

## **B GRADE RED CAPTAINS REPORT 2010**

B Grade Red - The Season that was. 2009-2010

If only it was like English Premier League, finish Number One and you win the competition.

Well, it's the Torrens Valley Cricket Association and we came second.

However, I feel really good with the way our season went. We fielded a B Grade Team, in a B Grade Competition, with the exception of Matt Bash for three games.

Our Team goal at the start of the year was to play finals, which we achieved. Our other goals were to enjoy our cricket and enjoy each other's company. I think we achieved that as well.

I would like to thank all the players that contributed to the Red's fantastic season this year. Special thanks to the ever reliable Harry for his great job as Team Manager and to Gentleman Jim for his invaluable ideas and inspiration as Vice Captain.

The Red's dominated the competition. Three of the Top Five in the TVCA Batting were from the Red Team. Congratulations to Dipper for winning the TVCA Batting, Tim for Best Fielder in the Competition and Congratulations to Matt & Scotty, both in the top five of the Bowlers in the Competition. We also scored the most runs in the competition. But I think we would give that all up to have WON the flag. Next Year is a new start. Let's enjoy our cricket again.

The team would also like to thank all our club's supporters for coming and cheering us on at the Grand Final. Your Support was much appreciated. Sorry we couldn't bring home the win. To Mick thanks for all your help. We really enjoyed your input this season. Woodside is in good shape as a club so thanks to all the hard work that goes on around the club from the committee and volunteers.

Stephen Downs

## **Matthew Allen**

Matt was the team's big improver. This year his batting consistency was great to see, scoring nearly 400 runs in a great year with the bat. Matt was also one of our leading bowlers taking 30 wickets with good control when he kept the ball up to the batsman he was hard to score off. A great team contributor, good in the field but like the rest of us he does drop catches!

Runs: 374

Bowling 30 wickets for 481 runs

Catches 4

## **Scott Pittaway**

Scott's first season of senior cricket was a great success. His youth was much needed in a team with so much "experience". Scott's enthusiasm was great to see and his game continued to improve unlike many of his team mates. His pace bowling troubled all batsmen and taking 26 wickets in his first season is testament to that. Scott's batting may lack some technique but it is very effective with a great eye and power to match. His good fielding complements his game. We hope to see him back next year to watch his improvement.

Runs: 209

Bowling 26 wickets for 378 runs

Catches 8

## **Darren Faust**

Dipper had a fantastic season winning the TVCA batting trophy with 507 runs over the season. The season highlight was his 165 not out against Eden Valley. Opening the batting he helped get the team away to a good start and his consistency was one of the reasons the team finished the minor round on top of the table. Darren's bowling was hard to get away and like a good wine is getting better with age!

Runs: 507

Bowling 14 wickets for 269 runs

Catches 9

## **Steve Downs** (as written by Jim Hennessy)

Steve captained the team and had another excellent season scoring 346 runs. His leadership was evident in both finals, but his 49 against Paracombe in the semi finals was a stand out and his innings in the Grand Final gave the team a fighting chance. Steve needs to work on his co-ordination and his running between wickets but would be well satisfied with his season.

Runs: 346

Bowling 0 wickets for 2 runs (1 over too many)

Catches 3

## Harry Gelzinis

Harry's enthusiasm for the game is great to see and he can be pleased with his season. Harry Boy had the habit of grabbing a vital wicket, not necessarily with a great ball but on numerous occasions, Harry would break through. Harry's season highlight was his 5 for 25 against Palmer. A great Club man and tireless worker around the club, his disappointment at the Grand final loss should inspire him for another shot at the Flag next year.

Runs: 15

Bowling 16 wickets for 304 runs

Catches 4

## Lindsay Knott

Lindsay's first season at Woodside was an enjoyable one. Batting in the middle order he had some success with his hard hitting, quick scoring. Teams found him hard to dismiss. Early in the season it looked unlikely that Lindsay would ever get out, but like all good B graders he soon picked up the habit. The power with which Lindsay strikes the ball was evident in the Grand Final when one of his shots was stopped by a fielder's shins and he was still hobbling after the match.

Runs: 183

Bowling 1 wicket for 18 runs

Catches 1

## Jim Hennessy

Jim was the team Vice Captain and opened the batting. He had a good first half of the season but struggled to trouble the scorer after Xmas. Jim should be pleased after many seasons he finally had an opportunity to play in finals, just not quite the fairy tale ending he had in mind. He fielded in slips where most old Buggars go, keeping Basha company.

