# PRESIDENTS REPORT

Presentation night brings to an end another season, one which, if we reflect on, all grades played some very competitive cricket even though Harry's D grade highlight was a forfeit in the first game. We again got four senior and the U16's into the finals which is a great effort but disappointing not one team into the Grand Final. I felt for the under 16 boys who tied their game but because they were the lower qualifier, were knocked out.

I would like to thank Jim, Harry, and Duck for their efforts as part of the Executive, Jim, Tim and helpers for preparing our grounds weekly, it is a thankless job and very time consuming. I am not sure all of the rest of the committee, including the social committee, put in as much as they could have, we had a lot of meetings with only half a committee present, to those who did help out, thank you very much. Nykes and Shane as bar managers, a great job guys and I am sure Andy won't mind me saying a special thanks to Shane who not only managed the bar with him but the clubrooms, looked after the empties and most probably kept our club cleaner than his room at home.

To Peter Reid and his Junior Committee and coaches, what a fantastic job you guys do with our 6 junior teams plus the have-a-go's. Congratulations to you all, take a bow, our junior side of the club would have to be the envy of all other clubs. The few senior players who bothered to attend the junior presentation would have been amazed, as I was, to see 175 people turn up, fantastic, very well done to all concerned.

A special thank you to all of our club sponsors, I would like to give a special mention to U Blinds and publicly thank the owners Chris and Leanne for the donation to cover the cost of all Junior and Senior trophies this year. Buckets and Finsec, who bring us the membership draw each week and also kindly printed this report (I'm not sure they even know about it) thanks Craig.

In closing I would like to highlight the lack of support for our team mates in other grades, the A Grade played a number of home Sunday games but were only ever supported by the same handful of people who would open the bar and cook the bbq. The under 16 semi final on the Sunday drew a support crowd of only 3 who weren't directly involved in the team, Hoota, myself and Simone (she only came because I promised to buy lunch on the way home). We are the biggest club in the association and most probably country cricket in SA but we must unite as one club and support each other, to those who didn't make it to any Sunday games (Steve L you are excused) you missed leaning on the fence, sipping a beer in the sun, watching some great cricket.

To finish on a brighter note, I'm sure most of you have heard we have started the process to gain permission to build new clubrooms. This will be a lengthy process, firstly to gain the necessary approvals and then to raise the funds to build our new home.

Thank you all very much for allowing me to be President of our great club, see you at the AGM May 16<sup>th</sup>.

Cheers

Duane Ireland.  
PRESIDENT

# TREASURERS REPORT

**T**his season we followed instructions from our AGM and pushed for all players to be financial by the end of November, this was very successful. I would like to thank all Captains and committee members for their support in achieving this. This helped us in purchasing two new sets of mats and accessories to keep five sides on the park each week.

We used the Electronic Fund Transfer function for monies coming into our account more frequently and would hope we can use it a lot more in the coming seasons.

Thanks to Jim Hennessy for the Monday morning walks to the bank during the season - very appreciated for his services.

This year we are currently trialling a financial program from Cricket Australia to help with the yearly reports.

Annual General Meeting

**H**ow would you like an opportunity to contribute to the future of this great Club? The Annual General Meeting is coming up and this is the chance for you to lend a voice for the best interest of the Woodside Cricket Club. Once appointed, the committee meets about once per month for around two hours and makes decisions for the benefit of the whole membership. All positions are declared vacant at the AGM, where formal elections are held to appoint the new Executive and Committee members.

Refer to a previous page within this booklet to see what positions are required to be filled, and if you are interested in joining the group, please approach one of the existing members and let them know of your intentions. We are always looking for keen, eager persons to join the committee, so what are you waiting for!

# A GRADE

Rear L to R: Craig Medlow; Chris Baschiera; Shane Druwitt; Matt Johnston; Craig Smith; Steve Haesy.  
Front L to R: David Collins; David Wescombe; Aaron Galvin; James Marshall; Michael Hennessy.

In my first year as senior captain for Woodside I was looking forward to the challenge that lay ahead. I wanted to continue to implement a few of the things that Craig had in place from the previous 4 years when he was in control, and also introduce a few ideas of my own. The biggest challenge for me was introducing some much needed youth to the side to replace some of the senior players who had held the A-grade together for what seemed like decades. I was also looking forward to giving individual players specific roles in the side, and hopefully having them willing to play their part, no matter how big or small they felt it was.

We undertook a reasonably solid pre-season campaign and by the time round 1 came around I felt like we were ready to go. I set the side a goal to win our first 3 games and we not only achieved this but won our first 5 games to sit comfortably on top of the ladder. We had shown good form with both bat and ball and were happy with our progress. During this time we had again qualified for the Courier Cup and were successful in making our way into another grand final, being Woodside's 4<sup>th</sup> appearance in a row. This year we weren't so successful being defeated by a fired up unit from Mt Lofty in the decider.

Over the remainder of the season our form was very up and down, losing 4 of our last 8 games, with individual form heavily affecting the team's performance. This had meant we had finished the season in 3<sup>rd</sup> position and had missed the opportunity to host the semi final at home. However, we won our last 2 games heading into finals, including a come from behind outright win in the last round, and were full of confidence heading into finals. We knew our best cricket was good enough to beat anyone in the competition, we just had to produce on the big stage when it counted most. In the semi final we had to head out to Nairne, the premiers from the last 5 seasons, knowing it would take our best effort to get over the line. Well, 2 days later and it was clear we weren't up to the task. They made a massive 314 on the first day after I had lost a very important toss of the coin, and we replied with a dismal 59 in our chase. The huge loss was disappointing as it wasn't a true reflection on the gap in talent between the 2 sides. In reflection over the past couple of weeks, 3<sup>rd</sup> position is probably where we sat as a playing group and need to continue to work hard and improve small facets of our game to close that gap between just making the finals each year and bringing home that premiership shield that we want so badly.

I need to offer a huge thankyou to Anne Oliver who was our scorer for the season. She was there every week without fail, even turning up on Sundays to score for our Courier Cup games. Thank you Anne. To the committee, who trusted me with this job, I hope I have started in the right direction and that elusive A grade premiership isn't too far down the track. Finally, my teammates, I have thoroughly enjoyed my first year in charge and have learnt a lot along the way. I have been lucky to have a great group of blokes to work with and captaining this side really hasn't been hard work. I hope I've been at least bearable and that we as a playing group realise the small sacrifices necessary to take the next step towards our ultimate goal, winning!

CAPTAIN

#### **PLAYER PROFILES 2013/14**

**Michael Hennessy**      **Bat: 14 innings – 131 runs @ 10.9**      **Best 22**  
**Ball: 20 overs – 6/74**      **Best 3/19**

Henno was last season's premiership winning captain of the A2's and was looking to cement his place in the side. He started the year batting in the middle order and bowling the occasional over when we needed a partnership broken. At the end of the year he was thrown in the deep end, opening the batting, and he handled himself well in this position. He should aim to open the batting in the A grade next year for the whole season.

