President's Report

Welcome to the end of season dinner. This year Woodside cricket club fielded 4 junior team and 4 senior sides. With 3 team playing finals A2, U16s (who made it to the grand final) and U14s. Unfortunately, no premiership this season. Hopefully, we will retain these numbers and continue to grow with more success next season.

At this time of year there are many people to thank as in clubs of our size, things just don't happen. To all the committee and their partners/ spouses I thank you for the countless hour of dedicated service. New faces next season will be more than welcome to keep this great club moving in the right direction. A very special thanks to our coaches, parents who have assisted with scoring and generally organising of the players on a Saturday morning.

I would also like to thank our sponsors for their ongoing contributions to the Woodside Cricket Club so we as a club should show support back to them. The sponsor's help keep playing fees low and players on the ground each week.

What's happening for next season hopefully the main oval scoring platform will be upgraded with a fresh coat of paint and concrete paths. A \$7,500 solar grant from the Adelaide Hill council will allow as to install a 10kw solar system, saving the club considerable amount of money over the next twenty years. The most exciting project is looking at a turf wicket on the main oval. Cricket Australia have money to spend in bushfire affected areas, like Woodside and the committee will keep exploring this option.

Old Codgers 2021 day Thanks again to Graham and Pat for all your hard work organising this very successful day for all the current and past players over 50. (A few need their birth certificates checked next year) This was the only fund raiser for the club this season due to covid -19.

As part of the Old Codgers day, there was an official naming of the back oval and I think Graham Medlow summed it up with this comment:

"On a very sad note, we lost Bill Gale a few months back. Bill guided the club through its most perilous financial period to eventually lay the foundations for the financial strength that the Woodside Cricket Club enjoys today. Bill was instrumental in the development of the second oval at the Woodside Recreation Grounds. Always remembered for being one of the greatest contributors in the history of the Woodside Cricket Club. Rest in peace Bill. G.M"

Thankyou Slim for being our President this season.

See you all again next season.

Vice President

Stephen Downs

A Grade Summary

It was a challenging year for the A grade with a total of 20 players playing a game and not having the same team two weeks in a row. This makes it very hard to have consistency, which showed in our results. However, there were positive signs, with good wins over both grand finalists and some of our younger guys really stepping up this year. In particular Tommy Baldock winning his first A grade batting trophy and Charlie McDonough taking 19 wickets.

Special mentions

Dale Robinson and Brad Collins playing Meyer shield

Tommy Baldock and Charlie McDonough playing Figg Cup (U21)

Tommy Baldock 104*

Sam Luck 5 wicket game

David Wescombe 350 career wickets

Chris Baschiera 350 career wickets

Nick Johns Jnr, Chris Collins and Jayden Hill A grade debuts

Also thanks to Will Worthington, Todd Price, Tom Worthington, Noah Bell, Michael Hennessy who all played at least 1 game.

Tommy Baldock

416 runs @ 32 - best 104*

2 wickets @ 13.50 - best 1/1 off 1

7 catches, 2 run outs

Will Dunstall

56 runs @ 7 - best 21

3 catches

David Wescombe

409 runs @ 34.08 - best 73

2 wickets @ 22.25 - best 2/10 off 4

10 catches

Steve Ball

51 runs @ 10.20 – best 12

18 wickets @ 18.56 - best 4/40 off 9

9 catches

Brad Collins

339 runs @ 42.38 - best 65

18 catches, 5 stumpings, 1 run out

Charlie McDonough

23 runs @ 5.75 – best 17

19 wickets @ 20.84 - best 3/19 off 9

2 catches, 1 run out

Sam Pullen

243 runs @ 30.38 - best 66

3 catches

Dale Robinson

7 runs @ 1.75 – best 5

9 wickets @ 22.78 - best 2/14 off 6

4 catches

Shane Collins

171 runs @ 42.75 - best 69*

20 wickets @ 12.20 - best 3/8 off 7

8 catches

Nick Johns Jnr

2 runs @ 2 – best 2

8 wickets @ 22 - best 3/28 off 9

1 catch

Jeremy Snoch

93 runs @ 15.50 - best 27

2 catches

Chris Baschiera

87 runs @ 8.70 - best 30

27 wickets @ 14.78 - best 4/27 off 9

9 catches, 1 run out

Sam Luck

80 runs @ 10 - best 32

13 wickets @ 10.31 - best 5/17 off 9

1 catch

A2 Season Report

This year we welcomed Henno, Voda & Nick Jnr back to the club after a few seasons off. Handy inclusions after losing Smithers & Galv's from last season.

