PRESIDENTS REPORT 2011

Fantastic - the club finally celebrates a senior premiership! It has been a long time between drinks. Yes, our A-2 boys brought home the bacon. It was a gallant win; they had a battle for the end of the season traveling to Eden Valley and Cambrai twice.

The Grand Final itself was not without a splash of drama when the second day (Sunday) was washed out without a ball being bowled despite the Eden Valley boys trying their best to 'con' the umpires into playing! As it turned out the cricketers 'Gods' gave us a perfect day the following Saturday when Duane Ireland and his boys systematically carved up Eden Valley to win by 48 runs. A great team effort and I am sure I speak for the whole club in saying congratulations for a fantastic effort!

The A-grade finished the season off in grand style winning the Courier Cup and comprehensively beating the Lobethal Gold team to finish the season on top of the premiership table. Craig Medlow, with the assistance of Matt Laming in particular, played a great captain's knock to steer us to victory in the 1st semi. As disastrous batting collapse in the Grand Final saw the boys capitulate to a meagre 65 runs which Lobethal easily made for the loss of only 2 wickets.

Our two B Grade teams were competitive all season, each team winning one of the two local "Derbies". In the end Downsie's B Red defeated Eden Valley the Premiers from last season in the final game but fell 2 points short of a finals berth. Heath's B Blue team were only 7 points away from also competing in finals.

At this point I would like to say a big thanks to Mr. Mick Weatherall for all the hard work he put in on a Thursday night at training and Saturday afternoons at the game. The feedback I got from the boys was always very positive and with Mick being the State U15 coach it goes without saying his coaching is of the highest standard.

With regards to the Juniors the only team to feature was the U-14 Red team coached by Stevey Downs. They played Lobethal in the final but were unlucky to lose on the last ball of the day.

Once again, we had a good representation of our juniors in the Association. Seven lads were in the U16 Association side and there were three in the U12 Fleurieu North side. Of the trophy winners Sam Herde won the U14 bowling with Jayden Hill runner up and Jacob Grieger won the U16 bowling trophy.

Whilst on the juniors a big, big acknowledgement and thank you to Tash and Anthony Hortle and Rick and Michelle Hill for their tireless efforts with the juniors.

This year saw the club house get a major makeover. A reverse-cycle air conditioner was installed on the eastern wall; the floor was re-stumped and a new timber floor was laid by our resident carpenter, James Marshall. New tables and chairs were also purchased and we extend our thanks to Col Hackett from Lobethal who assisted in getting us a good price. When tidy the old clubrooms now look very attractive. It is our intention to pass on plans for more improvements behind the bar

to the incoming committee for their action so that continued improvements will be maintained. I would also like to thank Mark Rooney for his contribution with the welder in modifying a large table.

We again sincerely thank all the sponsors who supported our club this season. Their continued input has been invaluable to the club and has greatly assisted in our success this year. I once again remind our members and their families to support our sponsors whenever possible. Our sponsors' names and businesses are listed on a separate page of this report.

In winding up this report there are some very important people I would sincerely like to thank.

Jim Hennessey and Harry Gelzinis. Guys, I would not get to first base without you. You both made my job a breeze. I would also like to thank the entire committee for the professional way we all went about our business.

Jim Hennessey for your great effort in keeping both ovals mowed with very sub-standard machinery; Susie Medlow for tirelessly keeping us hungry boys fed – in particular on training nights and Saturdays; Pete Johns on the BBQ and collating scores every weekend; Pete Johns and Graham Meddles for putting together the Woodies Wickets; Meddles as bar manager and Social Director did a super job raising big dollars for the club.

In finishing I will mention Jaydo Hill and Tomo Peakes - the spontaneous way you guys work around this club is a credit to your tender years.

Finally to my wife. Annie, without your support, patience and understanding, I would not have been able to manage. Many Thanks.

Cedric (Cecil) Rowlands

President

A Grade Captains Report 2011

This Season the A Grade built on the previous season and played the most consistent cricket for a long time, winning 8 games straight before losing the grand final. People might look at the results and say that the A Grade has yet made another final and lost, but I believe that we have demonstrated as a team that we can play very good cricket and have now built a game plan that we can play with confidence and know it will make us successful in the future. The hardest thing to swallow as the captain was the first time we didn't play to this plan was the most important day, the grand final.

This season we had a great year with the bat and ball. We made over 300 on 3 occasions, won outright against Gumeracha (1st for me in over 150 A grade games), and bowled sides out consistently (where they scored less than 2 an over). We defeated Lobethal (Gold) in a two dayer for the first time in over 5 seasons.