**Dave Collins**      **Bat: 17 inning - 358 runs @ 23.9**      **Best 110**  
**Ball: 3 overs – 2/0**      **Best 2/0**

Dave started the year batting in the middle order and wasn't heavily relied on as our top order had a very good start to the year. Through our rough patch mid season he saw more opportunity and had some good starts. Sent in as a night watchman against Lobethal, Dave faced over 200 balls and made the only century for the season. This cemented his place opening for the remainder of the year. He still looks like the best batsman in the competition in the nets. One look at his bowling stats for the year and he was clearly under bowled. A pleasure to play with, looking forward to many more years with Dave at the club!

**Craig Medlow**      **Bat: 18 innings – 411 runs @ 24.2**      **Best 77**  
**Ball: too many – 4/80**      **Best 4/39**

Buckets was handed the most important job in our batting line-up, batting at 3. His form before Christmas was exceptional as he spent a lot of time in the middle soaking up overs from the opposition's opening bowlers, which was his job. Easily the most determined bloke in the side, this is a trait all young cricketers at the club should look up to. He was very helpful to me as first year captain, having another set of eyes in the field was priceless. Craig was extremely persistent in his attempts to bowl, as he spent most of the season in the field warming up!!

**Matt Johnston**      **Bat: 16 innings - 332 runs @ 25.5**      **Best: 89**  
**Ball: 11 overs – 4/43**      **Best: 3/14 inc hatrick**

Hoota hit the season running with both bat and ball and looked to be an X-factor the side needed. Like a few of our batsmen he played most of his good innings before Christmas, and always looked set for a big score. He bowled some very handy overs at the start of the year until injuries took toll on his finely tuned body. Apparently took a hatrick in a game that I had to miss, so I'm still not convinced. If he gets himself into shape for next season we can expect big things from Hoot.

**James Marshall**      **Bat: 14 innings – 216 runs @ 21.6**      **Best: 62**  
**Gloves: 30 odd catches, a couple stumpings, lots of bruises.**

Jimbo turned up this season looking like he hadn't eaten since 2012/13. Not anymore "the big fella" he was as fit as a fiddle. His batting was solid as it always is and his keeping was up to his usual high standard (maybe not on Sundays). Rarely bowled, often caught behind, he played his part in some good partnerships throughout the season, notably a 100+ run stand with Dave v Lobethal. Has vowed to take Shane under his wing this winter to increase his fitness.

### PLAYER PROFILES (CONT)

**Dave Wescombe**      **Bat: 17 innings – 575 runs @ 35.9**      **Best: 84**  
**Ball: 92.3 overs – 13/370**      **Best: 3/24**

Wingers is our team's most important player. He has the ability to take the game away from the opposition with his fast swinging bat, bowling his low bouncing skidders or doing something freaky in the field. His start to the season with the bat was exceptional, making 50 in his first 3 innings. He reached 50 with the bat 6 times this season, but was unable to turn any of those starts into big 100s. Wingers' usually reliable radar with the ball was broken for much of the season and some opposition batsmen returned favour with some big hits over the fence. A very reliable fielder, he spent some time in the slips this year and took a few sharp chances.

**Steve Haesy**      **Bat: 5 innings – 92 runs @ 30.7**      **Best: 34**  
**Ball: 20 overs – 2/66**      **Best: 2/25**

Steve came into the side for our last few games after having smashed the A2 bowling attacks out of the grounds at the start of the year. It took some convincing to get him to return to A grade ranks but was a valuable member when he was there. He always looked at ease at the crease and bowled some handy wobblers when required. Bought himself a new bat for Christmas so looking forward to having him around the club for a few more years yet.

**Craig Smith**      **Bat: 6 innings – 8 runs @ 1.3**      **Best: 7**  
**Ball: 46 overs – 6/216**      **Best: 3/16**

We welcomed Smithy back this season after having spent 18 months in the UK. He spent his first training session back with us telling us how good the competition he played in was, and mainly how good he was. When he left he was quickly becoming one of the competition's most dangerous leg spinners and lower order hitters. On return he was quite a threat for children in the Woodside playground, as his fair share of waist high full tosses were whacked over the fence. In all seriousness, if Craig decides to give his best effort next season the competition should look out because he has the ability to play a massive part in this club winning its next A grade flag.

**Chris Baschiera**      **Bat: 8 innings - 58 runs @ 9.7**      **Best: 25**  
**Ball: 64.2 overs – 11/247**      **Best: 5/12**

With Shane coming into A grade ranks this season, Bash now moved down to our 6<sup>th</sup> quickest bowler. He got the tough task each week of opening the bowling into the wind and often uphill. Still a very good new ball bowler, when he got it right early in the innings, it made it a lot easier on the rest of the bowling attack. Easily our best fielder, both in the covers and on the boundary. Opened the batting in a few one-day matches this year, he should set himself to do the same for next season.

**Aaron Galvin**      **Bat: 15 innings – 103 runs @ 9.4**      **Best: 46**  
**Ball: 176.1 overs – 39/491**      **Best: 7/91**

Coming into the season I was hoping to improve my batting, but as they say stats don't lie and my last 11 innings didn't result in me reaching double figures. If I continue at this rate Shane will well and truly be above me in the order, a very scary thought! Being captain you get to bowl when you like and this resulted in me often trying to clean up the tail. I had a very enjoyable year, but am starting to get impatient in my quest for premiership glory.

**Shane Druwitt**      **Bat: 8 innings – 20 runs @ 6.7**      **Best: 9**  
**Ball: 153 overs – 19/430**      **Best: 4/9**

Our youngest player in the side, "The Rat" played his first full season of A grade cricket this year. Bowled very tight all season and after finding wickets hard to get before Christmas, he really excelled in the later half of the year. Picked up 3 x 4 wicket hauls in the last few rounds and gave the boys plenty of laughs with his post-delivery stare downs and attempted sledges for the batsmen. At the start of the year he was struggling to bowl more than a 4 over spell, but with improved fitness could bowl all day by finals time. A real treat to watch in the nets with bat in hand, the big Rat should look forward to bigger and better things in season 2014/15 as he gets another year stronger and fitter.

### PLAYER PROFILES (CONT)

**Michael Klose**

**Bat: 6 innings – 53 runs @ 17.7**

**Best: 44**

**Ball: 72.1 over – 16/247**

**Best: 5/33**

Vods had a very good start to the season with his left arm drifters. Always good for a laugh in the field with his dancing in the gully. Was very unlucky to be dropped back to the A2's a few weeks before finals time. His highlight for the year would have to be top scoring for us against Nairne in our 2-day clash. A great club -man, looking forward to having Vods around the place for years to come.

