a person of the club to confess that they were taking money from the club. That night was the real beginning of this club becoming bigger and stronger.

LANGBEIN FAMILY

Langbein seniors have been major sponsors of the club for many seasons. Their sons, Darryl, Jeff and Paul have all played cricket for Woodside at either senior or junior level. Darryl played a number of A Grade games as a very handy all rounder – lusty left hand bat and right arm medium pace bowler. Jeff played 'A2' this season as their opening bowler. He was a member of the last 'A2' premiership team. Paul was a very handy junior cricketer. The family were very involved in the widening of the main oval – their efforts have certainly helped in making this oval the best cricket ground in the area.

BASCHIERA FAMILY

Greg has served the club as a very good lower grade cricketer and as a committee person. He certainly knows how to handle a cricket bat and sets an excellent role model. Greg has also handled the duty of bar manager for a few seasons and again set high standards. His sons Matt and Chris are both cricketers of great promise. Chris is currently playing 'A' Grade as a first change bowler and this season took 7 wickets against Birdwood. Matt has also played 'A' Grade and shows real promise as a medium pace bowler. They are both outstanding fieldsmen.

HEMSLEY FAMILY

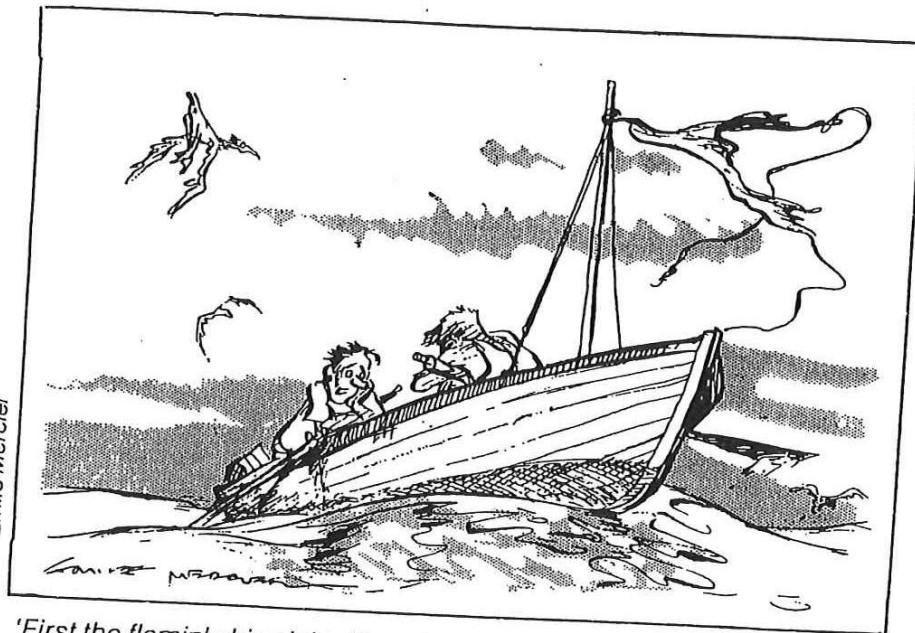

Graeme has served the club as treasurer for the last 5 seasons as well as the last 4 seasons as secretary. That in its self is a great effort but his efforts in major projects has also been outstanding. As well he has played 'B' Grade for a number of seasons one as captain. He began coaching an under ten team ten years ago and went on to form an all girls Under 12 team. His children Lachlan, Nick and Rosie have played junior cricket for the club with Lachlan and Nick now playing senior cricket with their

father. Nick is currently captain of the U/14s and Rosie is still one of only two players who have represented the state while playing for the Club. All the family have served the club in many facets and I am sure we have not seen the end of their contribution to the club.

HENNESSEY FAMILY

The family through their business 'Mobil Woodside' have been major sponsors of the club for a decade. Jim's contribution to the club has been outstanding – president for 2 seasons, junior co-ordinator for a number of seasons, junior coach of premierships teams, have-a-go organiser as well as a captain of a lower grade as well as a player. His son Michael has played in junior premierships teams as well as being a member of the current 'A' Grade team. This contribution could not have been achieved without the support of the family.

The contribution of these people has been outstanding but there have been numerous individuals and families that have contributed to making the Woodside Cricket Club one of the most successful clubs in the Fleurieu area.

Re-unions as we know are meant to be fun,
 Where and when we gather together as one,
 The past happy ten years has put Woodies on the map,
 Even if in their "wicket" they write a lot of crap.