We were successful in winning the Courier Cup for the first time in the clubs history, knocking off the 2nd and 3rd best sides from the Hills Association. We had 7 representatives in the Association team, which was successful in winning the Meyer Shield.

Along the way the team was successful on an individual basis, with Nick winning the association batting average and aggregate. We also had Dave Wescombe winning the Essanda trophy as the best all-rounder in the association. Dave also won the cricketer of the year (similar to the Brownlow) and then Chris Baschiera won the fielding trophy.

I always feel privilege and an honour to be selected as A Grade captain for this great club and like to thank the committee for trusting me with this position and I hope sometime in the near future I can fulfil their wishes of success with a senior A grade premiership. With the expectation of this side staying together and have the mental hunger to build on this season, I believe success as a team is not too far away.

Now onto the coaching department side of things, I would like to thank my reliable time keeper Peter Johns for always being there and keeping up with my instructions. To the support staff, the other 3 senior captains who helped me out during the season running trainings, to my father Graham Medlow who never missed a training and gave sound advice to many of you. To Bill Oliver who helped out with the bowling (especially Matt Laming). To Mike Weatherald for helping me out with the preseason, setting the framework for the rest of the time he wasn't there and then taking over the reins in February. I know a lot of the players are thankful with your input, as I know you assisted me personally finding my touch back with the bat in the semi-final. I really appreciate the time you have put into this club as I know how busy you are and on that note I would like to congratulate you for being appointed as the Australian under 15 coach for the second season. I hope you have great success taking the team to the West Indies this coming year.

To the A2's congratulations on a great season, it is great to see one team enjoy the spoils of hard work and sacrifices. Today is all about you guys and you deserve the accolades that you receive.

Lastly I would like to thank all the players for putting up with me at training. The numbers at training were always good and the club can be proud of filling 4 sides that are competitive every game. I look forward to being part of the A grade on their journey for ultimate success next season.

Craig "Buckets" Medlow

Players Profiles 2010/11

Jeremy Snoad

Jeremy was a great acquisition for the club this season. He filled the trouble spot of opening with great poise getting us off to a good start on many occasions. In the field was very handy, especially when he didn't field the ball with his knee. I believe Jeremy will come back next season even stronger and will be an important player going forward to fulfil our potential.

Matt Johnston

Half way through the season after Matt had got over his injury found that the side needed him to open the batting. Matt took on this responsibility without any fuss like a true vice-captain of the side. Matt showed that he will be very important in this position over the coming seasons with some fine performance, notably against Mount Torrens where he batted for nearly two hours and then in the semi-final where he again batted for nearly 30 overs. Both games set us up for a convincing win. With the ball, when the skipper gave him an opportunity he bowled very well and was a great support to me as my vice captain for the season.

Dave Wescombe

Wingers had a stand out season. Making 4 50's (also 400+ runs for the season), and then taking the most wickets for the team with over 25 wickets. When Wingers was in full flight with the bat nothing could stop him. The innings against Uraidla in the semi-final of the Courier Cup was an example of this when he made 93. With the ball we could always rely on him coming on and drying up the runs, while also taking wickets consistently. He took his first 6 wicket haul in A grade in the last minor round game of the season against Lobethal Gold. Once again in the field he was exceptional.

Nick Johns

What a return by Slim in his first season back. To take the number 4 position and then make over 500 runs at an average of nearly 50 is outstanding. Some notably innings weren't the Nick of old where he would blast his runs. These were in the Courier Cup Final where he made a very patient 32 runs to get us over the line and in the semi-final when he made 32 runs and had a very vital partnership with Matt Johnston to stem the tide. In the field, his support and advice at 1st slip was valuable to me as skipper. An outstanding season Nick, well done!

Jarrad Smith

What a gun recruit by James Marshall. Jarrad after being away from the club for a few years came back in the side as a great asset for the team. He blew onto the scene making a fine 70 not out against Paracombe (His Highest A Grade score) and then he made sure that it wasn't a fluke making a great 58 against Lobethal Gold in the last game to get us over the line. Then his determination in the final where he made a patient 19 off over 80 balls was a great example of his determination and courage. His presence around the team and on the field was excellent. I am looking forward to seeing Jarrad launch his A Grade career off the back of this fine season.

James Marshall

James struggled this season with the bat after a promising season last year. James had an interrupted year, missing a few Saturdays which meant he struggled to find consistent form with the bat. His highlight was when he opened the batting with Jeremy Snoad against Paracombe where they put on 68 for the first wicket. James fielding was outstanding where he took 9 catches throughout the season. Hopefully James bounces back from this season and show the consistency he showed in 2009/10.