**Jeremy Snoad**

**Bat: 12 innings – 201 runs @ 16.8**

**Best: 58**

**Ball: not required.**

Snoady was asked to open the batting again to start the year. Didn't have as successful a season with the bat as he would have liked, which resulted in him spending some time in the A2's. Always gives his all in the field, a very safe set of hands and probably the best arm from the outfield. His A grade career is certainly not finished, a great bloke to have in the side.

Also thanks to the following who played during the year:

- Daniel Banks
- Jamie Milton
- Daniel Burton
- Ryan Hill
- Steve Kennedy (hasn't been seen since)
- Tremaine Kerber
- Richie Reichstein (Sunday specialist)

Vinnie Kain Memorial T20 squad

## A2 GRADE

Rear L to R: Jeff Marshall; Dale Robinson; Daniel Burton; Michael Klose; Jeremy Snoad; Grant Parker  
Front L to R: Richie Reichstein; Daniel Banks; Ryan Hill; Duane Ireland; Rick Hill.

**W**e had the unusual situation of our captain Michael Hennessy only playing 3 games in the side this year because of A grade selection, which was great for him. The team started the year in fine form declaring our first innings at 2/295 from 55 overs, we then bowled Maccy out for 160 in the next 55 overs, leaving us a lead of 135 with 30 overs to play. After batting for the next 3 overs, we set a target of 152 to win from 27 overs, Maccy were keen to take up the challenge and finish all out for 141 with an over to play. This outright win in the first game kick started our year and our form which would see us at 4 wins and 1 loss at the xmas break, sitting in top spot. To this point we'd had contributions from everyone in the team, every bat had made a good score and all the bowlers were getting the job done for us.

After xmas we kept the roll going by winning the next 2 games, but that was the end of it. We then lost the next 4 including the semi, which was a low scoring, hard fought game. We set Callington 92 to win and when they were 5 for 42 it looked like we may just pull off an unlikely victory but sadly then steadied and went on to score 109 and in doing so stopped us from reaching our 4<sup>th</sup> Grand Final in a row.

Looking back at the year everyone in the team did their bit during the year, maybe not as often as we needed to late in the year. To go with the top two teams we needed an extra A grader to be a star, no Heno, no Hahesy, I'm sure either of these two guys would have given the team enough to get to the next game, but that's the job of the 2's; to supply players to the A grade.

On a positive note, Banksey stepped up and improved on last year, Chook proved to be a great recruit to the club, Dale Robinson (plank to his mates) stepped from U16 and D grade to open the bowling in the 2's and will be even better next year. We also had the best fielder in the competition in Whiz junior and GP just made it impossible to drop him back to the B's.

By the time next season starts both myself and GP will be 50 years old, but we both wish to keep playing at as high level as possible, I challenge Brad Jones, Ryan Hill and Rick Moore to stand up and demand our spots in this grade.

Duane Ireland / Michael Hennesy  
CAPTAINS

#### **PLAYER PROFILES 2013/14**

##### **DANIEL BANKS                      308 runs @ 34.22**

Banksie started the year very well with 69 against Maccie then had a lean period through till mid January when he hit his straps, he worked hard to set himself in then once he got going went on with it producing scores of 52 not out, 41 and a season high of 95. Seems to enjoy the challenge of seeing off the opening bowlers and attempting to set up the innings for the team, overall played a very good season. Was unlucky not to reach triple figures against Callington in the last minor round game where at 95 he sadly ran himself out. His good season was rewarded with taking on the openers position in an A grade game

##### **GRANT PARKER                      241 runs @ 21.91**

After a good start in the Bs Grant was promoted to open in the 2's where he took to the role and enjoyed the challenge whilst producing 5 scores of 24 and above. Once he got going, he with his partner, Banksie worked hard with 4 strong partnerships which launched the innings, producing scores of 38 and above with highlights being reaching opening stands of 86 twice. He finished the season off with a high in the last minor round game scoring 50.

##### **STEVE HAHESY                      223 runs @ 55.75                      11 wkts @ 12.27**

Steve came into the side part-time to help out and was persuaded to play full time after enjoying his cricket. He showed from the very first game at Maccy what a force he could be in the A2s with a quick fire 74 not out. He also made 2 other scores of above 50 and in doing so would change the course of the innings within 5 or 6 overs. It was great to have Steve with the ball when things got tight, he would always take a couple of wickets with his ability to swing the ball both ways. Was sorely missed when persuaded by the A grade to move up and strengthen the top side. We look forward to having Steve in the A2s full time next year.

##### **DUANE IRELAND                      182 runs @ 26**

Duane ended being Captain for all but 3 of the games this season due to Heno being recalled to the A's. As in previous years his Captaincy was outstanding (especially the outright v Maccie in round 1). He batted at 4, in 6 of his innings and knuckled down to hold the mid order together when the top order failed. His 50 not out against Nairne was his highest score and it was appropriate as he turns 50 this year. He took over the keeping gloves from part time keeper Banks around xmas taking 2 catches in a quiet year behind the stumps. Taking the 2's to Semis this year after 3 straight Grand Final appearances (winning 2) was a great effort. Throw in his role as President and hopefully he has no plans to retire until we have 1 more flag in the bag!                      Written by GP.

## PLAYER PROFILES (CONT)

### **MICHAEL HENNESSEY**

**157 runs @ 52.33**

Heno did play a game in the 2's until mid January, he moved straight into the number 3 spot and made a fantastic 71 not out against Mt Barker and lead us to a great 9 wicket win. Mick only ended up playing 3 games for the A2's before being promoted back to the A's but in each of the innings he played in that time he stamped his authority on each game. This should be the last we see of him as he needs to become a permanent member of the A grade, good luck dog! It's been a pleasure playing alongside of you.!

### **DANIEL BURTON**

**205 runs @ 22.78**

**10 wkts @ 36.5**

Welcome to the club, had a great first year with bat and ball. Showed the damage he could do with the bat with a season highlight of 64 against Nairne sharing in a 6 wicket partnership of 111 and backed it up when the team was in trouble at Strath with another partnership of 86 whilst making 56 personally. He was very consistent with the ball and at times moved it too much for the batsmen to nick and consequently didn't get the reward. Hopefully next year he can continue on to strive for the rewards he deserves.

### **RICHARD REICHSTEIN**

**127 runs @ 18.14**

**6 WKTS @ 22.67**

Richie is a very capable and dangerous batsman which he displayed with the best innings I have ever seen him play at Strath when the team was in trouble at 5 for 122 and batting rest of the day to get us 6 for 263. His partnership of 86 with chook helped build a match winning score. He didn't bowl as much this year but once ball is in hand becomes very competitive and capable of snaring a couple of wickets. He enjoys the challenge of bowling to his bunny, Reece Jordon from Callington.