Runs: 202

Bowling 1 wicket for 14 runs (Thanks Brad Dohnt) Catches 9

## Greg Baschiera

Greg was the team's wicket keeper and did a great job for an "old Fella". Having to cover for first slip who couldn't catch was never an easy task even keeping up to the stumps on numerous occasions. Greg's batting is always eventful, he turns 3's into singles but still hits a great ball. His 49 against Lobethal was his seasons highlight. A great clubman but some how is always first to the bar on training nights and last to leave!! Well done mate.

Runs: 178

Bowling (not required)

Catches 8 Stumpings 2

## **Adam Gelzinis**

Adam is another one of the younger members of the Red team, Adam opened the bowling each week and will continue to improve in years to come. At his best he is one the best bowlers in the B grade competition but he needs to work on his line and length. No doubt he has a great future. Adam had limited opportunities with the bat but saved his best for the Grand Final with his 11 not out. And he will get over the fact that Harry somehow took more wickets than him!

Runs : 43

Bowling 11 wickets for 380 runs

Catches 3

## **Kym Floyd**

Kym's return to Woodside Cricket was great to see and we hope to see him back again next year, he has an unbelievable eye and was belting the ball at training. His season highlight was Kym coming out to face a possible hat trick ball. He showed nerves of steel and attacked the bowling with a fielder dropping the chance. Kym had limited opportunities but packs a beautiful esky and has a keen sense of humour. Kym's fielding improved each game unlike most of his team mates, taking 2 great catches against Eden Valley.

Runs: 8

Bowling 1 wicket for 24

Catches 3

## **Tim Satchell**

Tim is the quiet member of the team. He is young, fit, and enthusiastic and his game continues to improve. Tim had limited batting time, often coming in late when quick runs were required but always took up the challenge, his highest score was 34 against Cambrai when the team was in trouble. Tim fielded in the covers all year and his ability to cover the ground quickly kept all batsmen on their toes. His fielding was recognized by winning the TVCA fielding trophy for B grade.

Runs: 91

Bowling 0 wickets for 12 runs

Catches 3

## **Andrew Nykiel**

Andrew was the player of the finals, both with bat and ball and unlike many of his team mates saved his best for the finals. Andrews height means he troubles all batsman with the bounce he obtains when bowling, even if it is only off a six pace run up. He bowled superbly in the finals, and his attacking batting style was very effective with a season highlight his 73 not out against Cambrai and his 32 not out in Grand Final was a great effort.

Runs: 132

Bowling 7 wickets for 240 runs

Catches 1

## Matt Baschiera

Matt played limited games but was very effective both with bat and ball. Matt scored two half centuries against Cambrai and Paracombe. Matt's bowling was hard to get away and he worried all batsmen and was excellent in the field.

Runs: 122

Bowling 9 wickets for 123 runs Catches 2

The Reds had 23 players play in the team this year. Thanks to Joel Grieger, Tom Salter, Jason DeGroot, Adam Grieger, Graeme Hemsley, Andrew Hopgood, Scott McDonald, Michael Hennessy, Brian Grindley and Nicolas Hemsley.

Please note that the following statistics are for the whole year including finals but that the trophies are awarded on minor round results only.

## B GRADE BLUE CAPTAINS REPORT 2010

It's been an exciting year for the *Blue Boys*. We started out as a potential team of "fill ins" and ended up as a well oiled machine with a real chance of winning the flag. We finished 3<sup>rd</sup> at the end of the minor round with 9 wins, 5 losses (3 by fewer than 20 runs) and 2 games ending with no result. Some new blokes came to the club this year and we've all become pretty good mates. New this year (to the B Blues) were Brett Lyons, Heath Patterson, Dave Wade, Andrew Eggleton, Damien Aplin, Stephen Cates, Jason deGroot & Tom Salter. Unfortunately Dave Wade had to leave us after round 17 due to moving interstate so he missed the rest of the season. We gave him a worthy send off with a crushing 94 run - 4 wicket victory over Mt Torrens. We then finished off the minor round with a 53 run win, smashing Cambrai, who are always hard to beat on their home deck.