I'm sure I'm no poet and I certainly know it,
 But I thought here tonight I'd give you a fright,
 By putting pen to paper in this little caper,
 And mention some people in a new light.

Cricket, 30 years ago is something of a haze,
 We played in dry paddocks for days upon days,
 Its Ok for you young bucks, you're all late arrivals,
 Those days we were worried when the ball struck our vitals.

Stories are told of a young Cyril Peacock,
 Of a wily Bill Templer and a young Trevor Hollitt,
 And of cunning Lionel King who's leggies were wrong-uns,
 Well, I've a true story about "old Linys" young-un.
 Twas said when the Loby ground opened "No sixes there would be hit"
 But young Jimmy surprised by doing his bit,
 He was first to do it and on the very first day,
 Yes ,it was Jimmy who showed the Woodies the way.

In those happy days, of cricket gone by,
 We needed to worry about snakes and cow dung...
 And then in a hurry,
 It was done to the pub in a hell of a scurry,
 For 6 o'clock closing, meant we drank in a flurry.

Yes, onto the scene came a robust Bob Bock,
 His aim was to get cricket back on the block,
 He captained 'his way' through thick and through thin,
 Some likened 'our Bockie' to the great Errol Flynn

With one trained ear stationed on the galloping neddies,
 The other was ready for upstaging ' smart Freddies'
 Late midnight meetings held from his closed pub,
 Can only be matched by those held down at the Club.

I'd like to make mention of a dear friend named Dave,
 Who's eyesight, I'm told made eating Weeties real grave,
 And of an old schoolmate you're Patron, Mr Drummy,
 Who enjoys it after cricket especially feeding that tummy.

And, of comical Bill Gale who, when he opens his mail,
 Has a quip for us all be we big or small,
 And makes us laugh, he never fails.

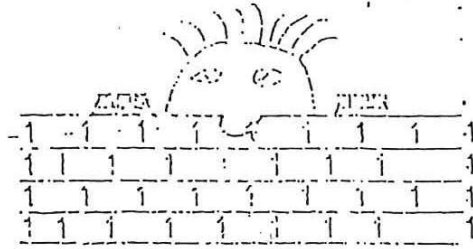

And of fast driving Bill who travels the freeway,
 Of calculating Duane, who has said, I'll do it my way,
 And of the Boss, Graham who will stay well in charge
 Despite the request to be relegated to Sarg.

Of a game Ricky Hill sidelined with that leg
 And of young spinner Albert who aims straight at the peg
 And its said of our Macca when he fell on his nacker
 By a young lad from Mannum who's a bit of a wacker
 "He's breaking down, He's breaking down,
 What a comment from a clown
 For when, that very same Macca put on his blue cappa
 That cheeky young chappa went zippity-zappa.....

To end this short story I can not hide
 I enjoy cricket company here at Woodside
 Where we all know this Club fills a spot with a pride

And when I might raise that finger of fate
 I'm only doing my job its never in hate
 So dont raise you're shackles or get too damned mad
 I'm answering an appeal that says 'Howzat Dad'

STONEWALL AT SQUARELEG

Pat came back from the bush to see us this year. Everytime he did, Natsha GALE went walkabout. Is there anything in the rumour.

Cricket must be an expensive game, just ask Mango and Cadbury what happened at Gumeracha a month ago. It appears Cadbury's car goes faster than Mango's. Rumour has it that the boys in blue caught them late for a game. Cadbury had the female friend on board and I don't think she was impressed or mum and dad.

Squareleg heard Grant PARKER is available for baby sitting. Tyrone had an accident at Gumeracha a couple of weeks ago. Guess who got a shower and clean clothes. Anybody looking for a baby sitter contact Grant.

It was too hot for 3 blokes on Saturday night so they decided to jump the swimming pool fence and take a skinny dip. A so called mate decided they were having too much fun, scaled the fence and pinched their clothes. 2 pairs of shorts don't go between 3 and approximately 1 hour later out of the darkness appeared 3 wet bodies. Andrew M and Gary A drew the long straws and guess who drew the short one. It was most embarrassing for the lad walking into the clubrooms with quite a few married women present to get his jeans.

As soon as he arrived from BOON Country he had the locals in trouble. Rumour has it that a certain A-2 cricketer got home in the early hours and woke the household up. He was so intoxicated that his mother put him on the lounge with abucket. A short time later he decided to go outside for a twinkle or whatever! A search party (Mother and Daughter) later found him down near the oval with his jock's in hand. It's along way to the toilet or was Cathy earby? Some mothersdo have them. Guess who was late for work.