### **RYAN HILL**

**79 runs @ 26.33**

**1 wkts @ 11**

Ryan is a young man who made a couple of very useful contributions in the middle order during the year with highlights being 33 against Lobethal and a hard fought 27 not out against Callington where he copped quite a working over from the fastest bowler in the A2 competition. He provided a season highlight late in the season which everybody playing A2 and Bs on the back oval got to witness, one of the finest out field catches you will ever see, off the bat we hoped he may be able to save a boundary but instead using his speed he completed a spectacular diving catch. With continued improvement next year we look forward to him cementing a higher batting position in the As.

### **BRAD JONES**

**99 runs @ 19.8**

Brad had a great start to the year with 73 against Maccy but in his first full season out of U16s he failed to capitalise on his full potential but we believe as Brad gains more experience at senior level, with the right coaching, he will gain more confidence and develop shots all around the wicket which will see him score more runs in senior cricket. Brad had a good year in the field showing his ability taking a blinder of a catch and using his strong arm for a direct hit run out from almost the boundary.

### **JEFF MARSHALL**

**11 wkts @ 20.91**

Goeff was thrust into the opening bowling this year with his varying out swing deliveries. On most occasions hitting a nice line and length where he was rewarded with regular wickets, receiving match best figure of 3 for 5 and 4 for 28. We look forward to seeing him next year where he will hopefully get more of an opportunity with the bat.

## PLAYER PROFILES (CONT)

### **DALE ROBINSON**

**13 runs @ 13**

**13 wkts @ 24.46**

Dale opened all year which is such a big job for a young lad in his first year out of U16s. He steadily improved all year, he needs to work on his ability to bowl longer spells which he showed signs of doing by the end of the year by bowling a 6 over spell in a semi final where he was rewarded with career best figures of 4 for 24 from 13 overs. Dale is a work in progress and will take a few years to develop physically but has the potential to turn into an A grade opening bowler being left arm and his ability to swing the ball. We look forward to watching Dales progress over the next few years.

### **RICK HILL**

**7 wkts @ 18.57**

Rick came into the A2s part way through the season to strengthen our bowling stocks and because of his experience was able to contribute with regular wickets showing he still had plenty to offer at A2 level with his best performance being 16 overs, 2 for 30. He has been a cherished member of the A2s over the last 5 years with his knowledge and experience always having something to contribute the side. It has been a pleasure to play with you over the years.

We also had a number of others who contributed during the year including **Jamie Milton** who made a bright start to the year with his highest score to the club of 57 not out and was also bowling the best he had until breaching his finger in the A's and never regaining that form. **Chris Baschiera** played a game and a half during which he made a stunning 120 and showed how talented he is with the bat, if only he added a little patience. **Craig Smith** also played a few games on his way to the A's. Smithy had to work hard for his runs but found a bit of form with 26 and 44 back to back, he didn't take many wickets for us but we did manage to get quite a few, much needed, overs into him. **Michael Klose** finished the year with us having a good game against Finniss with 4/30 and sadly top scoring in the semi with 18. Others who also played during the year are **Jeremy Snoad, Andy Pavy, Simon Blowes, Matty Allen and Peter Reid**, thank you all.

Our goal for this season was to make finals and we were going to work hard as a group to get results. Well done to all the players and a special thank you to the stand in skippers Reidy (while Duck was injured from round 8 onwards) and Hammer (while Reidy was injured and A2 higher duties). 38 players were put on the park during the season and, of this 13 players played 5 or more games. We had a couple of older players who got season ending injuries early and would like to see them return next season for some unfinished business. We created the knack of winning nearly all games close and played with a never give up attitude. This was displayed especially by the younger team members late in the season great job Mitch and Jezza. Congratulations to Snoady for his amazing knock of 202 vs Milang. Another highlight was a twilight game Vs Echunga at Echunga under lights which was played a pink ball. We played in our Woodside blue shirts and it looked great from the side line.

CAPTAIN

### B GRADE PLAYER PROFILES

#### **DARREN (DUCK) McDONALD**

**GAMES 5   RUNS 116 @ 23.20**

Started the season **brilliantly with 61** v Callington. The game made famous by the Duck/Parkes runout affair. Injured his thumb seriously 2 games later, trying to make a quick single (try figuring that out). Bravely tried to continue for 2 more games. Not seen for some time, but appeared again, nearing finals. Hope he continues as captain again next season – unfinished business.

#### **PETER (TURTLE) REID**

**GAMES 9   RUNS 143 @ 20.43**

**CATCHES 7**

Peter has been the Wicket keeper for most of the season and my right hand adviser at the beginning of the season. By far not the best season with the bat by his standards. A great team member and a really nice fella to play with.

**HAMISH (HAMMER) LEITH    GAMES 12   RUNS 120 @ 13.33    WICKETS 18    CATCHES 6**

Hammer started the season without the ball and gradually took it when the back and shoulder became loose enough to throw his arm **best with the ball 5-18**. Great guy to have in your team especially with his mentoring efforts with the young guys. Still some unfinished business to do.

**DANIEL (STEELY) STEEL    GAMES 12   RUNS 48 @ 8.00    WICKETS 19    CATCHES 2**

Steely the ultimate bowling machine and some outstanding fielding efforts best bowling was 5-11 and 5-17 great spells. As the season progressed he did improve with the bat.

**RICKY (MOOREY) MOORE    GAMES 14   RUNS 292 @ 41.71    WICKETS 1    CATCHES 2**

Moorey an outstanding season with the willow Mr. Consistent for most of the season **best with the bat 52no**. Your fielding did improve as the season progressed.

**MITCHELL (MITCH) REID    GAMES 11   RUNS 35 @ 17.50    WICKETS 9**

Mitch started the season in the C's and worked hard with the ball to play in the B's his **best with the ball 4-29** he also worked with his batting helping to win some close games. Well done.

**JEREMY (JEZZA) DRUWITT    GAMES 10   RUNS 37 @ 6.17    WICKETS 7    CATCHES 3**

Jezza was the youngest player to play in the B's this season. His efforts in the field were outstanding at times even freakish. His bowling improved and showed he was able to play in this grade **best with the ball 2-14**. He also batted in a close game to bring in a win. Well done.

**BRENTON (BJ) DRUWITT    GAMES 7   RUNS 70 @ 14.00    WICKETS    CATCHES 7**

BJ played the fill in roll when we were short on numbers this season. Thanks for your help and hope you play all season next year. He did some outstanding work behind the stumps as always.