Unfortunately we holed out to eventual premiers Eden Valley in the Semi Final by 25 runs (4/213 to 10/188) after dropping more than our fair share of catches.

All in all it was an enormous season with some performances. We played a good brand of cricket; hard, vocal, and we knew how to celebrate a wicket, sometimes to the dislike of our opponents. We stuck up for each other when it was needed and we supported each other on the field when things weren't going so well. Well done lads,

we have done ourselves, each other, and our club proud. I've mentioned numerous times below that the guys are all top blokes, and now we're all top mates. I look forward to our continuing friendships and to playing cricket with you all next year – we have some unfinished business to attend to! BTW, the highlight of the season, apart from making the finals, was forgetting to tell the boys that Paracombe are called the Pirates. Before the game I said "lads, I want plenty of pirate speak out there in the field. Let's really get inside their heads early and make them walk the plank". The boys didn't let me down - we gave it to them from every angle. It wasn't until after the game that Eggs realised the reason for the pirate talk. Sorry guys, but it was hilarious.

## **Damien Appleton (Apples, Damo) -**

Damo is a right arm medium quick bowler out of the Shaun Tait mould (slinger). Apples came to us later in the season and almost immediately stamped his presence with the ball. Damien is a good fielder as well, and uses plenty of voice in the field, constantly talking everyone up. He'll be back next year.

<b>6 games</b>	<b>7 runs</b>	<b>Ave. 3.50</b>	<b>HS 5</b>
<b>26 overs</b>	<b>5 Wkts</b>	<b>Ave 14.00</b>	<b>BB 2/24</b>
<b>1 Catch</b>			

## **Simon Clarke (Simmo, Clarko, Clarkey) – 13 matches**

1<sup>st</sup> year in seniors, Simmo is one of the quiet guys in the team. He bowls consistently well and has opened the bowling several times this season with good effect. Clarko took some valuable wickets this year with his right arm medium pace – a good “mix it up” bowler when working in tandem with a quickie. I have no doubt Clarkey will develop more as he gets older. He just needs to get a bit of mongrel in him. Well done mate.

<b>71 overs</b>	<b>17 Wkts</b>	<b>Ave. 20.76</b>	<b>BB 4/30</b>
<b>3 Catches</b>			

## **Jason deGroot (Jase) – 11 matches**

Jase is a young guy who has never played cricket before. He tried hard all year and had some success with the ball and in the field. Jase's height is an asset in the field and he took some good catches, most notably, a catch at Palmer – an absolute cracker. With continued practice, and by improving his knowledge of the game, Jason will continue to improve his cricket.

## **Brad Dohnt (Dohnty, MS(Dohni), 3 bats, Donut, Kashmir)**

3 Bats is one of the young guns of the team. Always puts in his best effort, plus 20% extra. MS is really hard on himself and his results are never good enough in his eyes. His right arm quick bowling is deadly at time, knocking the stumps down 17 times, including 3 in a match twice. Kashmir is also handy with the bat when he sets his mind to it. Dohnty works really hard at training and in games, and will be an even better bowler next season. Highlight – 5/43 off 9 overs v Palmer.

<b>7 Catches</b>	<b>2 Runouts</b>		

## **Darin Dohnt (Dohnty, Mr. Dohnty Snr.) – 7 matches**

Darin is one of the veterans of the team. Always good in the field, Darin generally stops everything that comes to him. Some days he's a ball magnet. He took an amazing match winning catch to dismiss Darren Faust for 0 in the 1<sup>st</sup> over. Darin is

also capable of making runs but he just needs to be patient. Unfortunately for Mr. Dohnty Snr., he only needed to bat 3 times this year so didn't get much of a chance.

## **Andrew Eggleton (Eggs) – 6 matches**

Eggs is a new player to the club this year, and a really top bloke that everyone likes. Another quality cricketer in all areas – RH bat, and an unnaturally tall but surprisingly agile fielder. Buckets reckons Eggs is worth 20 runs in the book even before we bat. This means he should be good for 50 every week. Inspiring with his voice in the field, Eggs took some good catches and made some valuable runs. Season lowlight – the A's stole him from us. But we still like him.