We had an average start to the season with two wins and two losses from the first four rounds.

Then we went on a nine game winning streak, beating all teams in the grade, resulting in a one and a half game lead on top of the table with two games to go.

Our last two games were against the second and fourth placed sides and a good lead up to finals. Unfortunately, we lost both these games by small margins and finished the minor round in second.

Out of the 16 games played I won the coin toss on five occasions. This resulted in us batting second a lot, only being sent in once. By halfway through the season the guys had a fairly good idea on what we were going to be doing first even before the toss.

The lads with the ball performed well throughout, restricting teams to scores under 135 on ten occasions, most of these were bowling first so the downside to this was we weren't chasing big targets and a few guys weren't getting much of a hit (my fault again for not winning the toss).

With the bat we did have four scores above 165 but unfortunately lost two of these games. One chasing and the other we got run down.

The Semi Final was a bit of a disaster.

Not consistent enough with the ball by bowling too many balls to their hitting zone resulted in a target of 159. We had the 'line up' capable of running the total down but unfortunately did not perform on the day.

A very disappointing way to finish off a season that had high expectations.

I was upset about not being able to play the grand final last season but not making the grand final this season was even worse.

Putting aside the crappy way we finished the season I'd rather be in our situation than only winning a couple of games.

Hoota, Niko & Buckets lead the way batting with averages over 30 while the rest of us were inconsistent. Plenty got starts but no one went on to make a big score.

Jez lead the way with the ball. After a slow start he found his line and length and bowled exceptionally well. Buckets economy rate was very good as usual while Nick Jnr ripped into the batters claiming 14 wickets in his 9 games.

Voda with 13 wickets bowled over 80 overs with a good economy rate while Hoot's with 13 wickets & Tyson with 12 wickets had some good spells.

A few highlight / lowlight situations that stood out for me this season,

- Niko's catch at Langhorne Creek, big edge low to Hoota at second slip (no way he was getting down to it) stuck his boot out and the ball ricocheted up to Niko at first slip to the disgust of the batsman.
- Dylan Taylor getting launched at Strath, landed on the back end of the new complex.
- Jez dropping two sodas in one game.
- Tyson's massive six at Nairne.
- Henno, Niko, Snoady, out for 49 in separate games & Hoota with a 48.
- Nick Jnr & Henno bowled leaving what they thought was outside off stump.
- Worthers only game, gem of a catch at gully followed with a lap of honour.

I'd like to thank the guys for their support and efforts throughout the season.

To the fellas who only played a few games thanks heaps.

BJ

B Grade Season Report

I was a bit worried going into this season, losing our leading wicket taker, leading run scorer, both opening batsmen and our best fielder. But our young players and our new recruits rose to the challenge to only miss the finals, by half a game. We will always rue the loss to Hahndorf and the “washout” to Callington. Overall, it was a very successful season. The discovery of new players, the improvement in our young players, the output of the experienced players and a real team bond we formed over the season, were all reasons to be optimistic. I would like to thank the club for giving me the opportunity to captain the B grade. It has been a privilege and an honour to play with so many great guys over the years, especially my sons, Mitchell & Harry. Hope I can get a game in the C grade next season.

Old Reidy

Peter Reid – 13 games, 275 runs, 10 catches.