**ANDY (NYKES) NYKIEL    GAMES 6   RUNS 75 @ 18.75    WICKETS 4    CATCHES 1**

Nykes didn't start with the B's and due to some soreness with his knee we took him when he was fit to play **best with the ball 3-12**. He also showed some grit and determination with the bat **best with the bat 38**.

**MAT (MATTY) ALLEN    GAMES 6   RUNS 25 @ 6.5    WICKETS 6    CATCHES 1**

Matty probably had a year to forget with the bat. Took 6 wickets in his 6 games with the B grade, with his **best 3/13** against Milang at Milang.

**SIMON (USE MY GEL) MCELROY    GAMES 10   RUNS 87 @ 12.4    WICKETS 6    CATCHES 4**

Started the season with a **brilliant 39** against Callington. Always gave his best with bat or ball. **Best with ball 2/14** v Milang. Always good for a laugh on the field.

**DAVE (BALLY) BALL    GAMES 5   RUNS 49 @ 12.3    CATCHES 1**

Started the year with a ton of runs in the D grade, before being promoted late in the season. His **best with the bat was 31** against Ashbourne. Very good slip fielder. Proved a huge asset to the team, with his help to the fill in captains regarding field placements and bowling changes.

**JEFF (BANGERS) LANGBEIN    GAMES 5   RUNS 6 @ 2    WICKETS 4    CATCHES 1**

Remembers Bangers? He opened the bowling in the first 5 games before injuring his shoulder and was never seen again. Had a day out against Hahndorf, with **his highest score of 5 and his best bowling of 2/32**.

\* Special mention to our supporters that saw more of our games than our illustrious leader, Mack Leith and Steeley's family.

## C GRADE

Standing L to R: Scott McDonald; Rob Archer; Richie Naisbitt; Sam Luck; Mika VanDoorn; Jacob Champney; Tyson Reichstein  
Front: Todd Wiseman

It was a high standard of competition for the C Grade this year with all teams being very equal. At the start of the season we knew that the teams that only had an A's or A2's above them would be very strong. Every team had two players that were very good and playing a few grades below they should've been. But no team was a stand out with us beating the top team Langhorne Creek and being very close the second time we played them. Nairne were very strong again and we were very close on two occasions against them. We played Finniss four times this season and we won twice by lots and lost once by lots and the other game there was controversy in how you can take a catch in the backyard of Downsey mum's old house. Maccy had our measure all year posting scores around 150 on medium size ovals and us chasing only making 70 odd three times against them. We had Cally's measure four times this year being able to bowl them out every time we played against them and beating them very heavily on all occasions. Our best performances of the season were winning our first game of the season against Langhorne Creek from some extraordinary cricket from (the ring in) Reidy and Liam, Beating Finniss somehow when we only made 120 and them being 1/90 and giving a 12 year old by the name of Noah Bell the ball and in his first senior game taking 5/6 of 3.4 over's, Watching VD get carted all over the place and him taking 5/34 against Cally on the best turf pitch you've seen, Bowling out Cally for 20 in some strange circumstances where they forfeited then they had 7 players show up wanting to play so we bowled 10 over's at them and took the 6 wickets needed, and lastly watching Lucky make 123\* smashing Cally around in the last round of the season was a real highlight of the season. Special thank you to Harry for letting me take his players every week. Also a huge thanks to the juniors that stepped up and played this season.

Thank you to all the other players that played this year and this includes; Jeremy Druwitt, Stuart Harris, Tommy Blaney, Javid Ali, Brian Grindley, Paul Compton, Lindsey Knott, Harry Ronan, Dan March-Feltham, Mitch Reid, Peter Reid, Noah Bell, Timmi Altmann, Andy Nykiel, Jacko Liersch, John Bliss, Ryan Hill, Simon McElroy, Jacob Snod, Rhees McDonald, Mike Feltham, Tommi Kabelitz, Stumpy Le Couteur, Tyson Le Couteur, Jamie Milton, Matt Allen, David Ball and Jessie McBride.

### C GRADE PLAYER PROFILES

**Scott McDonald** (Written by VD)**Games 15****Runs 102****Wickets 20**

Scotty had a pretty poor year with the bat this year and didn't really fire for us at all. His top score was 21 (19 singles) against Finniss at Finniss where the bowling wasn't that good. He was good at moving the field around and his leadership on and off the field was very good. His bowling was his best bit of his cricket this year and he showed how he could bowl tight spells. His spell against Finniss at Finniss where he bowled 7 over's 2/9 was great and his 5/36 against Maccy was also great.

**Steve Liersch****Games 14****Runs 83****Wickets 2**

Steve was the most important player of the team this year as he was the wicket keeper. He had an average season with the bat from his own expectations and he disliked it when he couldn't make the scores he wanted to make for the team. Steve developed into a power hitter in the second half of the season in which we saw him make 34 off about 18 balls against Finniss. His leadership on the field behind the stumps was fantastic and having him change the field to reduce the amount of runs that were being scored was great. His wicket keeping ability was great to have and he was the most energetic person on the field at all times. It was great to play with Steve and I hope I get to play with him again next year.

**Micka VanDoorn****Games 13****Runs 105****Wickets 16**

VD well what can we say here... VD was very good with the bat and ball at the start of the season with his highest score of 45 against Nairne and his 5/34 against Cally he was unplayable when it was pitched up. He was very loud in the field at all times and all the other army blokes enjoyed giving him a bit of stick when he dropped catches. His weird bowling action got him called for chucking at the start of the season. (He overstepped the crease). VD looked liked he took his foot off the accelerator in the second half of the season but he still tried hard. It was great playing with you this season again and I'd like to hope you enjoyed playing this season. Next year you will become the batter you wish to be.

**Todd Wiseman****Games 13****Runs 18****Wickets 10**

Squid was very good in the field this year and with the ball again and his bowling action took lots of wickets during the second half of the season. At the start of the year he said to me that he is a batter that can bowl and it didn't really show like last year did. He found new ways to get out this year and really disliked not making many runs. When Squid got the chance to bowl with the new ball he relished taking 2 wickets each time. He bowled his best playing against Finniss at Finniss taking 2/14 off 4 over's and he bowled 8 extras in that. He's a great character of the team and one of the best blokes to be around and I wish him all the best with his cricket in the future.

**Liam Harding****Games 10****Runs 225****Wickets 4**

Mr Consistent himself, Liam was our best batter all year he consistently made over 20 every game and didn't get that 50 that he wanted so badly. Liam opened the batting most of the year. (Well he says he hated it but we all know he loved the challenge). Liam was the first to ask for bowl saying to me he is the most under bowled opening batter ever. Liam would always ask if the bowlers were fast and when they were he would ask them to slow down at every point. Then he would smash the cover off the ball the next ball to the fence. Liam's technique is wonderful and he isn't afraid to leave the ball. He was the best in the field all year and would always have a throw at the stumps. Well done mate on a great year and enjoy playing higher grades in the future.