## **Nic Fuchs (Nico, Junior Fuss) – 13 matches (+1 A2)**

Nic was our main wicketkeeper and has earned the respect of the senior players by virtue of his maturity (for his young age), his ability, and the way he plays this great game. He's a lively fielder with safe hands, and a quality keeper. As a top order LH bat Nic can consolidate an innings when he keeps his head down. He certainly showed some of us seniors (mainly his dad) how to play. Another really good bloke, as was pointed out to me by one of the guys after a game.

## **Stewart Fuchs (Stewie, Skip, Fuss, Handbags – thanks Pete) – 13 matches** (Written By Brad Dohnt)

Stewie had one of the most difficult jobs this season, being the captain. Stewie was responsible for roughly fourteen players every week but could only play eleven, which in anyone's book wouldn't be an easy decision. Stewie was the best captain for our team. For example, there were 12 players listed to play against Mt.Torrens/Charleston and no one knew who the 12th man was, so Stewie said he will "sit out". With that, as a team, we wanted to win this for Stewie. Stewie played a great innings earlier in the season against Mt.Torrens/Charleston when he made 24, which helped set us up for the win. But Stewie's best game was yet to come. When we played the Woodside Red's the second time Stewie made 31 before having to retire hurt, Stewie's innings was amazing to watch and be a part of. Over the course

of the season Stewie has been given a few nicknames such as Fuss and Handbags. Stewie should take a lot out of this season as he has played some great innings, played cricket with his son, was a successful captain, and most of all, making great friendships and playing with us **Blue Boys**. We would like to thank Stewie for his hard work and effort this season, and we expect to see him out next season as our captain and lead us to the premiership! Thanks Stewie for a season none of us will ever forget.

## **Brian Grindley (Brian, Grindles, Messiah) – 10 matches**

Brian opened the batting regularly and always had the potential to make some big scores, albeit some impractical shots early. Grindles is a RH bat and an all-round great person to have in the side, and handy with the ball and in the field. The season highlight for me was his 98 & 3/17 against Cambrai in Rd 18. The Messiah nearly carried his bat, falling short by just 8 balls.

<b>32 overs</b>	<b>9 Wkts</b>	<b>Ave 19.58</b>	<b>BB 3/17</b>
<b>5 Catches</b>			

## **Nick Hemsley (Nicko) – 5 matches**

Nick came to us from the A2's part way during the season. Nick's a great guy and will develop into a really good cricketer as he gets older. A RH bat, Nick can open if required, or he'll bat in any position you ask him to. In fact, he wants for nothing except for the team and the club to be successful. A good keeper and a quality fielder, Nick has been a welcome addition to the team.

<b>5 games</b>	<b>30 runs</b>	<b>Ave. 15.00</b>	<b>HS 16</b>
<b>2 Catches</b>			

## **Brett Lyons (Barnsey) - 10 matches**

Another RH bat, Barnesy slotted in to the side beautifully. One of the more technically correct batsmen to play in the B Grade comp this year, he contributed every week with some valuable scores and consistent good fielding. A knowledgeable cricketer and an enormous help in the field, Brett is an asset to any captain because he never shuts up; he always has something useful to say. Next year I expect to see him make plenty of runs.

<b>10 games</b>	<b>232 runs</b>	<b>Ave. 25.78</b>	<b>HS 57*</b>		
<b>2 overs</b>	<b>0 Wkts</b>	<b>BB 0/19</b>	<b>5 Catches</b>	<b>1 Runout</b>	

## **Peter Middleton (Pete, Petie, Middleman) – 6 matches**

Pete also came to us from the 2's and fitted straight into side adding some extra firepower early in the bowling innings. Petie's bowling is very reliable and his figures reflect that; 2/24 off 6, 2/20 off 8, 3/17 off 7, 2/28 off 9, & 2/40 off 10 overs - a bowler to be respected. Middleman is a good allrounder who can make a score every now & then – in the middle(man) order.

<b>6 games</b>	<b>74 runs</b>	<b>Ave. 14.80</b>	<b>HS 24</b>
<b>50 overs</b>	<b>11 Wkts</b>	<b>Ave 15.64</b>	<b>BB 3/17</b>
<b>3 Catches</b>	<b>2 Runouts</b>		

## **Heath Patterson (Patto, Patsy Biscoe, Dirk Diggler, Richard Simmons) – 10 matches**

Patto trains hard, plays hard, and enjoys winning. Also new to the club this season, Patsy Biscoe is a right arm quick bowler who bowls a great line & length and puts a lot of thought into his bowling. DD has put in a solid effort with bat, ball, and in the field all season. Another guy that anyone would want to have in their side, Richard Simmons will be back for more next year, headband and all!