Matt Laming

Matt Laming was around more often than not compared to his first season back at the club. His passion to succeed in all areas of the game came through on numerous occasions. With the bat he topped scored with 45 against Mount Torrens working hard with the lower order (putting on 83 for the last 4 wickets). He also showed this again in the Semi Final having a 73 partnership with me at a vital stage of the game. With the ball naturally was unlucky and bowled better than the wickets column showed. His spell in the Courier Cup Final set the game up with his 3 early wickets and was unlucky not to win the man of the match (with 3 catches and a few runs). I look forward to next season where Matt will come back to the club to take his 200th wicket for the club (currently sitting on 199)

Craig Smith

Craig showed this season what he is capable with the ball. Early in the season he took two 5 wicket hauls against the Lobethal sides. He then continued this form into the Association games taking numerous wickets and was very unlucky not to win the player of the Meyer shield for Torrens Valley. With the batting showed glimpses of what he is capable of and hopefully next season will take the giant strides he has with his bowling in the batting and become a true all-rounder for the side. In the field as long as his fingers were pointing up he always had very safe hands.

Chris Baschiera

Chris had an excellent season. In the fielding he won the association fielding trophy which shows how consistent his fielding was. With the bat he went for 6 innings without

getting out, which is what you need for your lower order batsmen. In the bowling always bowled a consistent line and length and numerous times was unlucky not to take more wickets (but the batters weren't good enough to get the edge). His economic rate with the ball of 1.8 and bowling average of 9.8 was evidence of how good his bowling was this season.

Michael Klose

Michael literally followed his father footsteps, achieving a milestone that his father achieved numerous times for our A grade sides of the past. He was able to take more wickets (23) than scoring runs (12). If you ask Michael there were numerous times (3) where he was left stranded at the crease and he was certain to make many runs in those games. Michael had a great season taking over 23 wickets at an average of a tick over 12. His extreme slow pace and flight caught many players off guard and worked in tandem with Craig Smith very well. Look forward to many seasons watching Michael frustrate players as Michael's bowling style will allow him to bowl many seasons as long as the wind doesn't get in his eyes (A grade joke!).

Other who played in the A Grade were:

- Bruce Kain; Came back from Sturt to play a few games. Showed his talents, especially his fielding against Mount Torrens with a direct hit run out. Will always be welcomed back in the side when he wants to return
- Richie Reichstein; member of the successful Courier Cup team and had the honour of hitting the winning runs in the Grand Final
- Tim Satchell: Who played his first A grade game and made an unbeaten 12
- Brenton Druwitt: Who played a game against Gumeracha and made 17
- Rhys Dutschke: Another member of the successful Courier Cup team, who was influential in our Semi Final win, where he run out one of their players at a vital stage of the game
- Ramon Molier: who played 5 games after being rewarded after making plenty of runs in the A2's
- Andrew Eggleton; who played 3 games before going to Melbourne due to work commitments, hopefully see his return when he has completed the course
- Chris Shee: Who played his first A grade game, making a cameo of 11 opening before he had to go to work
- Christian Riebeling; Who played his first A grade game (with his cousin), and taking his first A grade wicket in this game
- Roy Harrison; Who played his first A grade game for a number of years. Looking forward to having him around the club next season
- Tim Johns; Cameo performance in our outright, making a solid 9 not out

WOODSIDE CRICKET CLUB SPONSORSHIP REPORT 2010/11

The Sign Sponsorship package has now completed it's fourth year, and I am very happy to report that we have increased our signs on the fence again this year. Our major sponsors were Stumps Sponsor **MJS TREE & STUMP** and FinSec Planners, who also sponsored the Membership draw each week. Photos of the MJS stumps have featured regularly throughout the season in the Courier Newspaper.

The financial support we get from these sponsors assists the club to grow its facilities without further burdening our members with increased playing fees. This year we have been fortunate enough to have a new floor installed in our clubrooms, along with new tables and chairs, and a split system airconditioner. The environment in and around our clubrooms has improved markedly, and our sponsors have enabled this to be achieved.

There are also a number of other companies who provide support to the club in many and varied ways - our club is grateful for all the support provided.

Members are asked to provide their support to all of these generous organisations whenever possible.

Any other companies wishing to enquire about the sign sponsorship package, or in fact any other method of supporting our club, can obtain further information from the *SPONSORS* page on our website, or by contacting the Sponsorship Officer direct on 0401 122 765.