By Harry - This year Peter took on the captaincy of the B-grade once again. His selflessness saw him bat down the order so he could give others a go. He starred in the field this year being the leading catcher with 10 catches (2 wicket keeper catches) and taking 1 runout. He had multiple batting partnerships with Dave and one to stand out was against Callington where Peter got 96no in a partnership of 153 on the slowest outfield we experienced.

Dave Collins – 11 games, 558 runs, 5 wickets, 5 catches.

Dave showed his batting class this season highlighted with 136 of 98 balls v Mt Barker. He also didn't score under 12 in any innings this season. Just imagine how many he would have scored without creaky knees a dodgy back? His vast experience was a major reason we did so well this season.

Jessie McBride – 14 games, 3 runs, 15 wickets.

Jessie added some real consistency this season. We always know put the ball in the right areas

and would always put in 100%. Always wanted to bat last, so with a team that only got bowled out twice, Jessie didn't get the opportunity to bat very often. With some more work on his fielding, he may be able to move up a grade.

Angus Cowling – 14 games, 133 runs, 12 catch, 1 stumping.

Gus had much better season with the bat compared with last season, but there is so much potential to improve even more, especially when you saw how well he batted for his 47, against Finniss. Had a couple of minor blemishes with the gloves, but overall had a great season behind the stumps.

Brock Dunn – 9 games, 136 runs, 12 wickets, 3 catches.

Continued on from last season with ball, to have another great season. The highlight being his hatrick v Mt Barker. Pestered the captain to bat higher up the order and showed he is very capable with the bat. A true allrounder and a very good fielder.

Dylan Taylor – 6 games, 1 run, 7 wickets.

Dylan struggled to get to training this season because of work commitments. His best bowling is very good at this level, shown with his 3/33 off 8 overs v Nairne. As with Jessie, Dylan didn't get much of a chance to bat throughout the season.

Harry Reid – 13 games, 47 runs, 5 wickets, 4 catches.

Coming off a breakout season with the bat and gloves, you would have expected this to continue. But we needing an opening bat early, so Harry put his hand up and as a result he lost some confidence. But he managed to re-invent himself as an off spinner and bowled some very good overs without much luck. Hopefully, next year will get his batting confidence back and be a genuine all-rounder for the club.

Jaiden Howard – 12 games, 356 runs, 1 wicket, 3 catches.

Jaiden's first season out of juniors, started slowly, but took off with 90no v Hahndorf. He filled a very important role at the top of the order and to end up finishing second to Dave in the run total was an outstanding achievement. Can field in any position and never short of a word on the ground.

Brad Jones – 7 games, 109 runs, 5 catches.

We were grateful to have Brad for 7 games. Although not that old, his experience at the top of the order and on the field is very welcomed. His batting probably suffered, by not being able to train, but his 42 v Hahndorf showed everyone he has the ability. Possibly the club's best fielder, he showed why, with the catch of the season v Echunga on the main oval.

Nathan Williams – 13 games, 70 runs, 17 wickets, 4 catches.

The club is very lucky to have Nathan join us this season. His vast experience at a very high level with Imperials helped our team throughout the season. His competitiveness was always on display, which is what you want from a fast bowler. His 4/25 of 8 overs against the top side Finniss, was the highlight. Always in the wickets to be tied for the bowling trophy.

Andy Maher – 5 games, 48 runs.

"On loan" from the C grade early on, Andy was fantastic player to have in our inexperienced line up. Probably didn't see the best of Andy, but his 33 v Finniss showed his class.

Jayden Hill – 7 games, 16 runs, 3 wickets, 2 catches.

Jayden probably didn't have the season he was expecting, but having said that, he did play some A2 games and made his A grade debut. No-one puts in more work at training and the results will come. The spiritual leader of the team, and it wasn't the same in the field without him.

Matt Gauci – 10 games, 3 runs, 17 wickets, 2 catches.

From a guy playing his first full season of cricket, what a huge achievement. Went from taking 1 wicket at Imperials, to tying for the bowling trophy at Woodside. Always able to take wickets when required, his season included two 5 wicket hauls. How many more would he have taken, if he didn't hurt his shoulder batting in the nets?