After three flags the year before and one this year. Lets see everybody back next year with bigger and better efforts. Till next year, keep punching.

Beer Prayer

Our Beer,
Which art in barrels.
Hallowed be thy drink.
I will be drunk,
At home as it is in this Club.
Forgive us this day our daily spillages,
As we forgive those who spill against us.
For thine is the beer,
The Bitter and the Lager,
Forever and ever

TORRENS VALLEY CRICKET

Warriors celebrate 25th anniversary

Woodside Cricket Club took the opportunity to not only recognise its leading performers, but also celebrate the club's silver anniversary, during its annual presentation function last Saturday evening.

A crowd of about 120 people was in attendance at the Woodside Institute, with several past players travelling from interstate and country regions to mark the 25th season since Woodside's Warriors reformed following a lengthy recess of cricket in the town.

Torrens Valley Association president Kevin Coulter and secretary Colin Checker also attended, together with 15 of the Woodside club's 16 life members.

In a special highlight to mark the Warriors' milestone, a team featuring the best 11 players judged from the past 25 years was announced, with those members or representatives present receiving a commemorative bottle of wine, featuring the team displayed upon the label.

With nine of the 10 A-grade captains who have led the club in attendance, many reminiscent stories of the Warriors' history added to the occasion.

While past champions were honored, current leading lights within Warriors' ranks were also feted.

Dave Wescombe scored the major share of trophies for the A-grade team, taking out the batting award with 448 runs at an average of 40.73, and also securing bowling honors with 32 wickets at an average of 14.13.

On receiving the 'cricketer of the year' award for a fourth successive season, Wescombe made special reference to his preference of being part of a total team reward,

rather than individual success, reflecting on a 2006-07 campaign in which Woodside was among the A-grade pacesetters, before disappointingly losing a semifinal encounter against Cambral.

Wicketkeeper James Marshall was the recipient of the fielding award, while the A-grade 'most valuable player' trophy was bestowed upon past skipper Matt Johnston.

After taking out the association's A2-grade batting trophy, Brenton Druwitt was similarly awarded for the Woodside club, having made 572 runs, at an average of 52.

The bowling trophies were shared between Jake Trusswell (14 wickets at 18.07) and Jeff Langbein (14 wickets at 23.67).

Peter Middleton was named the best fieldsman, while Trusswell also claimed the Warriors' overall A2 'cricketer of the year' ranking.

Kevin Ward figured prominently in the B-grade seasonal awards, snaring the batting awards with 236 runs at 23.60, and also the bowling honors with 14 wickets at 33.85.

He was a standout nomination for the B-grade 'cricketer of the year' trophy, while Allan Druwitt was recipient of the fielding award.

Druwitt was also honored with the coveted Mick Moller Memorial Award, recognising his service to junior development within the Woodside club.

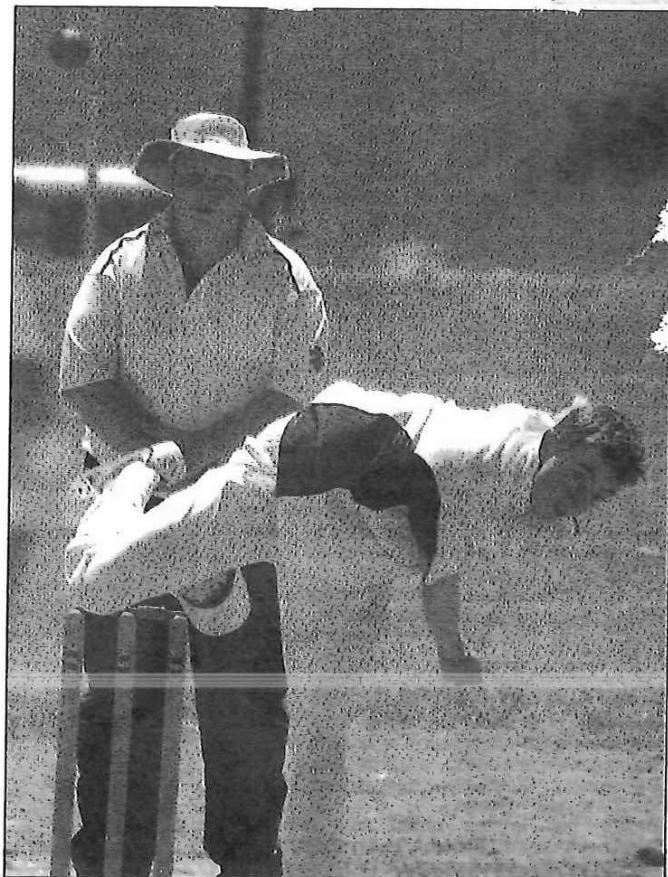

The Peter Johns Clubman Award was presented to Harry Gelzinis.