**Tim Satchell****Games 10****Runs 136**

Timmy had a below average season to his standards he seemed to struggle with the average bowling you get in C grade. His best innings was against Finniss where he batted all innings and made 41 not out when the team made 65. His fielding was always good in the covers and his efforts were noted when he would dive on some of the ovals that don't have grass on them (Finniss). I'd like to see Timmy come back and have a stellar season next year with the bat and get back into that B grade.

## C Grade continued

### **Tyson Reichstein                      Games 9                      Runs 21                      Wickets 7**

Miley was great with the ball this year in the C's taking wickets when they were needed. His batting was well under par in the seniors with his fine form in the U16's getting him a game with the C's as a batter and not a bowler. His Best performance was against Callington at Forrest Range where he took 3/17 and he regularly tried to bowl a bouncer to the oldest opponent on their team that was amusing when he would get hit for 4. He was always great in the field and he took the best catch I've seen ever at Callington. Well done on a good season and we will see bigger and better things from Miley next season.

### **Brad Dohnt                              Games 7                      Runs 102                      Wickets 7**

Brad had an interrupted year this year starting in the B's then coming down to play in the C's. He is a great hitter of the ball and really showed us some power hitting from the start of games but failed to build a big innings which was needed at times. His highest score was 32 against Maccy where we got bowled out for 79. He also bowled well and his best figures were 3/21 against Nairne. I'd like to hope he comes and plays again next season.

### **Sam Luck                                      Games 6                      Runs 288                      Wickets 6**

Lucky joined us late in the season and added some much needed batting skills into our side. His ability to take a bowling attack apart was much needed and it saw us win 3 from our last 4 games. His best performance was his 123 not out against Cally at Forrest Range. His bowling at the death of games was great and he was far too quick for any lower order batsman. His catching ability in the slips was also great to have. He was a great asset to our team and he will be a great player for Woodside in the years to come.

### **Rob Archer                                  Games 6                      Runs 148                      Wickets 1**

Arch was great to have in the team for the last 6 games of the season. His presents on the field are great and the amount of smack he talked to the batters or to the other army lads was perfect for our team. His best innings was 54 not out against Finniss and really showed us that he could keep his head and bat time and put some runs on the board. He only bowled 3 balls this season with the C's and thrived on getting a little kid out with a leg break and celebrated accordingly to the situation. Hopefully he will be around next year for another great season.

### **Richie Naisbitt                          Games 5                      Runs 4                      Wickets 4**

Richie was another army lad that joined the team in the last 5 games of the season. He is a very talented left arm bowler and had the aggression of Mitchell Johnson. His best bowling was against Finniss where he took 2/10 in a very fast spell just before drinks. He didn't mind throwing in the bouncer and scared a poor bloke from Finniss that much he jumped out of the way of his next ball and it bowled him. Richie's batting wasn't his strong point but with some more practice he will be a very good batter.

### **Jacob Champney                      Games 5                      Runs 30                      Wickets 4**

Champs was another army lad that joined the team in the last 5 games of the season. He was a brilliant fielder and a good batter and bowler. He showed us in the first game he played at Finniss that he could field and catch with 2 good catches. At Maccy he got the opportunity to open the bowling and took it with great success taking the first 3 wickets and finished with figures of 3/32 off 7 over's. At Forrest Range he showed us he could bat with a very good technique and made 23 of as many balls and looked very solid. Hopefully he will come back and play next year.

### **Thomas Pett                                  Games 5                      Runs 8                      Wickets 2**

Tom was in Germany for most of the season and only managed to play 5 games in the C's this year. Tom is a very good bowler and when he pitches the ball up he bowls very well and he is really hard to get away. Tom struggled batting this year from having lots of cricket off during the season. Tom's fielding is very good and a real asset in the team. Next year will be a big year for Tom as he will come through the ranks next year.

# VINNIE KAIN MEMORIAL T20 MATCH

On Sunday 1 December 2013 a T20 match in honour of Vinnie Kain, a member of both Woodside and Nairne Cricket Clubs, was held at Nairne Oval. The match was played in the best of spirits with both Vinnie's father Peter and youngest brother Jimmy participating. Woodside were the eventual winners of this inaugural and entertaining match, and we look forward to next seasons return encounter at Warrior Park.

Tragically, Vinnie died in a vehicle accident last year (2013) and this event was both a means of raising some funds for the Kain family and to remember a great lad who is sadly missed by all who knew him. Vinnie played most of his junior cricket at Woodside and was joint Captain of the Woodside Under 16 Premiership side that won the TVCA flag in 2007/08.

Fittingly, Vinnies little brother Jimmy captured both Hoota's and Basher's wickets and finished with the very respectable figures of 2/31.

Woodside's Social Side (or D Grade as it's otherwise known as) did not fare so well on the ground this year. After a long wet winter, we were all keen for our first match of the season – the kit bag had been packed, the esky loaded for a trip to Mt Barker, and then came the mid-morning phone call, *"sorry guys, need to forfeit due to half of the Mt Barker club being away on a footy trip"*. Ah well, first game was won on forfeit, and unfortunately, that's where the wins ended. Yes folks, not a win off the bat all year. Round two, at home, Woodside bowling, very first ball of the match/season, snick down leg straight to the fielder, dropped catch. Batsman goes on to make 70 odd..... reality check here. Their 3<sup>rd</sup> eleven goes on to beat our 5<sup>th</sup> eleven by 112 runs. And that my friends was the theme for the season. There's certainly a positive from having 55 guys available each week to play cricket at this Club, but we do tend to struggle in this lower grade against other clubs who only field 2 or 3 sides.

However, the team was always well represented at training, and all those who played in the side were keen to get back the following week and do it all again. Sure, it feels better to win (from what I remember), but I'm justifiably proud of the efforts put in by all players week in week out, and in particular when the chips were down and another defeat was looming. It was also pleasing to receive regular comments from opposition Captains & players who commended the Woodside D-Grade boys on the spirit in which they played the game. There were a number of games where we came close to a win, (Rd5 vs Strath lost by 7 runs, Rd8 vs Mt Barker by 16) plus a couple of others that were around the 20 run mark. Still, that's cricket, and I wish to thank the Club for the opportunity of leading the side this year; I also wholeheartedly thank all the players for putting up with me during the week when checking on their availability etc, and on Saturdays on the field, and I look forward to seeing the D Grade win a few matches next year.