Chris Collins – 8 games, 124 runs, 6 wickets.

Still an under 16, Chris was unfortunately squeezed out of the side when seniors were available, but an important member of the side. Found his spot at the top of the order, facing the best bowlers with the new ball. His 40 v Hahndorf showed he has a bright future at Woodside. And don't forget this bowling. He could well open the batting and bowling for Woodside in the future.

Thanks to others that played less than 5 games, Ramon Molier (4), Mitchell Reid (4), Thomas Rooney (3), Jasper Maher (2), Jacob Molier (2), Craig Medlow, Jim Hennessy, Noah Bell, Dave Ball, Darren Faust, Brayden Coulthard & Tyson Reichstein.

C Grade Summary

The season that really never felt like it started. Last season's bridesmaids to 6th this year. Unable to beat a single team in the four was the difference this season. We couldn't rely on a Port Power supporter to make 100 each week, hey Andy? Having said that the competition was stronger than last season. Low numbers this season did not help our cause either so, thank you for the under 16 and under 14 player's for filling in. But we always managed to field a full side each week. Matt Whitlock should give us hope for next season with his final innings where he made half his runs for the season in one game. Shut your eyes and swing Matt because I think the rest of us employed that tactic this season.

Lastly, my highlight for the year was the father and son opening partnership against Langhorne Creek chasing 175 in a 20/20 Andy and Jasper made 107 in 6.3 overs.

A. Maher- 87, 9 fours 7 sixes- 78 run from boundaries

J. Maher- 42, 6 fours, 2 sixes- 36 runs from boundaries

Thank you to the club for a great season!

Skipper Downs

Shane Bradfield- 12 matches, 60 runs at 10, HS – 21, 3 catches,

Shane had an average year by his standards but 2 of his 3 catches were off Bally, so all good! His claim to fame came when the Hills Fleurieu Over 60's won the flag against the Easts Cricket Club filled with a number of ex legendary A Grade District Cricket Club greats. Shane took a lovely catch in the outfield to dismiss one of their key batsman, but the question is, would he have taken the catch with the gloves on? Apart from Anne Oliver, he is the best scorer in the club which is much needed as no one else in the C's knows how to score on or off the ground.

Steve Downs- 11 matches, 93 runs at 15, HS-22, 5 catches, 3 overs- 0 for 19

The unsung strategic leader with the numerous field changes that created wickets at will and pissed the rest of us off. Found his mojo with the bat after Xmas coming in as the designated hitter striking 26 runs in 2021 at a strike rate 10.3. Had his best year in the field taking 5 catches! Won the fielding award as captain but lost on a countback.

Kym Floyd- 12 matches, 47 runs at 7.8, HS-21, 2 catches, 53 overs- 16 wickets at 20, 1 maiden, BB- 4 for 43

Flogger came close to winning the Bowling award this season with some legendary mini spells within some awful spells. When he took 3 for 31 in one game he actually bowled a 17 ball over that included 2 wickets. His last game was the one that will stick in everyone's minds as he bowled 3 overs for 7 runs and then "the silicone chip inside his head gets switched to overload" and promptly went for 46 off the next 3 overs! Unfortunately for Flogger his Tinder date for that night had sent him a picture of herself in a compromising position at the drinks break which permanently broke his concentration for the rest of the game

“Dipper”- 8 matches, 113 runs at 16, HS- 29, 3 catches, 34.5 overs, 6 wickets at 21 BB- 2 for 11

What can we say about Dipper this season? Our most reliable cricketer had a season to forget interrupted with “dirty weekends” away with the lovely lady! A legend of the club still with 3458 runs at an average of 37.

Andy Maher- 13 matches (8 C Grade and 5 B Grade matches), 398 runs at 66, HS- 139 no, 1 catch 0 for 17 of 2 overs.