Harry Gelzinis

A2 CAPTAINS REPORT

Well we did it!

The first senior premiership in 10 years!...and wait for itwith a side with an average age of 40, thanks Heno, Dutch, Christian & Matty for pulling that average down a bit. The year started with plenty of apprehension about the number of one dayers we were faced with, but we soon came to the conclusion that if each of us worked for each other with the bat it didn't matter how long the game went.

I felt it was always our batting that was under pressure, because the bowling always did the job, but to have a middle order of Reid, Molier, Reichstein & Faust is as good as it gets. As long as the top 3 gave us half a start we were set.

The bowling led by Wizz (the man with the most wickets in the club) & Dutch, 2 quality off spinners with way too much talent for most A2's batsmen, supported by Matty Allen's outswingers, Brad Dohnt hitting the spot, Riche's mixed bag of tricks, Rieb's perfect line and length then add Big M & Heno. We always had plenty of bowling options with lots of quality to throw at the opposition.

This was such a team effort; 4 bats with over 230 runs for the season and 6 bowlers who took 11 or more wickets, and then Richie who held 18 catches in the field (Bast#%d that's more than the keeper).

The only drawback with this team from a club point of view is there are not enough of us in this team looking to put pressure on the A's and move up a grade. Forget for a moment we won the flag (I know for 13 of us that's hard to do, that includes you jj) we are too old as a side for the good of the club, I would like to challenge Brad Dohnt, Andy Nykiel, Joel & Jacob Griegor to become regular players in the two's next year.

Just to reflect for a moment on the finals, two great games where we had such an even team effort, when I went to pick player of the finals I had six names and had to trim it to one. I would once again like to recognise the efforts of Dipper and Big M in the semi with that fantastic last wicket stand to get us home and that was after Dutch and Heno had taken 4 wickets each. The GF, firstly with the bat Ready's 65, a great dig in a final, was the backbone of our 193 (a great score to defend) and then with the ball Big M's 4 wickets was a great reward for his dedication to playing in this team, his physical and financial costs we all thank you for. Something that also made it special for me was that four of us; GP, Dipper, Wizz and myself all played in premierships for the club in 88/89 and to do it together again after so long was great personally.

Finally I would like to thank the other 11 players who played in this flag, it was truly a team effort, everyone of you had your moments at some stage during the year. Lastly my Vice Captain Peter Reid, the only person in the side older than myself, thank you so much is was always great to draw on your experience...thank you.

Duane Ireland

GRANT PARKER**114 Runs****7 Catches****2 Run Outs**

Opened all year, it's never about the runs Grant scores but how many overs he soaks up from the opening bowlers. Batted until tea twice with a highest score of 35 at Lenswood but he did need someone else to do his running (he told us he had done his hammy) but I think the truth came out a few games later when in the T20 Grant retired tired at 11 overs, I think age or lifestyle is starting to catch up with you. Fielded better this year holding seven catches and only dropping a couple also somehow helped run 2 people out – amazing!

RHYS DUTSHKE**141 Runs****25 Wickets**

Dutch had played 4 games and taken 12 wickets before he got to have a bat in the two's. Then we decided, so he could have a hit, he should open and Rhys responded with 51 out of a total of 119. Although his batting became very important after Christmas bowling was his biggest contribution to the side finishing the year with 25 wickets. Highlights would have been a couple of 5 for's and a fantastic 4/55 against Cambrai in the Semi Final. Dutch's athleticism in the field was also very much appreciated in an aging side.

PETER REID (VC)**238 Runs****8 Catches**

After a couple of innings of 41 & 57 n/o early in the year Pete found runs a little hard to come by until the finals. A fighting 16 to help stop the rot at Cambrai was followed by a fantastic 65 in the Grand Final, coming to the wicket after about 10- overs with the score at 3/15 it was important that Peter still be in at Tea, which he did achieve and then his innings blossomed which kicked our score from an average one of 140 to 150 up to 193 which proved to be a winning score.

ROMIE MOLIER**268 Runs**

Romie came to the two's in round 3 and straight away made an impact scoring 65 against Eden Valley, he then followed it up with 49 at Lenswood. In the next game he came in with us at 4/24 chasing 159, I'm very proud to say we share a partnership of 156 passing their score without losing another wicket. Romie then went on to score his first century ending the day at 111 not out. The celebration that followed that night no one will forget, Rom had finally achieved one of the things he craved, the second he would have to wait until the end of the year – a premiership! Also took a couple of great reflex catches late in the season.