<b>10 games</b>	<b>224 runs</b>	<b>Ave. 32.00</b>	<b>HS 80*</b>
<b>83 overs</b>	<b>19Wkts</b>	<b>Ave 13.79</b>	<b>BB 4/24</b>
<b>4 Catches</b>	<b>1 Runout</b>		

## **Tom Salter (Tom) – 5 matches**

Tom has played in both B grade sides this season and is another young guy that has tried hard. His batting will develop further with some proper coaching, and next season he will cement a spot in one of the teams. Tom batted well against Mt Torrens making 20, and then helped get us across the line against Palmer in a 15 run partnership. Well done, keep working hard.

<b>5 games</b>	<b>45 runs</b>	<b>Ave. 15.00</b>	<b>HS 20</b>
<b>3 overs</b>	<b>0 Wkts</b>		<b>BB 0/16</b>

## **Dave Wade (Wado, Wados, Dos) – 12 matches**

One of the nicest guys I've ever become friends with, Wado was the surprise package of the team. A right hander, he batted well, bowled well, and fielded well, until he pulled a hamstring mid way in the season and never fully recovered. Wados was always happy to do whatever was asked of him. He is an asset to the team. Unfortunately, Dos had to leave us after Rd 17 to move back to Geelong.

12 games    155 runs    Ave. 17.22    HS 39  
 48 overs    8 Wkts    Ave 26.38    BB 3/7

## Other players to play in B Blue

**Eric Robert** - (No nickname because, you seen the size of this guy?) – Eric intended to play regularly although he never played before (Ice Hockey dude from Canada). Paid his subs, played 1 game, then scored a broken nose in the warm ups v Mt Torrens and never played again.

1 Game    1 run out    0 runs    0 wkts

**Duane Ireland** - Awe-inspiring with the Saturday night meals! Great help in the field – thanks.

1 Game    15 runs

**Michael Klose** - Will be a handy addition to the side when he decides he's ready to play B's full time. Apparently he can bowl as well... 1 Game    63 runs

**Joel Greiger** - Bowled and fielded well, and a nice guy too! A good quality cricketer.

2 games    12 runs    5 Wkts    1 Catch

**Richie Reichstein** - Handy bat. Say no more! 2 games    80runs

**Scott McDonald** - With practice, patience and commitment Scott should play lots of senior cricket for Woodside. 2 games    0 runs    0 wickets

**Stephen Cates** - Catesy's business commitments took priority. Can keep wickets, field well, and he started to look good with the bat. Hopefully Steve will return next year.

3 games    25 runs    1 Run Out

**Others – thanks for helping out.** Ben Mulkerin, Alistair Cowley, Nathan Pech, Nathan Baulderstone and Andrew Amsterdamski. 1 game each

FRONT ROW (L-R) - Nick Hensley, Nic Fuchs, Stewart Fuchs, Damien Aplin, Peter Middleton, Dave Wade

BACK ROW (L-R) - Brett Lyons, Darin Dohnt, Brad Dohnt, Simon Clarke, Jason deGroot

ABSENT – Heath Patterson, Andrew Eggleton, Tom Salter, Brian Grindley

## FROM THE SECRETARY

The Committee of the Woodside Cricket Club has been very active during this past season. Since the Annual General Meeting which was held in May 2009, the committee has met formally ten times, with meetings held on a monthly basis. There have also been other ad-hoc meetings of the Executive, comprising the President, Vice President, Secretary & Treasurer when required to address matters as they arise. Now that the season is over, and the presentation night has been held, your committee will still be meeting regularly throughout the "off-season" in preparation for season 2010/11. There will be many things to do during the cold winter months, including:

- Appointment of a new committee
- Appointment of captains and coaches
- Recruiting new players
- Decisions on projects and where to spend funds
- Preparation of grounds
- Ensuring kits are complete
- Liaising with sponsors
- Maintenance to rooms and facilities
- Planning of functions

On average, most committee meetings held at our clubrooms take about 2 hours, occasionally a little longer depending on the matters being discussed and debated. This equates to a combined total of about 300 hours of time devoted to your club by the committee members (not including working bees, lawn mowing, serving behind the bar, purchasing stock and equipment, updating the website, attending other meetings like the Recreation Grounds and TVCA, preparation of minutes and correspondence, etc). Club meetings are always well attended and all persons have an input and views are always listened to. To others outside of the committee, there may be times when it would appear that we may have got it wrong, or made an unpopular decision. But I can assure you that we are always acting in the very best interests of the Woodside Cricket Club.