Our only player to score more than 200 runs for the year and his 139, 94 and 87 were all breathtaking knocks. That’s right- 320 runs in 3 knocks and 78 runs in 10 knocks! A great bloke to have in the field as he is always happy and starred in what ended up being the highlight of the year in C Grade in the T20 match against the Creek just Xmas. The Creek made 3 for 175 and were by all accounts pretty cocky coming out to bowl. Little did they know about the Maher factor. Not just one Maher but two of them. Andy and Jasper opened the innings and put on 107 in 6.3 overs, Jasper making a polished 42 (36 in boundaries) and Andy making 87 (78 in boundaries) and we won with 5 overs to spare. The Creek boys kept telling Andy he was a ‘hack’ and he just kept hitting them further and further out of the ground with a broad grin on his face.

Jasper Maher- 5 matches (3 in C grade and 2 in B Grade), 52 runs at 17, 3 catches, 10.4 overs, 1 for 96

Jasper filled in for both the B’s and C’s during the season which was most appreciated by both teams. Batted beautifully with his Dad against the Creek after Flogger had suggested the two of them open together (masterclass call Flogger). Jasper made 42 with 36 in boundaries.

Brett Coleman- 10 matches, 109 runs at 15, HS-39 no, 1 catch, 7 overs, 2 wickets at 21, BB- 2 for 19

Brett is the unassuming quiet achiever in the team hits a big ball none more so evident against Lobethal when he smashed 39 no in quick time to give us the win. Still keen to get him bowling more as he took out the B Grade Association bowling award in 2016/17 with 17 wickets playing for Ashbourne. You don’t lose that ability overnight and a big pre-season is in order.

Eden Bayley- 11 matches- 40 runs at 10. HS of 18. 2 catches and 1 run out. 16 wickets at 14 and BB- 3 for 4.

Another impressive year from Eden. Not always consistent with his line and length but when he is on, troubles all batsman. Claim to fame this year was when he successfully reverse swept a James McArthur Yorker at training. We still don’t know how he did it but needless to say the subject was brought up each Saturday for the rest of the year and he actually did it pre-season.

Matt Whitlock- 12 matches- 138 runs at 17, HS- 62. 0 catches (not surprising). 15 overs, 3 wickets at 35. BB- 2 for 2.

Matt would be a decent bloke if he didn’t follow the “Prison Bar” wharfies! The guy can bat but decided to leave it to the last game to score half his runs for the year! The best bowler ever seen in the nets during the week but ‘apple crumbles’ at the thought of bowling on a Saturday. Loves his cricket and runs around like a kid in the field.

David Ball- 10 matches (9 in C Grade and 1 in B Grade) - 182 runs at 22, HS- 38 no, 5 catches and 1 run out. 32.4 overs, 9 wickets at 19 and BB- 4 for 19.

James McArthur- (The General)-11 matches- 35 runs at 4. HS of 14. 64.3 overs, 10 wickets at 28 and BB- 3 for 42.

James introduced the 'knuckle ball' at key moments of games. We finally have a 40 odd year old that can move around in the field like a rabbit. Now that we have two Zimbabwean's and a South African in our team there appears to be a smattering of match fixing happening in our team! Alas, it didn't assist us in making the finals but did money change hands? James dropped 2 simple catches against Lobethal and blamed Bally's head for being in the way. A bit hard when the ball was hit to 'cow corner' and Bally was fielding at mid-off!

Tim Satchell- 8 matches- 125 runs at 16. HS of 57. 2 catches and 1 run out.

Timmy had an average season by his standards as he usually gets us off to a flyer most matches. No matter what the state of the match he positively contributes to Floggers animated state discussing horses and which ones to back. His big moment came not on the cricket field but at the Yearling Sales in early March when one of his Fillies (Wings of Alice) sold for \$370,000. The C Graders are still waiting for an invitation to dinner at Chianti's in Hutt Street.

'Magic' Mike Bradley- 12 games- 83 runs at 12. HS of 29. 1 catch. 46.2 overs, 3 wickets at 87.