## D GRADE PLAYER PROFILES

Jayden "JJ" Hill	14 matches	8 runs	8 wickets	1 catch
------------------	------------	--------	-----------	---------

Great season from JJ. Played in every match and bowled a consistent line all year. Expect bigger and better things from him next year, when he'll be pushing for selection in higher grades.

Jessie McBride	14 matches	110 runs	9 wickets	6 catches
----------------	------------	----------	-----------	-----------

Top improver this season with bat and ball. When he's on song, he's quite unplayable. Learnt a lot from our A Grade Captain at training and put those lessons to good use on Sat afternoons. Sharp in the field and took a few good catches.

<b>Toby “BC” Sims</b>	<b>13 matches</b>	<b>96 runs</b>	<b>11 wickets</b>	<b>5 catches</b>
-----------------------	-------------------	----------------	-------------------	------------------

First season with the Warriors and top all round team man. Earned the nick name early in the year when displaying his plumbers cr%\$k all too often. Another player peaking at the end of the season with an exceptional performance in round 16 ..... 7 overs, 3 maidens, 2 for 14. AND then with the bat the following week just missing out on his maiden 50 by one run. Hope to see the "Big Cat" return next season.

**Steve “Downsey” Downs**      11 matches      232 runs      1 wicket      5 catches

Foundation "Social Side" member. Number one bat every week – loves to open, and his patient 64 against Echunga was a highlight. He's also team-caterer, and his ticky-tala chicken & chick-pea salad is not to be missed. Rumour has it he's going to try his hand in the City next season – but has committed to coming back to Woodside the following year. Good luck Downsey.

<b>Harry “HG” Gelzinis</b> (written by J Hennessy)	<b>11 matches</b>	<b>66 runs</b>	<b>7 wickets</b>	<b>5 catches</b>
--	-------------------	----------------	------------------	------------------

The clubs youth policy meant that Harry-boy was appointed as captain and he did a terrific job, always encouraging the younger players even with wins hard to come by! The improvement in Jessie McBride, Angus Cowling and Jayden Hill are due to the opportunity Harry gave them each week. A season highlight was his 2 sixes in the last game and his bowling was always hard to get away. A job well done mate ! He does need to know that he should never bowl "Downsy" and to bowl himself a little more but he will learn from the experience.

<b>David “Bally” Ball</b>	<b>10 matches</b>	<b>372 runs</b>	<b>3 wickets</b>	<b>6 catches</b>
---------------------------	-------------------	-----------------	------------------	------------------

Vice Captain – left the side to share his talent with the B grade. Our loss their gain – great team man and always ready with an idea for field placement or to impart some tips to his team mates. His 124no vs Echunga was a highlight.

<b>Angus “Gus” Cowling</b>	<b>9 matches</b>	<b>100 runs</b>	<b>1 wicket</b>	<b>2 catches</b>
----------------------------	------------------	-----------------	-----------------	------------------

Kept wicket for most of the year – and steadily improved week by week. Fantastic innings against Mt Barker at the Range where he batted at 5 and made 53 no. His fielding is exceptional, covering almost the entire off-side on his own and not letting a ball through.

<b>Mike Feltham</b>	<b>9 matches</b>	<b>16 runs</b>	<b>9 wickets</b>	<b>1 catch</b>
---------------------	------------------	----------------	------------------	----------------

Team scorer and handy left arm bowler, always snaring crucial wickets when required. Took multiple wickets on a number of occasions, and a valuable late partnership batting with Toby against Strath in the last round, when he got enough on a short ball to scramble up the other end to get Tobe's back on strike. See you back next year in the "Social Side" Mike !

<b>Jim “Jimmy-boy” Hennessy</b>	<b>8 matches</b>	<b>89 runs</b>	<b>0 wickets</b>	<b>1 catch</b>
---------------------------------	------------------	----------------	------------------	----------------

Ol' Jim tried to retire, but what would the "Social Side" be without it's Jester! Runs were hard to come by this year – probably the lack of training contributed to his poor form. That is until the penultimate match of the season when, after being struck with a sickening blow to the elbow, he toughed it out to compile a hard-fought 52 against Ashbourne. Expect him to bounce back bigger than ever and snare that elusive ton next year.

<b>Jacob Snoad</b>	<b>7 matches</b>	<b>52 runs</b>	<b>5 wickets</b>	<b>1 catch</b>
--------------------	------------------	----------------	------------------	----------------

Jacob started out as our keeper, then we discovered he could also bowl very well – 3/17 off 7 against Strath a highlight. Great gully fielder as well where he took a sharp catch. Clearly will be elevated next season – but was fantastic to witness his talents this year.

<b>Daniel “DMF” March-Feltham</b>	<b>7 matches</b>	<b>61 runs</b>	<b>8 wickets</b>	<b>4 catches</b>
-----------------------------------	------------------	----------------	------------------	------------------

Think of Dan and you think of specky catches, off his own bowling at Echunga, and another at deep mid-off on the back oval at Woodside when he'd been fielding at regular mid-on.

Sean "Forest" Turnock	7 matches	81 runs	6 wickets	3 catches
-----------------------	-----------	---------	-----------	-----------

Contributes every week, and does his best work with his axe (guitar). Seriously though, this guy works hard at training and will run all day in the field – hence the nick-name. High score 22 x 2 both times against Lobey, and with a little more control will easily increase his wicket tally next season. Top all-round bloke.

Simon McElroy	3 matches	42 runs	5 wickets
Tom Blaney	3 matches	dnb	2 wickets
Brad Florence	3 matches	92 runs	9 wickets
Tom Pett	3 matches	2 runs	0 wickets
Jack Druwitt	3 matches	1 run	1 wicket
Adam Gelzinis	2 matches	68 runs	0 wickets
Tommi Kabelitz	2 matches	2 runs	0 wickets
Roy Harrison	2 matches	29 runs	dnb
Tyson Reichstein	2 matches	19 runs	2 wickets

# SOCIAL REPORT

**W**ell this brings us to the end of the 2013 - 2014 season. Ending with our biggest event, the Presentation Dinner at the Army Camp.

Throughout the year we ran the usual meat tray, uniform and bar tab raffles. At Thursday night Selections we made a couple of hundred toasted sangas. Late Saturday nights were not as big this year due to our new local constabulary which saw many cars still parked at the club on Sunday mornings (wise move fellas). The Membership draw, our team-cooked dinners and an increase in junior attendances still made Saturday nights back at the Club a good night.

We hosted the A Grade T20 & Courier Cup finals at which we supplied the food and refreshments.

This year we took a break from the Weary Warriors events so as to not over do them but they will be back.

A big thanks to Shane Druitt and Andy Nykiel for their work not only behind the bar but for all the work in keeping the club tidy and running smoothly.