RICHIE REICHSTEIN**230 Runs****11 WKTS****18 Catches**

Richie had a few ups and downs with the bat this year, the ups were his normal dynamic self, belting attacks all over the place. A good return in the end making 230 runs for the season, and a couple of good digs of 23 & 21 in the finals. Also bowled a lot more this year with good success and a best of 3/17 from 10 overs against Eden Valley. In the field Richie is a ball magnet taking 18 catches for the year (most by anyone in the two's including the keeper) including a great display in the wet against Cambrai where he finished with 3.

CHRISTIAN REIBLING**7 Wickets**

Reebs is obviously a very talented bowler, taking 3/34 in his first outing, and to injure himself in the second to last game was a cruel twist of fate, he never got his spot back. Christian was still a chance of being in the final 11 Grand Final day up until 12.30 it was so close. A great first year at the club and I hope there are plenty more to come, you are the age we need! You were very unlucky not to play in the GF and if you did I'm sure you wouldn't have let us down.

BRAD DOHNT**9 Wickets**

Brad played only 5 games with us this year but showed he is very capable of bowling in A2's with figures of 3/34 and then amazingly 6 for 7 from 7 overs against Gumeracha, also a great fielder the runs Brad saved on the boundary at Lenswood was most probably the difference between the two sides. Thanks for being 12th for us on GF day and doing the twelfth man duties well into the night.

DUANE IRELAND (from the VC)**336 runs**

Duane had a great year as the A2 Captain. His 336 runs, averaging over 22 was outstanding and by never giving away his wicket, he was often the backbone of the Woodside innings. He made the right moves at the right time as captain and led from the front when confronting opponents and umpires when required. Very solid behind the stumps, but sadly, this year proved his bowling days are well and truly behind him.

Thank you to everyone else who played.

Andrew Eggleton, Stewart Cameron, Chris Shee, Bruce Kain, Steve Downs, Mat Baschiera, Lindsay Knott, Chris Baschiera, Nathan Payne, Joel and Jacob Griegor, Simon McElroy and Scotty Pittaway.

DARREN FAUST**109 Runs 6 Catches**

Moved up to the two's mid January to add more depth to our batting. Every A'2 player will forever be indebted to Darren for, with the help of Big M, giving up the chance to play in the Grand Final. Their final wicket stand of 32 taking the score from 9/112 to the 144 required for victory will never be forgotten by anyone who was at Cambrai on Semi Final day. Darren finished that day with 32 not out – an A2 season high for Darren, thanks Mate!

MATTY ALLEN**118 Runs 15 Wickets**

Played every game in the two's this year and started with a bang taking 4/11 in the first game against Palmer. Enjoyed bowling against Eden Valley raking 3/40 from 10 the first time and 3/25 from 8 the second time. Matty was successful because he stuck to his strengths with his bowling and doesn't worry about what the batsman were trying to do. Matty didn't have a great time with the bat during year but certainly made up for it in the Grand Final belting a quick fire 32 putting the icing on the cake.

MICHAEL HENNESSY**12 Wickets**

Mick didn't play much cricket this year and didn't play two's until February, rumour had it he was busy with a new girl! He started a little rusty but delivered big time in the two finals raking 4/23 from 11 overs in the Semi and 13 overs on the trot in the GF returned 2/27. Getting Mick to play two's I thought was vital to our finals chances because he's a wicket taker. Thanks Mick you didn't let me down.

RICK HILL**25 Wickets 4 not outs**

Where do you start, the first game I guess, we were chasing 71 against Palmer and Rick batting 11 came in at 9/45 and with Mat Basch got us home, Rick finished with 28 no. Now to the bowling, Wizz missed the next few games and on his return against Eden Valley took 5/41 from 10 overs and then backed it up with match winning effort of 7/89. The figures go on.. 4/14 in the T20, 4/26 from 10 against Lenswood, but I rate the 0/32 from 18 overs in the Semi as important as any of the spells. Thanks Wizz it's always a pleasure, maybe once more!

MICHAEL BOHMER (BIG M)**11 Wickets**

Amazingly we had someone flying in and out from Sydney to play cricket at Woodside. M worked out which week he would fly over to qualify for finals. Along the way he grabbed 4 for 1 from 5 overs against Gum. The Semi Final at Cambrai where while bowling pulled a groin and then the next day batting with a runner was part of that fantastic last wicket stand with Dipper to get us home. The next week while everyone else couldn't sleep because of GF nerves I lost plenty of sleep about the fitness of the big man(I tell you it's scary waking up thinking about Big M and his groin). History will show he played in the Grand Final and split them open with 2 early wickets and then came back to finish them off with 2 more. Will he come back again, he is on a hat trick.