New to the club this year and wasn't he a revelation. A young 70 years of age, loves his cricket and has a better batting technique than the rest of the team combined! His highlight came in the second to last match against Wistow when he smacked 29 in ultra-quick time which included 3 fours and 2 sixes.

A big thank you for the guys who filled in this season- Jim Hennessey, Chris Collins, Randall Hodgkinson, Craig Lovering, Jacob Molier, Dylan Taylor, Will Harvey and Rick Hill.

Club Milestones Achieved During The Season

Thomas Baldock 1500 runs (1535)	Matthew Johnston 8500 runs (8818)
Steve Ball 50 matches (61)	Bradley Jones 1500 runs (1591)
Steve Ball 100 wickets (101)	Samuel Luck 100 matches (105)
Chris Baschiera 350 wickets (352)	Samuel Luck 50 wickets (57)
Noah Bell 500 runs (534)	Andrew Maher 500 runs (856)

Individual Milestones Achieved During The Season

Thomas Baldock
104* vs Lobethal

Matt Gauci
5/24 vs Mount Barker
5/22 vs Callington

Andy Maher
139* vs Macclesfield

David Collins
136 vs Mount Barker

Sam Luck
5/17 vs Strathalbyn

Brock Dunn
Hat trick vs Mount Barker

Instagram Report

Our social media platforms continue to grow this season. Our website traffic has slowed over the last year but continues to be a goldmine of information & photos.

Our Facebook page has over 600 followers, with over 200 seeing the weekly results. The number of followers has increased from under 400, three years ago. We have had a great season for milestones, with 3 making the top 5.

Our top 5 posts this season have been:

- | | |
|--|--------------------------------------|
| 1. Wingers wins player of the carnival | 1264 people reached & 345 reactions. |
| 2. BJ's 9000 th run | 1187 reached & 593 reactions. |
| 3. Bucket's 7000 th run | 1119 reached & 324 reactions. |
| 4. Hoota's 8500 th run | 1054 reached & 324 reactions. |
| 5. Old Codgers Preview | 1046 reached & 151 reactions. |

Our Instagram page, now has over 200 followers. Up from 102 three years ago. Thanks again to Mark Rooney for his fantastic action shots. Any post with JJ or Tommy is guaranteed to get more likes.

Our top posts this season have been:

Juniors Report

This year the Woodside Cricket Club fielded 5 junior teams. This consisted of U10, two U12s, U14 and U16s.

The ability to have these sides is not possibly without the efforts in particular of the coaches. Noel Herrmann coached the U10's, Noel has coached before when Brad was coming up through the U10s and U12s. It was great to have Noel back looking after the U10s. Nick Thring returned for a second year coaching U12s. Many thanks for Nick in making the commitment to continue this year. The other U12 side was coached by Brock Dunn. Brock is based at the Woodside Barracks and in his second year at the club. Brock put up his hand to help with the junior program and was a successful coach of the U12s. It is enjoyable to be at the ground on a Friday night when the two u12 sides play each other and all the parents and families enjoying each other's company while friendly rivalries play out on the field. All coaches of the u10 and u12s gave great speeches at the junior wind-up for these grades with about 70 players and family members attending.

Ben Moore continued coaching this year but moved up to the U14s. Ben continues to make a great commitment to the club and the junior program. The U14s made the final but were beaten in the semi-final. It was a great achievement for the u14s to make the finals with a young side.. A number of u12s played every week to ensure that we had a side. These players all performed very well throughout the year. Andy Maher also continued coaching but moved up to the U16s. Andy, after taking the U14s to the premiers in 2019/20 nearly did it again with the U16s losing to Strathalbyn in the Grand Final. This u16 side will be one to watch next year.

We are lucky to have 5 very good coaches and this shows in the way our teams play the game and conduct themselves.

Also, many thanks go to all the parents and volunteers who assist the coaches and make playing cricket enjoyable for the children. To that end Kevin Colla was awarded the Mick Moller award this year. Kevin Colla has previously been a coach and always happy to assist whenever possible. Well done Kevin.

Regards
David Collins