All in all the social side of the Warriors is still going strong. Especially when you see that some clubs don't even have a clubroom let alone a social committee. At the time of writing we had 4 of the 5 sides vying for a spots in the GF's. So by the end of March our socialising hopefully supplied some well earned hang-overs.

Cheers!  
Grant Parker  
SOCIAL COORDINATOR

## BEHIND THE BAR

**M**y first season behind the bar in a "Managers" roll has seen a few big changes - its got two new fully functioning fridges so we no longer have to serve out of eskies, and a new till so we have a more secure way of managing our clubs hard earnings during bar service.

Shane Druwitt and I completed our RSA and licensing course at the beginning of the season to help us understand the effects of alcohol on people and to promote the responsible service of alcohol at the Club.

But i feel one of the biggest changes this year, is one of the bar being run not by one or two people, but ten or twelve - all of you know who you are and deserve a pat on the back!

I will however single out one person that has made a MASSIVE difference this year and that's the person filling the roll of assistant bar manager! Shane has spent more time at the club rooms working there outside cricketing hours than anyone else, doing things from cleaning carpets and bar mats, mopping the floors, pressure cleaning the pavers and clubrooms walls to restocking the bar.

At the start of the season i didn't get an assistant, i got a Co-Manager.

Cheers Shane and all those who helped out!

Andrew Nykiel  
CO BAR MANAGER

# GROUNDS REPORT

**B**oth ovals remain in good condition with even some 20/20 A grade games played on the back oval this year. The ovals have held up well with all the hot weather and are amongst the best in hills. The Courier cup final was played again at Woodside although the result was not great this year.

Thanks to everyone who helped with mowing or work around the nets, especially Tim Satchell, Harry Gelzinis, Grant Parker and Shane Druwitt.

Jim Hennessy  
GROUNDSMAN

# RECREATION GROUNDS REPORT

**T**he Woodside Cricket Club is a member of the Woodside Recreation Grounds Committee that looks after the area on behalf of the Adelaide Hills Council who owns the facilities. This year improvements continue to occur with both ovals now flood lit and our next project is the replacement of the bore line that we use to water our ovals. This all occurs with mainly volunteer labour particularly Phil Robinson who has spent many hours to improve our sporting hub at Woodside.

The Recreation Grounds Committee is looking at top dressing of the ovals to improve the surface of the ovals as we strive to improve these great local facilities.

Andy & Shane behind the bar

# JUNIOR REPORT

**J**unior season 2013/14 has been very enjoyable compared to the challenging one last year. We had a small group of Have-a-Goes, 2 teams of under 10's, 2 teams of under 12's, an under 14 and an under 16 team. Over 60 kids all up.

We had no problem finding quality coaches. Thanks to Mitchell Reid (HAG), Dave Collins, Noel Hermann, Anthony Pym (under 10's), Andrew Nugent (under 12's), Scott McDonald, Shane Druwitt (under 14's), Richie Reichstein & Rick Hill (under 16's). They all did a great job. Because we had so many Woodside coaches wanting to do the SACA level 1 course, we were able to get SACA to run it at Woodside. And we all passed!

Special mention to Scott McDonald who entered all the under 14 & under 16 results into mycricket. A thankless task, but a very important one. He also did it for his senior team as well. Thanks Scott.

Our junior committee has reduced over the last few years and it has been Rick Hill that has stepped up. He does an amazing amount of behind the scenes work and together with his wife Michelle, they are one of the main reasons the junior club runs so well. Huge thankyou to Rick & Michelle.

Congratulations to those players who tried out and those selected to play in the A&EHCA teams. We also had a number players gain selection in the Fleurieu North teams. You all did yourselves and your club proud. Quite a number of junior players have also had the opportunity to play senior cricket this season. This experience further adds to their development as a cricketer and hopefully proves to them, they can easily make the transition to senior cricket, in the years to come. We had junior players making 50's, taking wickets and winning games for their senior teams. The senior captains at Woodside are always keen to promote juniors.

Season 2013/2014 saw the continuation of team introductions at the club on Saturday nights, which enabled the other members to learn more about the future of our club. We had a huge increase in the number of junior players and parents coming back to the club this season. Maybe it was the because of the free drink or the \$20 cricket warehouse voucher. Junior players and coaches handled themselves very well, with the senior players & supporters loving some of the young responses.

Congratulations to Richie & Rick's 16 side for making the finals. The A&EHCA under 16 competition is a very strong one and for Woodside to have a side make the finals, is a great achievement.

Thank you to all the parents that got their kids to training and games on time, helped lay the mats, put out cones, scored, umpired and supported the kids and coaches throughout the year. Without your help, this club would grind to a halt.

The junior committee would also like to thank & acknowledge the trophy donation made by U Blinds Australia. They already sponsor our playing shirts, enabling the club to include a playing shirt with subs, to all junior players, but they have now also made a donation to the club that will cover all junior trophies this year. So if you need blinds, shutters or awnings please consider U Blinds Australia at [www.ublinds.com.au](http://www.ublinds.com.au) or call their area manager Duane (our president) on 0428 699 754. Grant Parker (our social director) handles sales down on the plains. We have just used them at work and I can highly recommend them. They had the best quote and the blinds look great.

On a personal note I would like to thank my wife Karen, for her support during the year, also thank you to our kids, Mitchell, Jasmine & Harry. It is great fun to play with Mitchell during the year and fun to coach Harry in the under 12's.

## Junior report (cont)

As I mentioned, our junior committee has reduced in the last year. I would like to make an appeal for some new parents to join us next year. We have very few meetings, with most communication done via email or verbally. Most work is done at the start and then again at the end of the season. Feel free to give me a call if you have any questions or are interested in helping. You would not be required to go to the AGM.

Hope to see you all again next year.

# SPONSORS

Sponsorship signs have graced the magnificent Woodside Oval since 2006/07 and we are happy to report that we have increased our signs on the fence again this year, thanks to **G E HUGHES CONSTRUCTION** and **DYNAMIC PAINT AND PANEL** both sponsoring the Club for the first time this season.

Our major sponsors were **U BLINDS AUSTRALIA**, stumps sponsor **MJS TREE & STUMP** and **FINSEC PARTNERS**, who also supported our Membership Draw each week. Photos of the MJS stumps have featured regularly throughout the season in the Courier Newspaper, along with our playing shirts featuring our other major sponsors. The financial support we get from these organisations assists the club to grow its facilities without further burdening our members with increased playing fees. Some sponsorship funds have gone towards new matting and other playing equipment this year.

There are also a number of other companies who provide support to the club in many and varied ways - our club is grateful for all the support provided. Members are asked to provide their support to all of these generous organisations whenever possible.

Any other companies wishing to enquire about the sign sponsorship package, or in fact any other method of supporting our club, can obtain further information from the *SPONSORS* page on our website.