Captains Report Season 2010 – 2011

It was a year with no regrets.

In my opinion, Woodside did what no other team or club did, put their better player's in A2's not A2 players in the B's.

This year was the best grade of B's I have every played in. If you look at last year, our team would not have been top this year.

Our losses Greg Bash, Matt Allen, Dipper Faust, Scott Pittaway and Linsley Knott were huge, but we still played some very good cricket.

The inclusion of Hayden Gamma, Hayden Dolphin, Simon McCorrye and the Willow wielding Randle Hodgkinson, ensured that we were at full strength most of the time. Not to mention the irreplaceable Greiger 3 Amigo's.

At the end of the day we had a great year, and I hope all that played with the Red's had as much fun as I did.

Roll on 2011 – 2012.

Congratulations to the Old Reds that played in the A2 Premiership. Well done. We cant wait to have you back in the B's next year.

As I look back over the 2010 – 2011 year, I fondly remember what I believe to be the Quote of the Season, at the Mount Torrens Game. Randle had to go the little boy's room and on his return asked how was Kym Floyd batting. My reply "He looks as stable as the Egyptian Economy".

Cheers Downsy

Woodside B grade Red 2010-2011

Player Profiles

Scott Pittaway

Scotts second season of senior cricket was interrupted with a knee injury and he missed many games after xmas. His bowling is always threatening and his hard hitting batting is great to see when it comes off. We look forward to Scott's return fully fit next year.

Runs: 110

Bowling 10 wickets for 292 runs

Catches 3

Darren Faust

Dipper played the first 8 games of the season before being dropped to the A2's , he scored the teams only century for the season against Paracombe. The team missed his batting skills and his change bowling, but what the Red's missed most about Dipper he was one of the few that could catch! Hope to see him promoted back to the B's next year.

Runs: 195

Bowling 1 wickets for 110 runs

Catches 5

Steve Downs

Steve captained the team and did a great job making sure everyone enjoyed their time with the team, ensuring each player had a chance to have a bat or bowl at the right time. Steve's batting was probably not to Steve's normal consistency but he still scored the most runs and he took over the extra responsibility of wicket keeping. It was a great effort and I am sure he feels he should get the fielding trophy (maybe next year)

Runs: 346

Bowling 0 wickets for 12 runs (1 over too many)

Catches 13

Stumpings 2

Harry Gelzinis

Harry was the person the captain turned to when he needed a wicket and he rarely let him down, his lack of pace and wobble of the ball dazzled all batsmen. Harry took 17 wickets over the season which was a great effort, the other reason he bowled a lot was that way we could not hide him in the field and when he bowled it was the only time he would not drop a catch. A great club man who we love to sledge! His 5 wickets for 57 runs against Lobethal a highlight.

Runs: 17

Bowling 17 wickets for 286 runs

Catches 6 (How ?)

Jim Hennessy

Jim was the fill in player who ended up playing most games always keen he was always at training early but never batted in the nets all year, but was always one of the first to the bar! Gained the nickname "Ronaldo" after kicking the ball on to his stumps twice in 2 balls but missed out on the hatrick by using his bat for a change.

Runs: 249

Bowling 1 wicket for 55 runs (overbowled)

Catches 3

Kym Floyd

Kym's a late developer and his cricketing skills are still improving, his second season back at the club he become one of the Red's strike bowlers. Floyd took 11 wickets over the season with 3 for 27 against Mt Torrens Green a highlight. He loves as crowd with the Floyd chant being called out when he goes to the crease has a habit of making something happen. Kym and Harry were our specialist fielders but I think they took votes off each other with their fielding skills.

Runs: 29

Bowling 11 wicket for 350

Catches 3

Tim Satchell

Tim played the first 6 games for the Red's before playing the rest of the season for the Blue team. He is a keen young cricketer who is not far off that big score, he was particularly missed in the field where his speed was hard to replace.

Runs: 50

Bowling 2 wickets for 59 runs

Catches 2

Andrew Nykiel

Andrew was our most threatening bowler his height and speed troubling all batsmen but he rarely was rewarded the wickets he deserved. He is still to learn that in B grade you must clean bowl the batsmen because we rarely catch anything! Nyks is another player not far away from that big score and he sure can hit a cricket ball.