If you have some time to spare and would like to contribute to your club in a meaningful way, please speak to one of the committee members and let them know that you would like to join the management committee. Look out for the AGM date which will be posted on the website in the near future. We may be busy but we also have a lot of fun in the process.

At the close of my second year as Secretary, I personally wish to thank my fellow committee members for their frankness and honesty at meetings and for their passion for this great club of ours. I wish the new committee great success for season 2010/11.

## UNDER 16 REPORT 2010

Season 2009/2010 provided a wide variety of experiences and accomplishments for us all as a team. I had the great pleasure to coach the Under 16's as part of my first year as coach.

The start of the season was interesting as we had just enough players with the inclusion of two capable Under 14's who stepped up and were prepared to challenging their abilities. As there were only two other Torrens Valley teams, this meant that we combined with the Hills association.

The year included a mix of one day and two day games, with a number of games being twenty/twenty matches to facilitate the fixtures between the two associations. Although the team didn't have the start to the season that we hoped for, the team continued to display great teamwork and a hunger to learn and build upon their skills. The season was interrupted with washouts and hot days providing a barrier to the team getting into a steady rhythm of play.

Before Christmas, we encountered the challenge of being short of players. It was with the help and enthusiasm of the Under 14's that we managed to bring a team together and compete.

After Christmas the team didn't have as much success as we hoped and it wasn't until the final half of the season when the team found their rhythm. It was one of the last games of the session against Uraidla where we had our season's greatest success. We defended a total of 70 runs with collective and dynamic teamwork, with everyone contributing and showing a thirst for success. From a coach's point of view this was a great end to the season.

I would like to thank all those players that played this year, all the Under 14's that helped us throughout the year and all of the parents that helped with scoring, coaching and umpiring.

Thanks again for a great year guys.

Chris Baschiera

## THE JUNIOR REPORT SEASON 2009/2010

This year has been a busy year in all the junior teams and has shown how lucky we are at Woodside Cricket Club to have great parental support. With the Under 10, Under 12 and Under 14 teams this season all having too many players for 1 team but not enough for 2 teams plenty of improvising was needed to ensure all players played each week. The children all registered for Have A Go cricket came up to under 10 to make 2 even teams which saw Nick Johns coach the red team and Troy Snooks the blue team. Peter Kain's under 12 team and Rick Hills under 14 team rotated 5 to 6 players weekly to Lenswood to ensure all our boys played a match each week and helped Lenswood field teams. We realise this was a big commitment and thank all the parents and players for their positive approach to what was sometimes a frustrating situation. I would also like to thank the parents who helped at training each week, putting mats in and out, providing wicket keeping in garden gloves and helping to keep the children busy and focused during training and game day. Our club is one of the most well supported by YOU the parents and caregivers in the Hills, I have travelled throughout the TVCA and Hills Association and the support we give our children is by far the greatest across the two.

This year we were also lucky to have team managers for our junior sides who took the pressure off the coaches in administrative duties to allow them to fulfil their coaching role, thanks to Hertz for under 10 teams, Tash Hurtle under 12 and Michelle Hill in the under 14's. The junior committee also organised 2 wonderful family fun nights, the first in October and the second in February and we were blessed by beautiful weather on both occasions. Thank you to all those families who made these a success.

Once again this year Peter Johns, a life member at our club, has been the sole programmer for the Junior Torrens Valley Cricket Association, this is a big job and we thank Peter for his tremendous efforts in this area. Peter has also been involved in adding all our under 14's details to the My Cricket website each week and has been a wonderful help on the BBQ when required.

Personally, I would like to thank the Junior Committee and especially the Hill and Hurtle families for their tiresome work in making my job a lot easier.

In finishing, it would be great to see some more parents on the junior and or senior committee. The AGM is coming up so keep your eye out and thank you all again for your co-operation and support during the 2009/2010 season.