During the evening, two new life members were also inducted, with Annette Davis and Jim Hennessy being recognised for lengthy contributions to the Woodside club.

Promising young Woodside bowler Matt Baschiera loops down a delivery as the visiting Warriors battled to break through Gumeracha's second innings, in the conclusion to Round 4 Torrens Valley A-grade cricket at Gumeracha last Saturday. Baschiera emerged with 1/14 from his five overs. Gumeracha withstood a bid by the unbeaten Warriors to grab maximum points, by batting out the entire day's play with a determined effort. The visitors were forced to settle for the first innings points they had secured on the opening day.

TORRENS VALLEY CRICKET

Cambrai allrounder Greg Falkenberg has taken out the Torrens Valley Cricket Association's highest individual award, the Ken Hanna Trophy.

The award, which honors past Gumeracha champion player Ken Hanna, is annually presented to the A-grade 'cricketer of the year', based on umpires' votes.

Formerly presented at an end of season function, Torrens Valley officials opted for a change in format this year, with various awards presented at the grand final venues for the particular grades.

Falkenberg was presented with the 2006-07 Hanna award following his side's defeat at the hands of Lobethal in the A-grade final.

Despite losing the title-decider, Cambrai completed a rather successful season, rising from bottom spot last season to runner-up.

A large majority of the improved performances stemmed from the input of Falkenberg, who polled 18 votes to win the competition's highest individual award.

Falkenberg supplied consistent batting performances, while his penetrating bowling was a key element for Cambrai, also securing the A-grade bowling aggregate and average trophies.

The stocky Cambrai speedster claimed 46 wickets at an average of 8.73, over a season in which he was also a member of Torrens Valley's triumphant Meyer Shield challenge during January.

Paracombe's Simon Barnes capped off a noteworthy debut season in the competition, with the past Mt Lofty and Tea Tree Gully player taking out both batting awards, scoring an unmatched aggregate of 482 runs, at an average of 48.20.

Having been named as wicketkeeper in the Meyer Shield 'team of the carnival', Lobethal's Colin Hackett took out the Ken Oborn Trophy for a third successive time as the leading wicketkeeper.

Teenager Steve Huxter, who completed his first campaign in senior ranks by being a member of Lobethal's fourth successive A-grade premierships side, was the recipient of the Peter Vivian Plate as the best fieldsman.

Woodside's Dave Wescombe was presented with the annual ESANDA trophy as the best all-rounder, while Kersbrook captain Ashley MacDonald was announced as recipient of the Stephen Schultz Memorial trophy, having been judged the most valuable player in the Torrens Valley association's Meyer Shield campaign.

Darren Sharp, who played a major role in Kersbrook's A2-grade premierships victory, was named that grade's 'cricketer of the year' award winner, after topping the poll with 12 votes.

Sharp was also the winner of the major bowling accolades, having snared 29 wickets at 9.82.

Woodside's Brenton Druwitt also scored double spoils, taking out both the batting aggregate and average awards with 533 runs at 53.30, while Jay Zed from Lenswood was judged the best A2 fieldsman.

Gumeracha stalwart Michael Curley won the B-grade batting awards, after compiling 358 runs at an average of 44.70.

Ben Round of Mt Torrens claimed the bowling aggregate with 33 victims, while team-mate Jeff Low won the average award with 11.33.

Scott Hosking from Gumeracha was the recipient of the fielding trophy.

Junior awards

Scott Aufderheide from Lobethal received both Under 16 batting awards, having hit 246 runs at an average of 61.5.

Gumeracha players shared the bowling spoils, with Dylan Gilbert taking out the aggregate award with 11 wickets, while Thomas Symons snared the average rating with nine wickets at an impressive 4.8.

Matt Press from Eden Valley took out the fielding award.

Paracombe's Zeb Phillips took out the Under 14 batting aggregate trophy with a tally of 230 runs, while Ben Matthews of Lobethal won the average award with a remarkable 189 runs.

Hayden Conley of Woodside headed the bowling aggregate with 11 wickets, and Phillips crowned a good allround influence by winning the bowling average honors with 10 wickets at 4.9.

The best fieldsman trophy was won by Luke Hampton from Lobethal.

Woodside's Dave Wescombe was honored with the annual ESANDA trophy for best all-round performance in Torrens Valley A-grade cricket competition for the 2006-07 season.