Runs: 103

Bowling 7 wickets for 289 runs

Catches 4

Jacob Grieger

Many junior cricketers play their first senior cricket games in B grade and Jacob is still eligible for Under 14's he played 14 games in the Red's this season. An outstanding player of the future his spin bowling troubled most batsmen he coped well with the difficulty of bowling on the small back oval and this team that cant catch. A player to watch for the future his 5 wickets for 9 runs against Palmer outstanding as was his 39 runs against Eden Valley.

Runs: 73

Bowling 12 wickets for 403 runs

Catches 0

Simon McElroy

Simon's first season with Woodside and his enthusiasm for the game was great to see. His bowling continued to get better with each game, bowling a good length with good movement he opened the bowling regularly. We look forward to Simon's return next year as he will only get better. Best effort 3 wickets for 10 against Paracombe.

Runs: 88

Bowling 9 wickets for 335 runs

Catches 3

Joel Grieger

Joel the oldest of the 3 brothers playing in the Red's would win the most improved award if we had one. A good allround cricketer he took up the challenge of opening the Batting and scored 73 against Lobethal . Joel was often used to open the bowling and his line and length made him an economical bowler. Joel's other talent was being a youngster he was quick in the field and he could even catch!

Runs: 225

Bowling 7wickets for 198

Catches 4

Randall Hodgkinson

Randall joined Woodside this season and slotted well straight into the Red's team. He bowled well under pressure with his 3 for 11 against a season highlight. Randall has good batting technique and more runs are not far away, his speed over the ground is comparable to Jim and Harry so he fits in well.

Runs: 41

Bowling 6 wickets for 142 runs

Catches 4

Hayden Gamma

Hayden joined the club after being conned by fellow worker and Captain Steve Downs. It shows that Hayden is a natural talent. Every time Hayden went to the crease he looked like a big score would come his way but it took until late in season to get his rewards with a 50 not out against Eden Valley. He did stand out in this team because unlike many of his team mates he could field and even catch!

Runs: 148

Bowling 0

Catches 1

Adam Grieger

Adam is one of the Grieger clan and loves his cricket, he is definitely the quietest of the 3 brothers. Adam is the quiet achiever with good batting skills and an excellent fielder he has many years of cricket ahead of him.

Runs: 37

Bowling 0 wickets for 6

Catches 2

The Reds had 25 players play in the team this year, thanks also to **Tom Salter, Michael Hennessy, Steve Rowlands, Andrew Eggleton, Andrew Pavy, Tom McPeake, Ian Politis, Adam Gelzinis , Matt Allen, Chris Saunders, Brenton Druwitt, Hayden Dolphin, Ryan Hill.**

Under 10 Red Coach	Peter Reid

B-Grade Blue Report

Season 2010/2011 for the blues was a successful year but had a disappointing end to the season we missed out on finals. As Woodside Blue, Red, Lobethal and Mt Torrens/Charleston were all playing for top 4.

Even though we missed out on finals we had some thrilling matches with great wins, and had many milestones achieved throughout the season.

We started well with a 110 run win over Lobethal, with Dave Pasco scoring 101* and Brad Dohnt taking 5/21. As a team we had a young side but were very competitive.

It wasn't long until it was SHOWDOWN against the Red's. Always a great game, played with great sportsmanship and pride for the club. Blues were to bat first with Brian Grindlay and Brad Dohnt having an opening partnership of 72. But it wasn't until Patto came in and made 124* was a great game for the Blues.

The second half of the season was a bit up and down due to having a second bye and a forfeit. But Apples had a great second half notching his first half century and 5/27.

But I would like to mention that if it wasn't for the bloke at the other end no one would have taken a 5/for or made a ton or a half century, as you cant do it on your own. I would like to thank all the 14 other players who have filled in across the year. If it wasn't you all of you we would not have had a side every Saturday.

There is just too much great memories over the season to mention but the young guns of the team consisting of Shane Druwitt, Adam Gelzinis, Tom Salter, Jason DeGroot, Simon Clarke and many of the fills that are in our junior ranks are our future and I encourage all of you to come out and train at least next season as you will benefit from the experience!

Thanks for a great year boys!

Brad Dohnt
Vice Captain

Heath Patterson (Captain)

Our captain, stand out season, making a ton, taking a 5/9 and also taking out the association bowling and fielding trophy I don't think I can say anything his stats don't already say! Great season mate! Good luck next year!!!!

Brad Dohnt (Vice Captain)

Played just over half the season with the Blues, was consistent at the start of the year but couldn't post bigger scores when making a good start. Bowled well.

Damian Aplin

Great season making over 200 runs, taking 16 wickets and fielding like and A grader cant ask much more than that! His stats say it all! A full season with the Blues has made Apples into a well developed cricketer and will continue to get better well done mate!

Andy Pavy

Batted in the middle order all year and was our "Haddin" with the gloves! Had some great games where his posted scores that helped the team out of a hole! Pavy can even bowl taking 3/19 against Woodside Reds! Good season Pavy!

Nathan Payne

Payne was a great asset to the team, always making runs and always bowls tight! Was very unlucky not to take more wickets with his pace! Payne was as reliable as they come without Payney we wouldn't have won as many games as we did!!!! Great Year!

Adam Gelzins

Ado showed himself this year he can bat as good as anyone. Great swing bowler always moving the ball miles. I was told by Mark Legutko "That kid is the best bowler I have faced all year!" when a quality player like that says that it shows Ado is a talent cricketer and will get better and better as the seasons go by! I hope to see Ado bowl in top 3 and bat in the top 5 next season as that's where he belongs! Great Year!

Jason DeGroot

Jason is a good batsman making 20 against Eden Valley in the second game and a great bowler also taking 2/3 against Palmer! Didn't bowl and as much as he should have but I wish to see him next year like Ado bowl many over and taking shit loads of wickets!

Tom Salter

Our second wicket keeper. Can bat really well when has the patience to wait for the bad ball and then belt the ball over the fence which showed against Palmer and making 40 against Cambrai but for the Reds, well done on good keeping, batting and also a great laugh in the slips!

Simon Clarke

Had a disappointing season took 2/18 and made runs when give the chance. But for myself I wish to see Simon back out next year as he is a great bowler and he will only get better if give the game time, Simon has lots of potential and I hope to see it come out next season!

Shane Druwitt

Had a good year in the B's this being his first full senior season. Great bowler and can bat as well. Next season I hope to see him opening the bowling and bat around 6 or 7 as he will excel in cricket as Shane has a successful cricketing career ahead of him!

Chris Saunders

Only played a handful of games with us this year but batted really well every game and bowled tight every game. If he had played a full season he would have ripped through the opposition batting order! Can't wait for next year!

Tim Satchell

Played only half a season with us and the rest in the other three teams, had a lot on his shoulders opening with myself (Brad), Brian and anyone else throughout the season and did his job well if it wasn't for Timmy we would not have had a stable opening batsman. I would have to say his run out at Palmer was the best I had seen all year! Well Done Tim!

The Junior Report Season 2010/2011

Another season has gone as Junior Co-ordinator for Woodside Cricket Club and as we start planning for the 2011/2012 season we reflect on a successful 2010/2011 season for all involved in our club.

Our juniors form a large part of our club and each season we strive to offer more enjoyment from the game and after hours club activities through Family Fun nights, club draws and meals to mention a few. I am very privileged to be involved in one of the best clubs in the Torrens Valley Association and I continue to be amazed at the level of parental support and involvement within our junior teams.

This year we fielded two Under 10 & Under 14 teams in the Torrens Valley Association and an Under 12 and an Under 16 team in the Alexandrina and Eastern Hills Association. All our coaches were enthusiastic and shared a love for the game which reflected in their coaching.

The introduction of a Junior Director at club level saw further cricket development opportunities for our children. This role will continue in 2011/2012 season hopefully creating more and more fantastic cricket experiences, such as trips to Adelaide Oval, transition to the next grade of cricket within the club and representative opportunities.

With the introduction of an Under 12 side to complement the Under 14 and Under 16 Fleurieu North teams this year our club was well represented by players at both Association and District level. Outstandingly seven players from our Under 16 team represented at Association level and two of our Under 12 players were also chosen to represent various teams at the Statewide Cup played in January 2011.

Once again this year Peter Johns, a Legend at our club, has been the sole programmer for the Junior Torrens Valley Association, this is a big job and we thank Peter for his continued efforts in this area. Peter continues to be involved with the club on all levels offering guidance and direction when sought. Peter has also been involved in adding all our Under 14s & Under 16s details to the My Cricket Website each week and has been a wonderful on the BBQ when required.

Personally, I would like to thank the Junior Committee and especially all the families for their tiresome work in helping to make our Club what it is today

Don't forget to keep an eye on our website during the off season for upcoming events.

www.woodsidewarriors.com.au/cricket

Thanks again

Duck

Darren McDonald

Junior Co-ordinator

At the Junior Presentation Night the following Players were named to be awarded

The Most Valuable Player Awards for 2010/2011

Under 12 – Peter Johns Award **Connor Hortle**

Under 14 – Medlow Family Award **Mitchell Reid**

Under 16 – Bob Haesy Award **Jacob Grieger**
